Hi Lynette,

Happy New Year! I hope you had a wonderful holiday.

I will be moving out of Gwinnett County this summer. Therefore I am submitting my resignation from the Gwinnett County Tree Advisory Committee. I hope this gives you adequate notice so you can find a replacement before the quarterly meeting on April 10. This spring is shaping up to be busy for me with selling one house and building a new one.

Thank you for the opportunity to serve the citizens of Gwinnett county.

Regards,  
Linda Edwards

### **2017 General Assembly Gwinnett County Board of Commissioners Legislative Agenda**

#### **Statewide Legislation (listed in alphabetical order by subject matter)**

#### **Custody Issue - Persons in Need of Mental Health Treatment - **SUPPORT****

*Summary of Requested Legislation:* Modify State law to allow a physician, based on observations by a law enforcement officer, certified paramedic or EMT, to execute a certificate that a person appears to be mentally ill and requires involuntary treatment.

#### **Interbasin Transfer (IBT) Prohibition - **OPPOSE****

*Position:*

- Gwinnett County maintains that the current law governing IBTs should remain in place.
- Gwinnett County opposes any legislation that would change or repeal the current law, or any legislative action that would seek to prohibit IBTs.
- Any such legislation would be disastrous to Gwinnett County by endangering public health and welfare, and destroying economic viability.

#### **Sexual Offenses – Increase Penalties of Current Laws - **SUPPORT****

*Summary of Requested Legislation:* Modify State law to increase penalties for sexual offenses of pimping and pandering by making the second offense a felony, requiring the offender to register on the sex offender registry.

## **Truck Weight – Increase Truck Weight Limits - OPPOSE**

### *Position:*

- Gwinnett County opposes legislation that increases allowable truck size and weight limits on local roads and bridges.
- Increasing the current truck size and weight limits will likely contribute to increases in the risk of severe accidents due to longer stopping distances, tip-over accidents and loss of control.
- Counties will incur additional costs in various areas, including, but not limited to public safety and emergency response costs; and, infrastructure repairs

## ***ACCG Legislative Agenda – Top Priorities***

### **Annexation, De-annexation and Incorporation**

While annexation by and incorporation of municipalities may be appropriate, these processes are abused when their primary objectives are circumventing a county's land use plan, zoning or other ordinances, or shifting limited fiscal resources while not assuming appropriate service delivery responsibilities.

ACCG position/plan:

- Ask the General Assembly to ensure counties receive adequate notice before local legislation is introduced to annex a portion of the unincorporated area into a city.
- ACCG supports measures to study service delivery and financial impacts on the entire county before approval is given to vote on the creation of a new city.
- ACCG believes that the Georgia Constitution authorizes only two forms of general purpose local governments and that "city lite" is not a legally authorized form. When new cities are formed they are granted access to several sources of revenue that previously helped fund county services. All newly created cities should take on a level of service delivery responsibilities equal to the revenue shifted away from the county.

### **Modernization and Balanced Funding of the E-9-1-1 System**

Counties should urge the Governor and the Legislature to move forward on the recommendations of the Governor's Commission on 9-1-1 System Modernization.

ACCG position/plan:

- Supports a uniform 9-1-1 fee of \$1.50 on all wireless and prepaid services.
- The cost recovery charge by providers from the 9-1-1 fee should be eliminated.
- With the changing technology and 9-1-1 systems, it is imperative that a state agency fully staff the coordination, monitoring, regulation, and auditing of all 9-1-1 activities in the state.

**Title AD Valorem Tax (TAVT) Reform**

ACCG's platform statement on title ad valorem tax (TAVT) reform calls for parity in treatment between new and used cars regarding valuation for tax purposes. The statement also calls for the end to the annual statewide cap on the dollar amount of revenue local governments receive from TAVT.

**Single County T-SPLOST**

ACCG supports reforms to the Single County TSPLOST to make it more flexible.

**MEMORANDUM**

**TO:** Chairman  
District Commissioners

**FROM:** Maria B. Woods *M. Woods*  
CFO/Director, Department of Financial Services

**SUBJECT:** January 17<sup>th</sup> Agenda Item – 2017-0093  
Approval of the pricing and final terms of the 2017 Stadium Bonds

**DATE:** January 13, 2017

**ITEM OF BUSINESS:**

Approval/authorization of a resolution approving the pricing and terms of the Development Authority of Gwinnett County Taxable Revenue Refunding Bonds (Gwinnett Stadium Project), Series 2017; authorizing the execution and delivery of a Supplemental Intergovernmental Contract between Gwinnett County and the Development Authority relating to the Series 2017 Bonds; authorizing the execution and delivery of the Letter of Understanding between Gwinnett County Development Authority, Gwinnett Convention and Visitors Bureau, Atlanta National League Baseball Club, LLC, and Gwinnett County; and authorizing the execution and delivery by the Chairman, or designees, of any other documents necessary to effectuate the issuance of the Series 2017 Bonds and the refunding of the Series 2008 Bonds; subject to approval as to form by the Law Department.

**BACKGROUND AND DISCUSSION:**

In November 2016, we appeared before you seeking approval for an advance refunding of the callable maturities (2019-2038) of the 2008 Development Authority bonds and setting the parameters for such an issuance. Since that time, each rating agency has affirmed the County's triple-AAA rating, and the bonds have been successfully validated.

On January 12th, the bonds were priced. The pricing results were within the parameters outlined by the resolution in November. As such, the County received six bids, with interest rates ranging from approximately 3.27 to 3.74 percent. With an interest rate of 3.27%, Raymond James and Associates offered the greatest present value savings (27.8% of refunded par and approximately \$8.3 million net present value). The actual debt service savings will be larger, averaging more than \$600,000 annually.

The resolution for your consideration awards the bonds to the Raymond James and approves the final terms of the bond documents as well as pricing associated with the bonds. As part of the bond transaction, this agenda item approves the Letter of Understanding between Gwinnett County Development Authority, Gwinnett Convention and Visitors Bureau, Atlanta National League Baseball Club, LLC, and Gwinnett County clarifying the original intent that specified revenues, fees, and payments are to continue to be applied towards stadium bond debt service as long as bonds are outstanding.

Additionally, this agenda item approves the appointment of Regions Bank as the banking entity responsible for debt administration activities related to the 2017 Development Authority bonds (stadium project) as well as the remaining 2008 Development Authority Stadium Bonds (2017 and 2018 payments).

The Development Authority approved a similar resolution at their meeting on January 12<sup>th</sup>.

**FORM OF LETTER OF UNDERSTANDING**

## Letter of Understanding

WHEREAS, each of Gwinnett County, Georgia (the “County”), the Development Authority of Gwinnett County (the “Authority”), the Gwinnett Convention and Visitors Bureau, Inc. (the “GCVB”) and the Atlanta National League Baseball Club, LLC (“ANLBC”, together with the County, the Authority and the GCVB, the “Parties”), are parties to certain of the agreements listed on Schedule A hereto (the “Stadium Agreements”) related to the stadium and related facilities located in the County and known as Coolray Field which are primarily utilized by the Gwinnett Braves (the “Stadium”);

WHEREAS, the Authority financed a portion of the costs associated with the development and construction of the Stadium through the issuance of its Taxable Revenue Bonds (Gwinnett Stadium Project), Series 2008 (the “Series 2008 Bonds”); and

WHEREAS, the Authority has an opportunity to refund a portion of the Series 2008 Bonds in order to achieve debt service savings and decrease the overall financing costs related to the Stadium; and

WHEREAS, the Authority anticipates issuing Taxable Revenue Refunding Bonds (Gwinnett Stadium Project), Series 2017 (the “Series 2017 Bonds”) to refund certain of the Series 2008 Bonds; and

WHEREAS, certain provisions of the Stadium Agreements require that specified revenues, fees and payments related to the Stadium be applied towards debt service on the “Bonds” (as defined under the Stadium Agreements); and

WHEREAS, “Bonds” as defined in the Stadium Agreements refers only to the Series 2008 Bonds; and

**MEMORANDUM**

**TO:** Chairman  
District Commissioners

**FROM:** Maria B. Woods *M. Woods*  
CFO/Director, Department of Financial Services

**SUBJECT:** January 17<sup>th</sup> Agenda Item – 2017-0095  
Appointment of Regions Bank as the provider of debt related services

**DATE:** January 13, 2017

**Item of Business:**

Approval/Authorization of a Resolution Appointing Regions Bank as the Provider of Debt Related Services for Certain Outstanding Bond Issues of Gwinnett County and the Development Authority of Gwinnett County and for other related purposes.

**Background and Discussion:**

Bank of New York Mellon (BNYM) has had a long relationship with Gwinnett County and its associated authorities serving in many roles related to debt administration activities. At the time Gwinnett began working with BNYM, our single point of customer service was in the Atlanta area. Over the past several years like many organizations, there have been a variety of internal changes within BNYM. These changes include high levels of staff turnover and the movement of our account representatives to outside the Atlanta area.

Previously adopted Bond Resolutions allow the County and its associated authorities to change banking service providers related to debt administration. With the Development Authority's stadium refunding bonds, Regions Bank has been appointed as the paying agent. After due diligence by Financial Services staff, it appears to be an appropriate time to begin transitioning bond administration banking responsibilities for other Development Authority debt (Civic Center/Arena and Parking deck bonds) and our General Obligation debt from Bank of New York Mellon to Regions Bank.

The resolution before you allows County staff to move forward with transitioning selected debt administration banking responsibilities associated with Development Authority and General Obligation bonds from Bank of New York Mellon to Regions Bank.

The Development Authority approved a similar resolution at their meeting on January 12<sup>th</sup>.

Subject: WSB-TV Channel 2 Invite for Thurs., 12/3 - Gwinnett Co. Fire Departments

Dear **Gwinnett County Fire Chiefs**,

It's that time again! You are invited to a lunch event at WSB-TV Channel 2 on Wednesday, December 7th from 11:30a-1p.

This luncheon is part of Operation Save A Life, a joint partnership between WSB-TV Channel 2, Kidde, The Home Depot, and Attorney Ken Nugent to educate viewers on the importance of fire safety AND bringing 5,000 Kidde-donated smoke alarms to north Georgia fire departments. This kick-off event will be taped and aired as a segment of an upcoming episode of WSB-TV's People 2 People program.

**Your fire department is slated to receive an allotment of free smoke alarms, but you or a Deputy Fire Chief from your Fire Department must attend the luncheon to receive them.**

Please send your RSVP to me no later than Wednesday, November 16th, so that we have an accurate head count for the alarm distribution and lunch. If you are receiving this email and are not the Fire Chief of your department, please forward this invitation to the Fire Chief and cc me.

Many thanks in advance for your participation in this event.

## Comments:

Several attempts were made to negotiate an agreement. Changes to the homeowners association board and covenant restrictions requiring approval of association members have prevented the association from selling the property.

MEMORANDUM

THRU: William J. Linkous, III, County Attorney *WJL-III*  
TO: Chairman and District Commissioners  
Glenn Stephens, County Administrator  
FROM: Duane Pritchett, Chief Assistant County Attorney *DJP*  
DATE: January 10, 2017  
RE: GCID 20170105

This agenda item seeks approval of a settlement and authorization to enter into a settlement agreement in the case of Gwinnett County v. Peachtree Construction, Inc., Crisco's Construction, LLC, and Selective Insurance Company of America, State Court of Gwinnett County, case number 16-C-01537-5. The settlement would result in Gwinnett County: 1) receiving \$183,000 from Peachtree Construction, 2) receiving \$150,000 from Crisco, and 3) keeping the approximately \$67,000 retainage balance on the County's construction contract with Peachtree Construction. The total of these amounts, \$400,000, would more than cover the County's current costs to date made necessary by the actions of the defendants in the lawsuit relating to the historic Chesser-Williams house.

Please let me know if you have any questions or need additional information on this item.

**Subject:** Proposed Intergovernmental Agreement with the City of Lawrenceville

A proposed Intergovernmental Agreement with the City of Lawrenceville is included in your agenda package for the January 17<sup>th</sup> meeting.

The property located at 3530, 3520 and 3490 Sugarloaf Parkway is bisected by the City of Lawrenceville jurisdictional line. The majority of the property is located in unincorporated Gwinnett County with a small portion of the property located within the City of Lawrenceville. The purchaser is proposing to develop the tract as a Lidl Grocery Store. Gwinnett will be responsible for the review, approval, permitting and inspection of the project except for improvements, other than parking, roadways or landscaping, that may be constructed totally within the boundaries of the City of Lawrenceville.

The attached document, which has been approved by the City Council and executed by the Mayor as well as consented to and executed by the property owner, outlines the details of the agreement. Once approved by the Board and executed by the Chairman, Lidl will proceed with their plans for development.

Thank you for your careful consideration of this agreement. I will be happy to answer any questions.

MEMORANDUM

**TO: BOARD OF COMMISSIONERS**

**FROM: RICHARD STEELE, TAX COMMISSIONER**

**DATE: DECEMBER 15, 2016**

**SUBJECT: INSOLVENT LIST FOR UNPAID TAXES**

Enclosed in this packet you will find a detailed list of property accounts that have been determined to be insolvent. Along with each account listed is a reason for this determination. As Tax Commissioner, I am required by O.C.G.A. § 48-5-129 to have this insolvent list allowed by the Board of Commissioners.

Accounts are determined to be insolvent only after every legal remedy for collection available to my office has been exhausted. This includes mailing multiple delinquent notifications, filing tax liens, seizing certain property when appropriate, performing site visits in the case of personal property accounts, and conducting tax sales for real property. In addition to these actions, we utilize a number of resources in our efforts to contact tax payers and collect their debts, including the real and personal property files maintained by the Board of Assessors, information maintained by Gwinnett County License and Revenue, UCC filings, deed and lien indexes and the corporate data base maintained by the Georgia Secretary of State, neighboring property checks, phone company listings, landlords, State F.A.A. registrations, boat registrations maintained by the Georgia Department of Natural Resources, websites and any other skip tracing resources and procedures deemed appropriate.

In order to clarify the total dollar amount that has been deemed insolvent, you find an "other" column in the list that includes all penalties, interest, fees, special assessments and city taxes. Furthermore, the "total" column on each list is representative of the total amount needed to satisfy and cancel the tax lien filed against the property. As a result of these inclusions, the list provides a total as described above, as well as a separate total of the insolvent county, state and school taxes.

---

The list includes a district code for each account. The breakdown of those districts is as follows:

- |                    |                        |
|--------------------|------------------------|
| 1 – Unincorporated | 10 – Snellville        |
| 2 – Buford         | 11 – Sugar Hill        |
| 3 – Dacula         | 12 – Suwanee           |
| 4 – Duluth         | 15 – Berkeley Lake     |
| 5 – Grayson        | 17 – Rest Haven        |
| 6 – Lawrenceville  | 18 – Auburn            |
| 7 – Lilburn        | 19 – Braselton         |
| 8 – Loganville     | 20 – Peachtree Corners |
| 9 – Norcross       |                        |

After determining that all collection efforts have been exhausted, insolvent accounts are coded with one of the following reasons for insolvency:

1. Out of Business, no property to levy against
2. Property moved, unable to locate
3. Legal decision (condemnation, court order, etc.)
4. Tax lien no longer enforceable due to statute of limitations
5. Bankruptcy

In summary, this list includes a total of \$2,902,806.83 in personal and real property taxes, penalties, interest and fees that have been determined to be insolvent. Included in this amount is \$1,611,652.91 in county, state and school taxes.

Please note that the action of allowing this insolvent list by the Board of Commissioners does not constitute forgiveness of any debt included in the list. All tax liens remain on file in the Office of the Clerk of Superior Court, and taxes included in this list can still be paid by parties interested in satisfying those liens and having them recorded as cancelled.

I respectfully request that this insolvent list be allowed. If you have any questions, please contact me at extension 822-7294, or contact Marie Womble, Property Tax Director, at extension 822-7326.

I, Richard Steele, Tax Commissioner of the County of Gwinnett, do swear and affirm that the Office of the Gwinnett County Tax Commissioner has utilized all available collection efforts and resources to collect the outstanding taxes, fees, penalties, and interest set forth in the attached insolvency list and that there is no property from which the aforementioned taxes can be collected.

Sole Source Approval Form

Requesting Department: Department of Water Resources

Purchasing Associate: Shelley McWhorter, CPPB, Purchasing Associate III

SW HC

Description of proposed procurement: Products and services for SUEZ Treatment Solutions (fka Ozonia) equipment throughout the Gwinnett County Department of Water Resources system.

Background for sole source request: SUEZ Treatment Solutions, Inc. (fka Ozonia North America, LLC) is the original equipment manufacturer of the proprietary ozone generators and other ozone system components.

Sole Source Provider: SUEZ Treatment Solutions, Inc.

Additional cost/savings: Sole Source approval allows more effective management and maintenance of preventative and corrective repairs to equipment

Benefits to the County: A Maximo query returned that GCDWR has 3 ozone generators at Shoal Creek Filter Plant, 3 at Lanier Filter Plant and 5 at F. Wayne Hill Water Resources Center. Operation, maintenance and training procedures for these pieces of equipment are uniform within the department. Selective spare parts inventories are interchangeable. SCADA control systems are already programmed to accept SUEZ operational control protocols to allow "plug and play" upgrades and modifications.

Anticipated annual expenditure: \$300,000.00

Requested validity period: Five Years

**SUBJECT:** Amendments to the Water Conservation and Drought Restriction Ordinance  
District All

**DATE:** January 9, 2017

In your agenda packets for January 17, 2017 you will find proposed amendments to the County's Water Conservation and Drought Restriction Ordinance, which is codified at Chapter 106-54 through 106-64 of the Code of Ordinances of Gwinnett County.

The ordinance establishes outdoor water use restrictions that are applied to water users during various levels of drought, as declared by the Director of the Georgia Environmental Protection Division. Since this ordinance was adopted in 2010, however, the State has amended the actions that must be taken by water users during a drought. These amendments have resulted in inconsistencies between the County's Ordinance and the State of Georgia's Rules for Drought Management, which are codified at Chapter 391-3-30. This inconsistency creates confusion as different messages regarding outdoor water use are presented to the public by the State and the County.

The proposed amendments to the ordinance will:

- provide consistency with the State Rules for Drought Management through incorporation of those rules by reference,
- ensure future changes to State rules are automatically adopted by the County,
- clarify and update several defined terms,
- reduce the mandatory repair periods provided to customers found to have leaking private facilities, and
- expand the ability of DWR to change a water service restoration fee to customers whose water service has been disconnected in response to their failure to comply with a mandatory repair order to connect leaking water service facilities.

The proposed amendment containing all the proposed language changes is attached for your reference.

Please let me know if you should have any questions or concerns regarding these proposed amendments.

Said application for a variance may include reducing the exemptions listed in 391-3-30-.03 of the Rules.
- (d) *Curtailment by resolution*. To the extent allowed by the authorities cited in section 106-54(b), the board of commissioners may enact additional measures by resolution to curtail indoor and outdoor water usage during any declared drought or in response to judicial decisions which jeopardize water supply. Such fines shall be assessed on a per-violation, per-day basis. No single-day fine shall exceed \$250.00.

The Department Director may add the costs of preparing administrative enforcement actions, such as notices and orders, to the fine.
  - (3) Issuance of an administrative fine shall not be a bar against, or a prerequisite for, taking any other action against the non-conserving water user.
