Shape the future of Gwinnett Transit

Gwinnett's Transit Development Plan (TDP) will guide transit development to serve the current and future needs of our county. Whether you're a daily commuter, transit rider, business owner, or resident, we want your help creating the vision and investment plan for transit in Gwinnett. Driver Spotlight

At Gwinnett County Transit, we always welcome feedback from our riders. But we especially enjoy highlighting the compliments our bus drivers receive. This month, we are highlighting bus operators Horace Hall and Herman Beck.

Bus rider Arthur Davis compliments Horace Hall "for

providing excellent customer service while attempting to load [his] Breeze Card on bus route 30." Davis continues, "The operator was kind, patient, and very helpful."

Route 45 passenger gives kudos to operator Herman Beck "for always being pleasant and giving [her] quicker solutions to get to her destination."

Transit Tips and Tricks

Did you know that we connect to Doraville MARTA Station? Local bus routes 10A, 10B, 20, and 35 connect Lawrenceville, Duluth, Norcross, and Peachtree Corners to the Doraville location from Monday through Saturday.

Because we provide free transfers to MARTA with your Breeze Card, you could ride from Gwinnett all the way to the Atlanta Airport for \$2.50! Just be sure to complete your trip within three hours.
