Gwinnett County Transit ADA Paratransit Service

PART A: Information materials and application form for Paratransit

Thank you for your interest in the ADA Paratransit Program for Gwinnett County Transit. Please read the GCT Paratransit Rider’s Guide and this application carefully before completing the application. If you have any questions regarding this application, please contact the Paratransit Certification/Enrollment Office at 770.822.5010 and “press 3.”

The Rider’s Guide and these materials explain transportation requirements of the Americans with Disabilities Act (ADA) and will help you assess if you may qualify for Paratransit service.

STEP 1: Read carefully GCT Paratransit Rider’s Guide and the section “What is ADA? What is Paratransit?” below.

STEP 2: Complete the ADA eligibility worksheet. If your answers on this worksheet indicate that Paratransit might be appropriate for you, please go to step 3 below. If your answers indicate Paratransit may not be appropriate, there may be specialized services available for you including the GCT reduced fare program. Call 770.822.5010 for reduced fare information. GCT also offers free travel training to anyone interested in learning how to ride GCT buses; call 770.822.7400.

STEP 3: After completing Steps 1 and 2, if you think Paratransit might be appropriate for you and you are interested in applying, please complete the application form. The application consists of two parts:

- Part A is to be completed by the applicant
- Part B is to be completed by a licensed professional knowledgeable about the applicant’s primary disability

STEP 4: When the completed PART A is received by Gwinnett County Transit, PART B of the application will be forwarded to the Licensed/Certified Professional who was listed by you in PART A. Your application will be considered complete once your Licensed/Certified Professional has completed and returned PART B to GCT. Gwinnett County Transit will provide a decision as to your eligibility within 21 days, once the completed application is received.
Please Note: A Licensed/Certified Professional can include the following: Clinical Social Worker, Independent Living Specialist, Occupational Therapist, Physiatrist, Physical Therapist, Rehabilitation Specialist, Audiologist, Ophthalmologist, Physician, Psychologist, Registered Nurse or Mobility Specialist/Instructor.

If you still have questions please call the Paratransit Office at 770.822.5010 – Option #3.
What is ADA? What is Paratransit?

What is ADA?
The Americans with Disabilities Act of 1990 (ADA) is a civil rights law that prohibits discrimination against people with disabilities. The intent of ADA is to ensure that persons with specific disabilities have equal access to public transportation. In accordance with ADA, Gwinnett County Transit (GCT) must provide a variety of services, including Paratransit service. Paratransit service is a specialized service providing an origin to destination shared-ride service for eligible individuals with disabilities who are unable to use the regular fixed route bus service.

GCT is required to determine the eligibility for Paratransit service for individual applicants. Categories of eligibility for Paratransit service are as follows:

- **“UNCONDITIONAL ELIGIBILITY” (or “ALL TRIP ELIGIBILITY”)**
  This outcome would be appropriate if it is determined that it is not reasonable to expect the applicant to use fixed route service for any trips, under all conditions.

- **“CONDITIONAL ELIGIBILITY” (or “SOME TRIP ELIGIBILITY”)**
  This outcome might be appropriate if the individual can reasonably be expected to use fixed route service for some trips (when barriers that prevent travel are not present) but cannot be expected to use fixed route service under some conditions.

- **“TEMPORARY ELIGIBILITY” (or “TRANSITIONAL ELIGIBILITY”)**
  This outcome might be appropriate if the applicant’s disability is only temporary or if his or her functional abilities are expected to change in the short-term. A term of eligibility that is less than the term typically granted might be appropriate.

  Temporary eligibility can be unconditional or conditional.

- **“NOT ELIGIBLE” (or “FIXED ROUTE ELIGIBLE”)**
  This determination would be appropriate if the applicant can reasonably be expected to use fixed route service for any trips under all conditions.

A DISABILITY DOES NOT AUTOMATICALLY MAKE SOMEONE ELIGIBLE FOR PARATRANSIT SERVICE. GWINNETT COUNTY TRANSIT’S FIXED ROUTE BUSES ARE FULLY ACCESSIBLE TO PERSON’S WITH DISABILITIES AND SENIORS.

Eligibility for ADA Complementary Paratransit Service is based on limitations to an individual’s abilities not just the presence of a disability. Eligibility is determined by your functional ability to ride or access the fixed route
accessible bus service. It is not a medical determination; it is a functional ability analysis. A disability that makes travel more difficult, but not impossible, does not qualify you for eligibility.

**What is Paratransit?**

The Gwinnett County Transit Paratransit program is a publicly funded Paratransit service, which operates specialized accessible vans for persons with disabilities who are unable to use regular fixed-route buses. Other vehicles such as a taxi also may be used when Paratransit vans are not available. Paratransit is an alternative shared-ride origin to destination demand response service. It is designed to “mirror” GCT’s regular bus route service. Origin to destination and “mirroring” provisions of ADA means curb-to-curb service with the assistance to board and exit vehicles. Additional assistance can be provided upon request to the vehicle if the individual is unable to negotiate the distance from the door of his or her home (or destination point) to the curb. Gwinnett County Transit Paratransit is only required to provide service if both the starting point and destination of a trip is located within ¾ mile of an operating GCT fixed-route. However, paratransit eligible customers who are outside of the service area can still use the service if they are able to get themselves into the service area. Paratransit operates within Gwinnett County in conjunction with service times of fixed-route buses.
ADA Eligibility Worksheet: Is Paratransit Right for You?

Your Name: _______________________________________________

*This worksheet is for your own use.* It will help you understand ADA eligibility and determine if Paratransit is the appropriate service for you. As explained in *What is ADA? What is Paratransit?*, the ADA law states that ADA eligibility is given to persons whose disabilities prevent use of regular accessible fixed-route transit services. An individual’s disabilities must be so significant that the individual is not able to use fixed-route transit service.

Read the 5 questions on the left side of the worksheet and then check your answers on the right side. Your answers will help you determine if Paratransit might be appropriate for you.

- GCT also offers free travel training to anyone interested in learning how to ride GCT buses; call 770.822.7400.
- If you checked “Sometimes” to one or more questions, you might be determined ADA eligible for certain trips under certain circumstances.
- If you answered “No, Never” to one or more questions, you might be ADA eligible. A complete application, Part A & Part B, is necessary to formally determine ADA eligibility.
APPLICATION INSTRUCTIONS

Gwinnett County Transit’s (GCT) Paratransit Service provides specialized transportation for persons who are unable to independently use regular bus service due to a disability or health related condition on a short or long term basis. Paratransit is provided by GCT as a part of the requirements of the Americans with Disabilities Act (ADA).

In order to use Paratransit, you must first be certified as eligible. Please read the following instructions thoroughly before filing out the attached application form. All information that you supply will be kept strictly confidential.

This information is also available in other languages upon request (Spanish, Korean, Vietnamese). However, the application must be filled out in English and must be typed or printed clearly.

1. You may fill out this application yourself, or you may get help from anyone familiar with you and your condition. When completing this application, please keep in mind, the more detailed information you can provide the better you will enable GCT to make the most appropriate determination regarding your transportation needs. If you have questions or need assistance in completing this form, please call GCT Paratransit at 770.822.5010 – Option #3.

2. It is your responsibility to return the completed and signed PART A to GCT. You also MUST SIGN the Authorization Page of this form authorizing your Licensed/Certified Professional to release information regarding your disability and functional ability to access and use the accessible fixed route bus service. On the Authorization Page, please be certain to provide complete information on the Licensed/Certified Professional who can appropriately answer questions about your disability and your functional ability to travel.

   Please note: the person filling out PART A of this application cannot be the same person who will fill out PART B as the Licensed/Certified Professional.

3. Mail completed Part A application including all required signatures to the following address:

   Gwinnett County Transit
   Re: Paratransit Application Part A
   3525 Mall Boulevard, Suite 5-C
   Duluth, GA 30096

4. When the completed PART A is received by GCT, PART B of the application will be forwarded to the Licensed/Certified Professional who was listed by you in PART A. Your application will be considered complete once your Licensed/Certified Professional has completed and returned PART B to GCT. Gwinnett County Transit will provide a decision as to your eligibility within 21 days, once the completed application is received.
5. You will receive a notice as to whether or not you are eligible. Please note that verification from a licensed health care professional DOES NOT automatically qualify you for Paratransit service. You may be found to have:

   a. Full Eligibility: Eligible for all your travel needs within the service area of GCT Paratransit (3/4 of a mile within the fixed route service).

   b. Conditional Eligibility: Eligible for some trips on GCT Paratransit depending on the nature of your disability.

   c. No Eligibility: Not eligible for Paratransit

6. If you are found not eligible for GCT Paratransit services and you disagree with the determination, you may appeal the decision. Information on the appeals process will be sent to you with your eligibility determination letter.

Gwinnett County Transit ADA Paratransit Service

PART B: Licensed/Certified Professional Section

If you have any questions regarding this application, please contact the Paratransit Certification/Enrollment Office at 770.822.5010 and “press 3.”

The person named on the attached application is applying for eligibility for the Gwinnett County Transit (GCT) ADA Complementary Paratransit Service. Please read the following information carefully since it may affect your response. To determine eligibility, we need to ask the applicant’s licensed/certified healthcare professional questions about their functional abilities.

Who Qualifies for Paratransit?

ADA Complementary Paratransit service is designed to serve ONLY those persons whose severity of disability prevents them from using public transportation. Under the Americans with Disabilities Act (ADA), disability alone does not qualify a person to ride Paratransit. Eligibility for ADA Complementary Paratransit service is based on limitations to an individual’s abilities not just the presence of a disability. A person must be FUNCTIONALLY unable to use regular GCT service. It is not a medical determination but a functional ability analysis. A disability that makes travel more difficult, but not impossible, does not qualify the person for eligibility.

Service is provided to the following three general groups of persons with disabilities:

1. Persons who have specific impairment-related conditions which PREVENT use of regular transit service—not just make it difficult to travel to or from the bus stop.
2. Persons who need a wheelchair lift and a wheelchair lift equipped bus is not available on the route when they need to travel.
3. Persons who are unable to board, ride or exit from regular GCT buses, even if they are able to get to a bus stop and the bus is equipped with a wheelchair lift.

What Is Paratransit?

Paratransit is an alternative shared-ride origin to destination demand response service. It is designed to “mirror” GCT’s regular bus route service. Origin to destination and “mirroring” provisions of ADA means curb-to-curb service with the assistance to board and exit vehicles. Additional assistance can be provided upon request to the vehicle if the individual is unable to negotiate the distance from the door of his or her home (or
destination point) to the curb. Gwinnett County Transit Paratransit is only required to provide service if both the starting point and destination of a trip is located within ¾ mile of an operating GCT fixed-route. However, paratransit eligible customers who are outside of the service area can still use the service if they are able to get themselves into the service area. Paratransit operates within Gwinnett County in conjunction with service times of fixed-route buses.
This portion MUST be completed by one of the following currently Licensed/Certified Professionals:

Physicians, registered nurse, social worker, psychologist, physical therapist, chiropractor, occupational therapist, speech pathologist, special education teacher, nurse practitioner, physician’s assistant, mental health counselor, orientation/mobility specialist, respiratory therapist, vocational rehabilitation counselor, or recreation therapist employed by a medical facility.
