

GWINNETT COUNTY TRANSIT

See Where GCT
Takes You

FREE WI-FI

Gwinnett County Transit now provides free Wi-Fi on select commuter express, local, and paratransit buses. Riders are now free to be productive with their emails, access social media, read e-books, check service info, and more. It's just another step taken to see where Gwinnett County Transit can take you.

HOW TO LOG IN TO WI-FI

1. **Wi-Fi Available?** – Make sure your bus has Wi-Fi by identifying the Wi-Fi symbol on your bus's window.
2. **Select the Network** – Go to your Wi-Fi settings to view networks and select GCT. This is an open network, so no password is required.
3. **Accept the Terms** – Once the network is selected, a login webpage will appear on your screen. Clicking the button, the "Terms of Internet Service Use" page will show up. Review and accept the terms of use.
4. **Love the connection** – You are now surfing the internet with GCT Wi-Fi.

You may need to reconnect to the Wi-Fi when transferring to another bus or after an extended time period.
