Re: DOCKET NUMBER: FAA-2010-0473

Dear Ms. Nash:

Please accept this as our acknowledgement of your June 11, 2012 letter requesting the withdrawal of the application for Gwinnett County Airport (LZU) from the Federal Aviation Administration (FAA) Airport Privatization Pilot Program. At your request, the airport is being removed from the program. This action is being taken without prejudice, and Gwinnett County is welcome to submit another application at any time. However, FAA's acceptance of future applications will be based on the review of a new application and the availability of program slots at that time.

If you should have any further questions, please contact me at 202-267-8741.

Sincerely,

A handwritten signature in black ink that reads "Kevin C. Willis". The signature is written in a cursive style with a large, sweeping initial 'K'.
