1. Board of Commissioners

Community Services Director Tina Fleming provided information on a potential grant funds opportunity through the Atlanta Regional Commission's (ARC) Livable Center Initiative. The Board also discussed redistricting. No official action taken.

Potential Livable Centers Initiative Application 2022

Safe and Equitable Multimodal Access Study

Area Southeast of I-85 toward Hwy 29

**Between Old Norcross Road
and Beaver Ruin Road**

Funding Opportunity

- Community Services proposes seeking grant funds through the Atlanta Regional Commission's (ARC's) 2022 Livable Centers Initiative (LCI) call for projects
 - Applications opened January 14 and closes February 28
 - The applications require a 20% local match to the program's 80% federal funds award

Proposed Study

Conduct an analyses to study sidewalks, trails, connectivity, etc. in the area to ensure safe and equitable access to:

- Jobs
- Childcare
- Food/urban agriculture facilities
- Healthcare
- Goods/services
- Transit
- Recreation/community-based activity

Current Defined Study Area

Partnerships and Support

- Gateway85 CID is interested in partnering with Community Services for this study
 - Committed to providing 50% of the local match (up to \$15,000 without their Board approval)
- State Rep. Marvin Lim of GA District 99 is passionate about this study and its benefits for his constituents
- This study will support existing as well as future transit service in the area by identifying first-/last-mile connectivity needs
