**PROJECT DESCRIPTION SUMMARY:**

Project scope includes an intersection improvement to install a new traffic signal and vertically realign Riverside Road at the intersection with Suwanee Dam Road. Left turn lanes will be added on both approaches on Suwanee Dam Road at the new traffic signal. This project also includes new concrete sidewalks, pedestrian crossings, curb and gutter and other associated drainage improvements that will also be constructed with the project.

This project is funded by the 2009 and 2014 SPLOST programs as well as the City of Sugar Hill.SPLOST program.
