

FACT SHEET

GC Smart Commute
January 2015

WHAT

- Gwinnett County Department of Transportation is offering a resource to Gwinnett citizens to view live camera feeds of major road intersections and corridors through GC Smart Commute
- Live feeds show real-time traffic looped for 13 heavily-travelled intersections and corridors in Gwinnett County during peak hours of commuter traffic (16 during off-peak hours). The current camera locations include:
 - SR 20 at I-985
 - SR 20 at I-85
 - SR 20 at SR 124
 - US 29 at Sugarloaf Parkway
 - US 29 at Beaver Run Road
 - Jimmy Carter Blvd at North Norcross Tucker Road
 - Jimmy Carter Blvd at Rockbridge Road
 - SR 124 near Webb Gin House Road
 - US 78 at Fountain Drive
 - US 78 at Hewatt Road
 - US 378 at Indian Trail Road
 - US 29 at Buford Drive
 - Pleasant Hill Road at I-85
 - SR 120 near SR 316
 - Buford Highway at SR 378
 - Steve Reynolds Boulevard at I-85
- All cameras are installed, maintained, and operated by Gwinnett County
- Approximately 207 cameras are currently operating with a total of 235 expected to be operating by the end of the year
- GC Smart Commute also incorporates information on road closures, GC Transit, and how to report a traffic signal or transportation-related issue.
- GC Smart Commute also provides the County the ability to post informational banners across the screen for emergency transportation and traffic situations, should the need arise

WHEN

- GC Smart Commute is currently available for citizens 24/7 at www.gcsmartcommute.com and on TVgwinnett, your government access cable channel, weekdays from 6:30am – 8:30am and 4:00pm – 6:00pm

HOW

- The Advanced Transportation Management System/Intelligent Transportation System (ATMS/ITS) and Traffic Control Center enhancements were funded through the 2001 and 2009 SPLOST programs
- Camera locations have been chosen to monitor arterial and corridor traffic flow for real-time adjustments from the Gwinnett Traffic Control Center
- The ATMS/ITS will continue to grow as future revenues allow

WHY

- Plan your local commute: Use GC Smart Commute to plan your route to and from work and save time and gas by avoiding crowded intersections
- Tell us how we can improve GC Smart Commute—share your ideas by calling 770.822.7400 or email us at dottraffic@gwinnettcounty.com
