## Updates to Route 35

Over the next few weeks, some Route 35 bus stops will be changed on Technology Parkway in Peachtree Corners.

The City of Peachtree Corners and Sprint are working to create a transportation lab where autonomous vehicles will be tested. As a result, a few Route 35 bus stops will be either **relocated** or **removed**.

Route 35 runs in only one direction along this corridor, so these bus stops are on just one side of the road. You can call GCT Customer Service at 770.822.5010 to learn if your particular bus stop will be changed. To learn more about the Peachtree Corners project, please click [here](#).

Route 35 also has a **new schedule change** that will take effect on **May 1**. It will depart from **Doraville MARTA Station** at **5:30am**, and depart from **Brook Hollow Parkway at North Norcross** at **5:44am**. For more information on the Route 35 schedule, visit [Routes and Schedules](#).

## Free transfers to MARTA

Did you know that Gwinnett County Transit offers free transfers to MARTA? All you need is an **active Breeze Card** (make sure it is silver, not blue).

Once you have a Breeze Card, you can **add cash value** at a MARTA kiosk, [www.breezecard.com](http://www.breezecard.com), or the Gwinnett County Transit Customer Service office, and the system will automatically allow transfers from Gwinnett County Transit to MARTA or vice versa.

However, you have to take advantage of the free transfer within a three-hour period.

Please remember that free transfers can only be used by adding **cash value** on a **Breeze Card**, and not by buying tickets for specific transit authorities. For more information, please call GCT Customer Service at 770.822.5010 or visit our [website](#).
