

# How to use the Georgia DOT search function

The Georgia DOT website address is [www.dot.ga.gov](http://www.dot.ga.gov)

The search tool link is <http://www.dot.ga.gov/BS/Projects/ProjectSearch>

A couple things to know about the search tool called GeoPI.

- It allows you to search for all projects, past and present.
- Crash data is housed here as well.
- If you already have the Project ID, you can use that to search for information.

Here are the Project IDs and Names for a few GADOT projects in Gwinnett County.

110600	I-85 Express Lane extension
0004440	SR 20 widening east of Burnett Trail
132985	Forsyth-Gwinnett 20 widening
0010330	Buford Hwy in Norcross from Jimmy Carter to Beaver Run
0010662	Satellite Blvd Pleasant Hill -Gwinnett
0010663	SE Railway museum
0010877	Lanes for SR 141 onto limited access of Peachtree Industrial Boulevard

## Steps to Use:

Let's say you want to see information about the Express Lane extension on I-85. Use the link to access project search screen.

<http://www.dot.ga.gov/BS/Projects/ProjectSearch>

Type in the project ID into the field titled "Search by keyword, such as Project ID or County Name," and click GO. (Project ID shown above.) Here's what shows up:

Home -> Build Smart -> Projects -> Project Search (GeoPI)

ALL 110600 GO

## What if you don't have a project number?

Let's say you want information on SR 13 in Gwinnett County.

Use the same link to access the project search screen.

Change the word "all" to "projects" on the top left field and click on the filter icon at top right.

A tabular search page appears. Use pull down options or enter data to reflect:

County Equals Gwinnett

GDOT Districts Equals District One – Gainesville

State Route: 13

Click Submit button

### Advanced Search for Projects

Tabular Search | Geographical Search

County:	Equals	Gwinnett
Congressional Districts:	Contains	Select Congressional Dis
GDOT Districts:	Equals	District One- Gainesville
Project ID:	Enter Project ID	Description:
City:	Enter City	Project Type: Select Project Type
Work Type:	Select Work Type	State Route: 13

Submit Close Reset

Again, once you find the project number you are looking for, you can search for details on that project by clicking on the glasses.

The screenshot shows a web interface with a map of Gwinnett County, Georgia, and a search results panel. The map displays several project locations marked with colored lines (purple and blue) and project numbers. The search results panel, titled "Search Result(s)", lists the following information:

Project ID	Description	County
0000164	BUFORD STREETSCAPE	Gwinnett
0002393	SR 13 FM SUGARLOAF PKWY TO SR 20 IN BUFORD	Gwinnett
0004632	NORCROSS AREA TRANSFER CENTER AT JIMMY CARTER & BUFORD HWY	Gwinnett

Keep in mind that this search will include projects past, present and future.
