Hello Havana,

Dear Members of the Selection Committee,

I am writing to express my sincere interest in serving on the Gwinnett County Police Citizens Advisory Board as a District 2 Citizen or as a G101 Alumni. I am committed to supporting initiatives that strengthen trust, communication, and collaboration between law enforcement and the community, and I believe my background, dedication, and perspective would be a valuable addition to the Board.

I am particularly drawn to this role because of the Board's commitment to **providing meaningful input on policing policies, practices, and training programs**. I value fair, effective, and transparent public safety measures, and I welcome the opportunity to contribute to discussions that enhance accountability and support best practices within the department.

Equally important to me is the Board's mission to **maintain a strong partnership between the community and law enforcement**. I believe that positive community relationships are the foundation of safe and thriving neighborhoods. I am eager to help foster dialogue, encourage mutual understanding, and support initiatives that bring residents and officers together in constructive ways.

I also appreciate the Board's work in **holding public meetings and engaging residents on key police matters**. I would approach this responsibility with respect, open-mindedness, and a commitment to listening to diverse viewpoints. Ensuring that community voices are represented and valued is a priority I take seriously.

Also, I'm looking forward to contributing ideas about **community outreach initiatives** that strengthen engagement and public trust. I am also prepared to assist in developing bylaws, rules, and procedures to ensure the Board operates efficiently, transparently, and in alignment with its mission and the expectations of the Board of Commissioners.

I am enthusiastic about the opportunity to contribute my time and energy to any additional duties the Board may require. My sense of service, professionalism, and dedication to community well-being will support the vital work of this advisory body.

I appreciate your consideration. I would welcome the opportunity to discuss my interest and qualifications further, and I look forward to the possibility of serving the residents of Gwinnett County in this meaningful capacity.

All my best,

Chanteasea

Chanteasea Pyron Swain Estes, (She/Her/Hers)

Bridge Terms

Bridge Monthly Charges begin on the date we process your order and will be prorated for the number of days remaining in the calendar month, if any. The Bridge Monthly charges will continue for the number of complete calendar months listed in the Bridge Term column above and will be in addition to the Monthly Charges and Minimum Term outlined above. At the end of the Bridge Term, your Monthly Charges and the Minimum term will begin on the first full calendar month following the Bridge Term as described in the Product grid above. All other terms and conditions of the Order Form remain unchanged. For purposes of clarification, your total Term will be the Bridge Term plus the Minimum Term.

Minimum Terms

Your subscription is effective upon the date we process your order ("Effective Date") and Monthly Charges will be prorated for the number of days remaining in that month, if any. Your subscription will continue for the number of months listed in the Minimum Term column above

plus any Bridge Term that may be outlined above counting from the first day of the month following the Effective Date. Your Monthly Charges during the first twelve (12) months of the Minimum Term are as set forth above. If your Minimum Term is longer than 12 months, then your Monthly Charges for each year of the Minimum Term are displayed in the Attachment to the Order Form.

Post Minimum Terms

Your subscription will automatically renew at the end of the Minimum Term for successive 12-month renewal terms (each, an "Automatic Renewal Term"), unless either party provides written notice of its intent to not renew at least 30 days prior to the beginning of an Automatic Renewal Term. We will notify you of any change in the Annual Charges at least 60 days before each Automatic Renewal Term begins. Submit your notice of nonrenewal to: <https://www.thomsonreuters.com/en-us/help/account-management/legal/orders/request-a-subscription-cancellation.html> or via postal mail to Customer Service, 2900 Ames Crossing Rd, Eagan, MN 55121.

For Federal government subscribers that chose a multi-year Minimum Term, those additional years will be implemented at your option pursuant to federal law.

Banded Product Subscriptions. You certify your total number of attorneys (full-time and part-time partners, shareholders, associates, contract or staff attorneys, of counsel, and the like), corporate users, personnel or full-time-equivalent students is indicated in this Order Form. Our pricing for banded products is made in reliance upon your certification. If we learn that the actual number is greater or increases at any time, we reserve the right to increase your charges to the market rate for all of your attorneys.

Miscellaneous

Material Change. If, at any time during the Minimum Term or the Renewal Term, there is a material change in your organizational structure including, but not limited to merger, acquisitions, combination, significant increase in the number of attorneys at a location covered by the agreement, divestitures, downsizing or dissolution, we will modify your rates proportionally. If you acquire the assets of, or attorneys from, another entity that is a current subscriber, you assume all obligations under the agreements that apply to those assets and attorneys, and you will pay the invoiced charges on both those agreements as they become due, until a superseding agreement is negotiated in good faith.

Charges, Payments & Taxes. You agree to pay all charges in full within 30 days of the date of invoice. You are responsible for any applicable sales, use, value added tax (VAT), etc. unless you are tax exempt. If you are a non-government customer and fail to pay your invoiced charges, you are responsible for collection costs including attorneys' fees.

Excluded Charges And Schedule A Rates. If you access products or services that are not included in your subscription you will be charged our then-current rate ("Excluded Charges"). Excluded Charges will be invoiced and due with your next payment. For your reference, the current Excluded Charges schedules are located in the below link. Excluded Charges may change from time-to-time upon 30 days written or online notice. We may, at our option, make certain products and services Excluded Charges if we are contractually bound or otherwise required to do so by a third party provider or if products or services are enhanced or if new products or services are released after the effective date of this ordering document. Modification of Excluded Charges or Schedule A rates is not a basis for termination under paragraph 9 the General Terms and Conditions.

Upon request, AGENCY agrees to provide any information and records deemed necessary to monitor performance under this Agreement. AMENDMENTS: No modification of this Agreement shall be made unless acknowledged in a written amendment signed by both parties.

RECORDS: AGENCY's financial records and service provision records must be available for COUNTY review. AGENCY must adhere to Georgia state laws and policies and county ordinances and policies with regard to expenditure reporting and auditing. Provide areas of opportunity to collaborate with the county, if not already collaborating, on your initiative with Gwinnett as part of our required partnership to correlate activities and targeted populations.

Is there an opportunity for county staff to provide representation when boards/staff conduct strategic retreats to provide feedback on areas of priority collaboration?

STRATEGIC QUESTIONS FOR PRIORITIES

1. What can your organization and other community-based partners do together in cross-sector collaboration that none of us can do alone? Are there any current strategies you are developing around social wellness that you can share in collaboration with other partners? Provide examples of previous cross-sector collaboration your organization has conducted over the last year.
2. How are you involving current and/or future initiatives and intentional synergy to a community issue already getting attention?
3. Who are potential partners and community relationships that you are considering collaborating with to create inclusive and equitable solutions to grow your organizational reach and mission?
4. What are the strengths and skills that your organization provides in daily operations, or direct services that contribute most effectively to create universal solutions in Gwinnett?

DETAILS:

1.) Gwinnett DFCS understands that no single agency can fully meet the complex needs of families in crisis. That's why cross-sector collaboration is at the core of our mission. We work hand-in-hand with the school system, law enforcement, Juvenile Court, Gwinnett County government, healthcare providers, and grassroots organizations to identify emerging community trends and respond in ways that strengthen families and reduce long-term system involvement. Over the past year, we've launched a monthly community partner series where agencies meet directly with our child welfare staff to share resources, align services, and coordinate support strategies. These sessions not only increase service awareness among DFCS staff but also foster real-time collaboration to resolve urgent family needs. This is particularly vital in addressing complex issues such as substance abuse, missing children, family violence, untreated mental and behavioral health needs, and cultural barriers in service delivery. As the most diverse county in Georgia, Gwinnett requires innovative, culturally responsive partnerships—and our staff's experience navigating these realities has made DFCS a valuable conduit for wraparound care.

2.) Gwinnett DFCS is aligning its efforts with county-wide priorities by focusing on some of the most urgent and widely recognized challenges in the community, such as behavioral health access, poverty, and family violence. Through monthly strategy meetings and targeted training efforts, we're building intentional synergy with local agencies and government entities to streamline responses and break down silos. By giving community partners a direct pathway to DFCS and incorporating their input into our case management process, we are embedding long-term collaboration into our operational model. These partnerships are particularly critical as we work together to improve outcomes for families facing overlapping barriers like language access, immigration-related benefit exclusions, and unfamiliarity with available supports.

3.) DFCS is actively strengthening partnerships with both longstanding and emerging community players. In addition to our ongoing relationships with public agencies and judicial partners, we are working to deepen collaboration with Gwinnett County Government and expand outreach to grassroots organizations serving underserved and immigrant communities. Our focus is on building inclusive networks that reflect the cultural richness and diversity of Gwinnett. We're prioritizing partnerships with organizations that can help us address systemic gaps—particularly in mental health access, substance abuse recovery, and culturally informed services—while helping families navigate complex systems with trust and clarity.

4.) Gwinnett DFCS brings several critical strengths to the table. Our frontline staff have deep expertise in helping families navigate public assistance systems, with a dedicated team of lobby staff who assist clients in applying for services and understanding eligibility. We also benefit from a highly experienced leadership team committed to cross-sector collaboration, system improvement, and community-based problem solving. Our operational model emphasizes culturally competent

Provide areas of opportunity to collaborate with the county, if not already collaborating, on your initiative with Gwinnett as part of our required partnership to correlate activities and targeted populations.

Is there an opportunity for county staff to provide representation when boards/staff conduct strategic retreats to provide feedback on areas of priority collaboration?

STRATEGIC QUESTIONS FOR PRIORITIES

1. What can your organization and other community-based partners do together in cross-sector collaboration that none of us can do alone? Are there any current strategies you are developing around social wellness that you can share in collaboration with other partners? Provide examples of previous cross-sector collaboration your organization has conducted over the last year.
2. How are you involving current and/or future initiatives and intentional synergy to a community issue already getting attention?
3. Who are potential partners and community relationships that you are considering collaborating with to create inclusive and equitable solutions to grow your organizational reach and mission?
4. What are the strengths and skills that your organization provides in daily operations, or direct services that contribute most effectively to create universal solutions in Gwinnett?

DETAILS:

1. View Point Health (VPH) is addressing social wellness concerns by focusing on crisis mental health services; the need for sustainable housing; and helping individuals avoid unnecessary and negative consequences by receiving appropriate levels of mental health services for crisis care, VPH is partnering with local emergency departments and County courts, ensuring that individuals are appropriately linked to crisis stabilization and/or intensive, community-based services. For sustainable housing, VPH is working with Gwinnett Housing and Community Development to provide behavioral health services for all in need. This partnership has been effective in helping individuals who are homeless with a mental health challenge receive immediate support and sustain better housing options. Finally, VPH is partnering with several local law enforcement agencies to divert individuals with a mental health challenge from being arrested and/or incarcerated. These partnerships ensure that individuals get the right care at the right time and are not charged with a crime.

2. One of the issues receiving a lot of community attention is law enforcement's response to mental health calls. VPH has several contracts with local Gwinnett law enforcement agencies to ensure a solid practice around co response. In addition, VPH is a member of a statewide association monitoring recent legislation related to this work and further ensuring that these services are linked in a comprehensive, baseline model. Locally, VPH connects different law enforcement departments together to review and revise the law enforcement co-responder model to obtain the best outcomes, especially related to individuals being diverted from arrest and into appropriate services.

3. In addition to the partners already mentioned, VPH partners with Gwinnett Coalition, Resilient Gwinnett, GUIDE, Piedmont Healthcare, Northside Gwinnett, Probate Court, and others to expand the service capacity and create equitable solutions for individuals to access care. This is evident by VPH's increase in programming over the past decade and in acquiring a Latino-based company to expand behavioral health footprint within the Hispanic community. Other program expansions include jail re-entry and court services for underserved populations, as well as expanding children, adolescent, and family programming VPH routinely meets with all partners to continually discuss service delivery, capacity building and making sure services are inclusive for all populations.

4. VPH's most influential strength is being the "safety net" behavioral health provider, which means VPH programs are comprehensive in nature and designed to work toward positive outcomes for individuals who are at high risk for behavioral health challenges and most-in-need. There are other mental health providers in Gwinnett County, but only View Point Health offers these intensive services in a full continuum of care from crisis stabilization, emergency housing all the way to outpatient services and medication management.

Please complete the information below for each individual program/activity for which funding is requested.

Describe the request (i.e. Operating support for a new facility):

Building nonprofit capacity in Gwinnett supports a safe, livable, and healthy community by helping move the needle toward more efficient and effective service delivery. Goal 2 of the Human Services 5-year Strategic Plan is to create synergy among programs and partners. Specific objectives are (1) creating, strengthening, and leveraging partnerships; (2) building capacity of partners and the system; and (3) identify and implement continuous quality improvement. Expanded funding

Please justify why this request is needed

Current challenges in Gwinnett's nonprofit sector include a lack of knowledge of what NPOs exist, what services are provided, where are they located, etc. This leads to the proliferation of nonprofit organizations, increased competition for resources, duplication of services, and inefficiencies in service delivery. In 2023-24, Gwinnett Coalition invested in national benchmarking, surveys, key stakeholder interviews, and focus groups to determine the needs of local nonprofits. Some program elements, like a free, on-line nonprofit directory, are available. But a comprehensive program

- April 15, 2026
- July 15, 2026
- October 15, 2026
- December 15, 2026

Documents needed on a quarterly basis, during the term of this agreement, should include the following information:

- a) A summary of the activities and professional plan conducted, with the Strategic Priorities of the County incorporated.
- b) A financial statement including revenues and expenses by category showing how County dollars are being expended.
- c) If applicable, include the number of volunteers, volunteer hours, and the type of activities for which volunteers were used.
- d) Include the number of residents served through each program and a detailed description of what services were provided.
- e) All applicants must participate in the Coordinated Care system, currently powered by Unite Us, a social and human services coordinated technology platform to link residents, providers, and the community that supports them. The County has implemented a cloud-based digital solution that processes referrals and receives data from the human services provider network. The system provides a portfolio for residents with enhanced communication with providers. It enhances service, partner accountability, and accessibility for residents by using a two-way data feed and electronic real-time referrals to allow residents to connect to services faster via vetted community-based partners/providers.
- f) Audit and compliance requirements: the agency shall comply with all requests for financial records or documents made by the County's selected audit firm and/or Gwinnett County employees. Upon request, the agency agrees to provide any information and records deemed necessary to monitor performance under this Agreement. All agencies must be available for onsite visits requested by, or on behalf of, the County.

Provide areas of opportunity to collaborate with the county, if not already collaborating, on your initiative with Gwinnett as part of our required partnership to correlate activities and targeted populations.

Is there an opportunity for county staff to provide representation when boards/staff conduct strategic retreats to provide feedback on areas of priority collaboration?

STRATEGIC QUESTIONS FOR PRIORITIES

1. What can your organization and other community-based partners do together in cross-sector collaboration that none of us can do alone? Are there any current strategies you are developing around social wellness that you can share in collaboration with other partners? Provide examples of previous cross-sector collaboration your organization has conducted over the last year.
2. How are you involving current and/or future initiatives and intentional synergy to a community issue already getting attention?
3. Who are potential partners and community relationships that you are considering collaborating with to create inclusive and equitable solutions to grow your organizational reach and mission?
4. What are the strengths and skills that your organization provides in daily operations, or direct services that contribute most effectively to create universal solutions in Gwinnett?

DETAILS:

1. By design, Gwinnett Coalition's ("the Coalition") 3 Pillars are strategic, long-term initiatives that require multiple organizations to engage and advance solutions. A "backbone" organization, the Coalition leads the initiative visioning process, identification and recruitment of partners, and facilitates engagement of individuals who can accelerate goals and objectives. Resilient Gwinnett (RG), the Coalition's signature mental and behavioral health initiative just completed its 4th year. Steering committee partners include GCPS, GNR Public Health, View Point Health, Mosaic Georgia, GUIDE, Ser Familia, DFCS, Gwinnett County Child Advocacy and Juvenile Services, and more. RG goals include preventing adverse childhood experiences (ACEs), promoting positive childhood experiences (PCEs), and practicing trauma-informed care. For four years, the Coalition advanced the health and well-being of residents by increasing access to healthcare resources and conducting health literacy workshops for under- and uninsured populations. These efforts contribute to increased health and well-being of Gwinnett residents.
2. Engaging partners in Coalition initiatives are essential for Collective Impact, and the Coalition's three pillars directly support the Human Services 5-Year Strategic Plan objectives established as community priorities. The Coalition supports Gwinnett County initiatives that are essential to a vibrant community, like promoting nonprofit adoption and use of Unite Us designed to improved coordination of care.
3. In addition to utilizing Live Healthy Gwinnett, GNR Public Health, and United Way Child Well-being Index data, Gwinnett Coalition has forged a strategic relationship with Neighborhood Nexus to identify and provide disaggregated data to inform strategies for greater impact. Based on data, the Coalition will engage more deeply in the most at-risk communities and utilize a targeted approach of applying Resilient Gwinnett strategies and resources in four communities - Lawrenceville, Lilburn, Norcross (Waffle House HQ) and Buford/Sugar Hill. Together with key partners (schools, local nonprofits, agencies, and residents with lived experience), the Coalition will leverage RG strategies and improve health equity by addressing the social determinants of health in Gwinnett's most under-resourced communities. Increasing resilience in these communities is essential because people living in poverty are more likely to experience ACEs, trauma, and stressors which are threats to long-term health and well-being.
4. The Coalition's strength is it's ability to take a long-term, strategic view of complex issues in Gwinnett County. Most nonprofits focus on direct service provision to address residents' immediate needs, like food insecurity, housing, utilities assistance, etc. Alternatively, the Coalition is focused on policy, systems and environmental change so that change and improved outcomes are sustained over time. A new capacity building program supports direct service providers by providing skills and knowledge to increase organization effectiveness and efficiency and also strengthens the nonprofit ecosystem itself which data indicates also builds capacity. CVS Health and The Primerica Foundation provided majority of the seed funding for program development. Additional Gwinnett County funding is requested to support "start up" costs and program implementation. Gwinnett County's increased investment will be leveraged to attract additional

GWINNETT COUNTY BOARD OF HEALTH SUBSIDY AGREEMENT

For and in consideration of the mutual promises contained herein, the sufficiency of which is acknowledged, GWINNETT COUNTY BOARD OF COMMISSIONERS, a political subdivision of the State of Georgia (hereinafter referred to as "COUNTY"), and GWINNETT COUNTY BOARD OF HEALTH, D/B/A GWINNETT COUNTY HEALTH DEPARTMENT, located at P.O. Upon request, AGENCY agrees to provide any information and records deemed necessary to monitor performance under this Agreement. RECORDS: AGENCY's financial records and service provision records must be available for COUNTY review.

AGENCY must adhere to Georgia state laws and policies and county ordinances and policies with regard to expenditure reporting and auditing. A certified audit must be on file with the COUNTY for the most recent fiscal year prior to this Agreement. A certified audit for the fiscal year(s) covered by this agreement must be submitted as soon as it is available.

MEDICAL INFORMATION: AGENCY agrees to comply with the Health Insurance Portability and Accountability Act of 1996 as amended (HIPAA) as it relates to the protection of health information on both employees and clients of the AGENCY.

INDEMNIFICATION: The AGENCY agrees to indemnify and hold harmless the COUNTY and its respective agents, officers, employees and directors from and against any and all liability, loss, damages, interest, judgments and liens growing out of any and all costs and expenses (including but not limited to reasonable attorney's fees and disbursement) arising out of or incurred in connection with any and all claims, demands, suits, action or proceedings which may be brought against the COUNTY by reason of or as a result of the negligent or willful act or omission of the AGENCY, its agents, officers, employees and directors to the extent permitted by the Laws of the State of Georgia.

NOTIFICATION OF CHANGES: AGENCY agrees to report to the COUNTY any changes from the submitted Subsidy Budget Application (Attachment "A") in the AGENCY's program goals, services, management, or budget. Any such changes which fall within the scope and total budget of the AGENCY's Subsidy Budget Application (Attachment "A") must be approved by the Director of the COUNTY's Department of Community Services. SCOPE OF SERVICES

Gwinnett County Public Health is dedicated to ensuring a safe and healthy community by providing comprehensive health services, disease prevention, and education to all residents. We operate multiple health clinics offering clinical care, nutrition, case management, immunizations, maternal and women's health, family planning, and one of Georgia's largest WIC programs. Services extend beyond brick and mortar clinics through mobile units, pop-up events, and virtual appointments to increase accessibility. We address challenges including high rates of HIV, hepatitis B, STIs, and tuberculosis. We manage disease surveillance and outbreak control; ensure safety through inspections of food establishments, pools, and septic systems; and work to combat the opioid crisis through provision of education and naloxone.

HISTORY OF ORGANIZATION

The Gwinnett County Board of Health was established by statute in the early 1900s and provided services including sanitary inspections and disease intervention activities. In 1941, the Health Department began offering clinical services, with its first clinic located in the basement of the old courthouse in Lawrenceville. In 1952 the clinic moved to S. Clayton Street for the next 55 years. In 2007, Gwinnett County completed the renovation of a former Walmart on Grayson Highway that now houses the Lawrenceville Health Center, Gwinnett Environmental Health, HIV/Prep Clinics, and Preventive Health, which specializes in communicable diseases and tuberculosis diagnosis and treatment. The Gwinnett County Health Department has expanded services throughout the county with additional clinic locations in the Buford, Norcross, and Centerville communities.

Provide areas of opportunity to collaborate with the county, if not already collaborating, on your initiative with Gwinnett as part of our required partnership to correlate activities and targeted populations.

Is there an opportunity for county staff to provide representation when boards/staff conduct strategic retreats to provide feedback on areas of priority collaboration?

STRATEGIC QUESTIONS FOR PRIORITIES

1. What can your organization and other community-based partners do together in cross-sector collaboration that none of us can do alone? Are there any current strategies you are developing around social wellness that you can share in collaboration with other partners? Provide examples of previous cross-sector collaboration your organization has conducted over the last year.
2. How are you involving current and/or future initiatives and intentional synergy to a community issue already getting attention?
3. Who are potential partners and community relationships that you are considering collaborating with to create inclusive and equitable solutions to grow your organizational reach and mission?
4. What are the strengths and skills that your organization provides in daily operations, or direct services that contribute most effectively to create universal solutions in Gwinnett?

DETAILS:

1. Public Health's mission is to fill healthcare gaps by promoting health equity through holistic programs and strong community partnerships. We work with groups like the Gwinnett Coalition, ViewPoint Health, and others to expand our impact across the county. As the exclusive provider of WIC in Georgia, we partner with Head Start, food co-ops, and hospitals to improve maternal and child health, including a successful WIC pilot at Buford Head Start and the rollout of E-WIC. We also bring services directly to residents through mobile clinics and community health teams offering education, screenings, and vaccinations—partnering with organizations like Live Healthy Gwinnett and Good Samaritan Health Center to strengthen community resilience.
2. Our public health department is actively engaged in addressing the opioid crisis, the HIV epidemic, and access to care. We've partnered with all Gwinnett County law enforcement agencies to implement ODMAP for overdose tracking and have expanded access to naloxone through collaboration with schools and community partners like GUIDE, Inc. and Navigate Recovery. In response to the HIV epidemic, we participate in the national Ending the HIV Epidemic initiative, working with hospitals, nonprofits, and care providers to expand testing, reduce stigma, improve access to PrEP, and support long-term treatment through education and outreach. We are also committed to reducing social barriers to care. This model of bringing services directly to the community remains central to our strategy to improve access and reduce health disparities.
3. We are strengthening community engagement by building partnerships with organizations that support diverse populations and those that have experienced historical marginalization. We have employed a Director of Community Engagement whose primary responsibility is strengthening relationships with existing partners (Gwinnett Coalition, Gwinnett Chamber of Commerce, Latin American Association, Boat People SOS, Gwinnett Hispanic Chamber of Commerce) and forging new relationships within Gwinnett County. These new relationships are intended to bridge historical (and current) distrust between communities and government. These groups represent BIPOC, LGBTQ, and other individuals that can benefit from a closer relationship with Public Health and conversely, help us develop a more complete picture of the health of the entirety of Gwinnett County.
4. Our strengths include strong community partnerships, cultural competence, and a highly skilled workforce. These relationships allow us to share resources, deliver innovative solutions, and respond effectively to community needs. Our diverse, multilingual staff provides inclusive care, while our epidemiology and environmental health teams support safe, thriving businesses. We also reduce access barriers through mobile clinics, community outreach, and virtual appointments, ensuring essential services reach all residents.

expenditure reporting and auditing. A certified audit must be on file with the COUNTY for the most recent fiscal year prior to this Agreement. A certified audit for the fiscal year(s) covered by this agreement must be submitted as soon as it is available.

NOTIFICATION OF CHANGES: AGENCY agrees to report to the COUNTY any changes from the submitted Subsidy Budget Application (Attachment "A") in the AGENCY's program goals, services, management, or budget. FROM: Regina Miller 
Deputy Department Director, Health and Human Services

SUBJECT: Agreement with Gwinnett Board of Commissioners and the Atlanta

DATE: January 13, 2025

The Annual Agreement with the Gwinnett County Board of Commissioners and the Atlanta Regional Commission. The New Freedom 5310 Contract provides for the transportation needs of Gwinnett County's vulnerable aging and disabled populations. Previously, Gwinnett County provided approximately 3,615 one-way trips during the last contract year serving seniors and individuals with disabilities. This transportation service is the Get-In-Gear program. This contract will provide approximately 1,350 trips.

Gwinnett Health and Human Services offers the Get-In-Gear Transportation Program to assist senior adults and disabled individuals with mobility issues. In this program, seniors and disabled clients purchase credits from the Gwinnett County Get-In-Gear office and use that account credit to pay 25% of their transportation cost for their travel services. There are no restrictions on the types of trips clients can take. The purpose of the program is to help clients improve their quality of life with mobility and access, while they age in place in their homes.

The grant request from the 5310 budget is not to exceed \$67,200. The local match share funding amount includes \$3,360 in cost share funds and \$10,080 in county funds.

WITNESSETH THAT:

WHEREAS, ARC desires to engage Subgrantee to render certain services hereinafter described in connection with an undertaking or project (hereinafter referred to as the “Project”) which is to be wholly or partially financed by a grant from the United States Department of Transportation (“USDOT”) and the Georgia Department of Human Services (“GDHS”) (hereinafter, along with the appropriate auditing agency of the entities making such grant, referred to as the “Funding Agencies”); and

WHEREAS, Subgrantee desires to render such services in connection with the Project.

NOW THEREFORE, in consideration of the promises and the mutual covenants and agreements hereinafter contained, the parties hereto agree as follows:

1. Engagement of Subgrantee. ARC hereby agrees to engage Subgrantee and Subgrantee hereby agrees to perform the services hereinafter set forth in accordance with the terms and conditions herein.
2. Independent Contractors. No provision of this Agreement, nor act of Subgrantee or act of ARC in the performance of this Agreement shall be construed as constituting the Subgrantee as an agent, servant, or employee of ARC. Neither party to this Agreement shall have any authority to bind the other in any respect, it being intended that each shall remain an independent contractor.
3. Scope of Services. Subgrantee shall do, perform, and carry out in a satisfactory and proper manner, as determined by ARC, the work and services described in Attachment A, which is attached hereto and made a part hereof. Such services shall be provided within and respecting any or all of the Atlanta Region (Cherokee, Clayton, Cobb, DeKalb, Douglas, Fayette, Fulton, Gwinnett, Henry, and Rockdale Counties), as further specified in Attachment A hereto.
4. Time of Performance. The effective date of this Agreement is **October 1, 2025**. Work and services shall be undertaken and pursued in such sequence as to assure their expeditious completion and as may be required in Attachment A. All work and services required hereunder shall be completed on or before **September 30, 2026**. Due dates in this Agreement are based on calendar days. If any due date falls on Saturday, Sunday, or ARC holiday, then the due date shall be the next ARC business day. This Agreement shall be bound by the terms dictated in the Notice of Funding Availability.
5. Compensation and Method of Payment. Subgrantee shall be compensated for the work and services to be performed under this Agreement as set forth in Attachment B, attached hereto and made a part hereof. ARC shall reimburse an amount not to exceed **\$53,760.00** for the performance of all things for or incidental to the performance of work. All costs in excess shall be paid by Subgrantee.
6. Formal Communication. Formal communications regarding this Agreement shall include, but not necessarily be limited to correspondence, program performance reports and fiscal reports. All formal communication regarding this Agreement shall be in writing between the person executing this Agreement on behalf of Subgrantee (executor) and ARC’s Executive Director. However, Subgrantee’s executor and ARC’s Executive Director shall each have the right to designate, in writing to the other, an agent to act on his or her behalf regarding this Agreement. Any restrictions to such designation must be clearly defined in the written designation.
7. ARC’s Designated Agent. According to Paragraph 6 above, ARC’s Executive Director hereby designates the Chief Operating Officer as her agent for purposes of this Agreement only, except for amendments and terminations regarding this Agreement.

8. Approval of Subcontracts. None of the work or services to be performed under this Agreement by Subgrantee shall be subcontracted without the prior written of ARC's Executive Director or her authorized agent. If such approval is requested, all subcontract documents shall be submitted to ARC's Executive Director or her authorized agent for review and approval prior to the execution of such subcontract. Further, if requested by ARC's Executive Director or her authorized agent, Subgrantee shall provide ARC with such documentation as requested and required regarding the method Subgrantee used in selecting the subcontractor. Subgrantee acknowledges that if work or services performed pursuant to this Agreement is financed solely or partially with federal funds, the selection of subcontractors is governed by regulations requiring competition between potential subcontractors or adequate justification for sole source selection. Subgrantee agrees to abide by such regulations in its selection process.
9. Prompt Payment and Retainage. Subgrantee agrees to pay each subcontractor under this Agreement, for satisfactory performance of its contract, no later than thirty (30) days from the receipt of each payment Subgrantee receives from ARC. Subgrantee further agrees to return retainage payments to each subcontractor within thirty (30) days after the subcontractor's work is satisfactorily completed. Any delay or postponement of payment from the above referenced time frame may occur only for good cause following written approval of ARC. This clause applies to both Disadvantaged Business Enterprises ("DBE") and non-DBE subcontracts.

Any subgrantee found to be not in compliance with this Paragraph 9 will be considered in breach of contract and any further payments will be withheld until corrective action is taken. If subgrantee does not take corrective action, subgrantee may be subject to contract termination.

10. Subgrantee's Personnel. Subgrantee represents that it has, or will secure at its own expense, adequate personnel required to perform the services under this Agreement. Such personnel shall not be employees of ARC, nor shall such personnel have been employees of ARC during any time within the previous twelve (12) months, except with the express prior written consent of ARC. Further, Subgrantee agrees that no such former ARC employees shall be involved in any way with the performance of this Agreement without the express prior written approval of ARC.
11. Rate of Employee Compensation. The rate of compensation for work performed under this Agreement by a staff member or employee of Subgrantee shall not exceed the compensation of such person that is applicable to his or her other work activities for Subgrantee. Charges for salaries and wages of individuals shall be supported by time and attendance and payroll distribution records.
12. Interest of Subgrantee. Subgrantee covenants that neither Subgrantee, nor anyone controlled by Subgrantee, controlling Subgrantee, or under common control with Subgrantee, nor its agents, employees or subcontractors, presently has an interest, nor shall acquire an interest, direct or indirect, which would conflict in any manner or degree with the performance of its service hereunder, or which would prevent, or tend to prevent, the satisfactory performance of Subgrantee's service hereunder in an impartial and unbiased manner. Subgrantee further covenants that in the performance of this Agreement no person having any such interest shall be employed by Subgrantee as an agent, subcontractor or otherwise. If Subgrantee contemplates taking some action which may constitute a violation of this Paragraph 12, Subgrantee shall request in writing the advice of ARC, and if ARC notifies Subgrantee in writing that Subgrantee's contemplated action will not constitute a violation hereof, then Subgrantee shall be authorized to take such action without being in violation of this Paragraph 12.
13. Interest of Members of ARC and Others. No officer, member or employee of ARC, and no public official of any local government which is affected in any way by the Project, who exercises any function or responsibilities in the review or approval of the Project or any component part thereof, shall participate in any decision relating to this Agreement which affects his or her personal interests or the interest of any corporation, partnership or association in which he or she is directly, or indirectly, interested; nor shall any such officer, member or employee of ARC, or public official of any local government affected by the Project, have an interest, direct or indirect, in this Agreement or the proceeds arising therefrom.

15. Assignability. Subgrantee shall not assign, sublet, or transfer all or any portion of its interest in this Agreement without the prior written approval of ARC.
16. Amendments. ARC may require changes to this Agreement. Such changes, including any increase or decrease in the amount of Subgrantee's compensation, shall be incorporated in written amendments to this Agreement. Amendments to this Agreement may be executed on behalf of ARC only by ARC's Executive Director and, if necessary, Chair, per ARC's Bylaws.
17. Insurance. Subgrantee shall have and maintain insurance coverage that complies with the laws of the state of Georgia, as well as reasonable and prudent business practices. Such insurance shall include, at least, Workers' Compensation, Public Officials Liability, and General Liability coverages.
18. Liability and Indemnification. With regard to Subgrantees which are governmental entities, ARC shall not be liable for the acts or omissions of Subgrantee or Subgrantee's agents, servants, employees, or subcontractors which arise from activities pursuant to this Agreement and cause a claim, demand, suit, or other action to be brought by any person, firm, or corporation.

Except for the above-mentioned governmental entities, all other Subgrantees agree to indemnify and hold harmless ARC against any and all liability, loss, damages, costs, or expenses which it may hereafter incur, suffer, or be required to pay by reason of any error or omission, misfeasance, malfeasance, or through the negligent or willful conduct of the Subgrantee or its employees or of any subcontractor of the Subgrantee. The indemnification obligations of this Paragraph 18 shall survive the termination of this Agreement.

If this Agreement includes provisions for transportation services by Subgrantee, then Subgrantee acknowledges that, as part of its due diligence in connection with the transportation program, ARC monitors and reviews inspection and safety reports and maintenance records generated by Subgrantee. Subgrantee acknowledges that in undertaking such activities, ARC assumes no liability or responsibility for the safe conduct of the transportation program, which responsibility is solely that of Subgrantee.

19. Reports. Subgrantee shall furnish ARC with monthly report submissions, verifications, and signature forms, in such form as may be specified by ARC, describing the work accomplished by Subgrantee.
20. Financial Reports. In addition to other records required by this Agreement, Subgrantee agrees to provide to ARC such additional financial reports in such form and frequency as ARC may require in order to meet ARC's requirements for reporting to the Funding Agencies.
21. Program Fraud and False or Fraudulent Statements or Related Acts. Subgrantee acknowledges that the provisions of the Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. §§ 3801 et seq. and USDOT regulations, "Program Fraud Civil Remedies," 49 C.F.R. Part 31, apply to its actions pertaining to this Project. Upon execution of the underlying contract, Subgrantee certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to be made, pertaining to the underlying contract or the Federal Transit Administration (FTA) assisted project for which this Agreement work is being performed. In addition to other penalties that may be applicable, Subgrantee further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on Subgrantee to the extent the Federal Government deems appropriate.

Subgrantee also acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with federal assistance originally awarded by FTA under the authority of 49 U.S.C. § 5307, the Federal Government reserves the right to impose the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5307(n)(1) on Subgrantee, to the extent the Federal Government deems appropriate.

Subgrantee agrees to include the above two clauses in each subcontract financed in whole or in part with federal assistance provided by FTA. It is further agreed that the clauses shall not be modified, except to identify the subcontractor who will be subject to the provisions.

22. Review and Coordination. To ensure adequate assessment of Subgrantee's performance and proper coordination among interested parties, ARC shall be kept fully informed concerning the progress of the work and services performed hereunder. Subgrantee may be required to meet with designated representatives of ARC or the Funding Agencies to review such work and services. Reasonable notice of such review meetings shall be given to Subgrantee.
23. Inspections. Authorized representatives of ARC and the Funding Agencies may at all reasonable times review and inspect the Project activities and data collected pursuant to this Agreement. All reports, studies, records, and computations prepared by or for Subgrantee shall be made available to authorized representatives of ARC, the Funding Agencies, and the Comptroller General of the United States or any of their duly authorized representatives for inspection and review at all reasonable times in Subgrantee's office or site where data is normally accumulated. Approval and acceptance of such material shall not relieve Subgrantee of its professional obligation to correct, at its expense, any errors found in the work unless such errors can be shown to be caused by inaccurate or incorrect information provided by ARC. Subgrantee shall be bound by the provisions governing retention and custodial requirements of records of 2 CFR 200.334 or 45 CFR 75, or 45 CFR 92, as appropriate, and by GDHS's required five (5) year record retention from submission of final expenditure reports. If any litigation, claim, or audit is started before the expiration of the five (5) year period, records shall be retained until such litigation, claim or audit is resolved. Subgrantee shall include the provisions of this Paragraph 23 in any subcontract executed in connection with this Project.
24. Maintenance of Costs Records. Subgrantee maintains all books, documents, papers, accounting records and other evidence pertaining to costs incurred on the Project and shall make such material available at all reasonable times during the period of this Agreement, and for three (3) years from the date of final payment under this Agreement, for inspection by ARC, the Funding Agencies, and if the work and services to be performed under this Agreement is wholly or partially funded with federal funds, the Comptroller General of the United States, or any of their duly authorized representatives. Subgrantee shall include the provisions of this Paragraph 24 in any subcontract executed in connection with this Project.
25. No Obligation by the Federal Government. ARC and Subgrantee acknowledge and agree that, notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of the underlying contract, absent the express written consent by the Federal Government, the Federal Government is not a party to this Agreement and shall not be subject to any obligations or liabilities to ARC, Subgrantee or any other party (whether or not a party to that contract) pertaining to any matter resulting from the underlying contract.

Subgrantee agrees to include the above clause in each subcontract financed in whole or in part with federal assistance provided by FTA. It is further agreed that the clause shall not be modified, except to identify the subcontract who will be subject to its provisions.

26. Rights in Documents, Materials and Data Produced. Subgrantee agrees that all reports, studies, records, and other data prepared pursuant to the terms of this Agreement shall be the property of ARC upon termination or completion of the work. ARC and the Funding Agencies shall have the right to use the same without restriction or limitation and without compensation to Subgrantee other than that provided for in this Agreement. For purposes of this Agreement, "data" includes writings, sound recordings, photographs, films, videotapes, or other graphic representations and works of a similar nature. No documents, material or data produced in whole or in part under this Agreement shall be the subject of an application for copyright by or on behalf of Subgrantee or its subcontractors. Subgrantee acknowledges that matters regarding the rights to inventions and materials generated by or arising out of this Agreement may be subject to certain regulations issued by the Funding Agencies. Information regarding the applicability of such regulations to a specific situation may be obtained by written request to ARC.
27. Data and Software Licensing. During performance of the work covered by this Agreement, ARC may provide certain data or software products such as aerial photography or commercially available planning data and software,

to Subgrantee that have been obtained from various sources under specific licensing agreements. Subgrantee acknowledges that any data or software that ARC may provide hereunder is provided as a non-exclusive, non-transferable, limited license for Subgrantee or its subcontractors to use the data or software for the work covered by this Agreement only. Subgrantee shall not redistribute, republish or otherwise make this data or software available to any not covered by this Agreement. Subgrantee or any subcontractor(s) shall not use this data or software for any work not covered by this Agreement. Subgrantee further acknowledges that upon completion of the Project covered by this Agreement all data and software provided by ARC, shall be returned to ARC and all copies of the data or software residing on Subgrantee's or its subcontractor's computer systems shall be removed.

28. Publication and Publicity. Articles, papers, bulletins, presentations, reports, or other material reporting the plans, progress, analysis or results and findings of the work conducted under this Agreement shall not be presented to the governing authority of Subgrantee, or a committee thereof, for official action by such body without first submitting the same to ARC for review and comment. No such presentation shall be made until comments have been received from ARC regarding such review; provided, however, if such comments have not been received by Subgrantee within thirty (30) calendar days after such submission, it shall be presumed that ARC has no objection thereto. ARC's comments, objections, reservations, or disagreements regarding such material, shall accompany the material presented in such form as ARC shall specify.
29. Identification of Documents. All reports, surveys, and other documents completed under this Agreement shall bear on the title page of such report, survey or document, the following legend: "Prepared by (insert name of Subgrantee) under contract with the Atlanta Regional Commission. The preparation of this (insert either "report or document," as appropriate) was financed in part by funds provided by the United States Government through the Georgia Department of Human Services.", along with the date (month and year) in which the document was prepared.
30. Compliance with Requirements of the Funding Agencies. Subgrantee shall be bound by the applicable terms and condition of the grant contract between ARC and the Funding Agencies which said grant contract is on file in the offices of ARC and is hereby made a part of this Agreement as fully as if the same were attached hereto. ARC will notify Subgrantee in writing of any applicable changes within a reasonable time after ARC has received appropriate notice of such changes from the Funding Agencies.
31. Incorporation of Federal Transit Administration (FTA) Terms. The preceding provisions include, in part, certain Standard Terms and Conditions required by USDOT, whether or not expressly set forth in the preceding Agreement provisions. All contractual provisions required by USDOT, as set forth in FTA Circular 4220.1E, are hereby incorporated by reference. Anything to the contrary herein, notwithstanding, all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this Agreement. Subgrantee shall not perform any act, fail to perform any act, or refuse to comply with any ARC requests which would cause ARC to be in violation of the FTA terms and conditions.
32. Federal Changes. Subgrantee shall at all times comply with all applicable FTA regulations, policies, procedures and directives, including without limitation those listed directly or by reference in the master agreement between ARC and FTA, as they may be amended or promulgated from time to time during the term of this Agreement. Subgrantee's failure to so comply shall constitute a material breach of this Agreement.
33. Assurances. Subgrantee hereby assures and certifies that it will comply with the appropriate regulations, policies, guidelines and requirements (as applicable), including, but not limited to, 2 CFR Part 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards," 23 CFR 450, "FHA Planning Assistance and Standards," 49 CFR 23, "Participation of Disadvantaged Business Enterprise in Airport Concessions," or 49 CFR 26, "Participation by Disadvantaged Business Enterprises in Department of Transportation Financial Assistance Programs," 48 CFR 31, "Contract Cost Principles and Procedures," Executive Order 12372, "Intergovernmental review of Federal programs," or other requirements imposed by ARC or the Funding Agencies concerning requirements of law or Project matters as expressly made applicable by ARC herein, as they relate to the application, acceptance, use and audit of federal funds for this federally assisted Project. 40. Termination for ARC's Convenience. ARC may terminate this Agreement at any time by giving written notice to Subgrantee of such termination and specifying the effective date thereof, at least fifteen (15) days before the effective date of such termination. In that event, all information and material produced or collected under this Agreement and/or used in the performance of the scope of services shall, at the option of ARC, become its property. If this Agreement is terminated by ARC as provided in this Paragraph 40, Subgrantee will be reimbursed for the otherwise allowable actual expenses incurred by Subgrantee up to and including the effective date of such termination, as authorized in Attachment B. Subgrantee shall not incur new obligations for the terminated portion after the effective date and shall cancel as many outstanding obligations as possible. ARC shall evaluate each non-cancelable obligation to determine its eligibility for include in Project costs.

41. Termination for Cause. If through any cause, Subgrantee shall fail to fulfill in a timely and proper manner its obligations under this Agreement, or if Subgrantee has or shall violate any of the covenants, representations or

stipulations of this Agreement, ARC shall thereupon have the right to terminate this Agreement by giving at least five (5) days written notice to Subgrantee of such termination and specifying the effective date thereof. In such an event, all information and materials produced under this Agreement and/or used in the performance of the scope of services shall, at the option of ARC, become its property. Subgrantee shall be entitled to receive just and equitable compensation for allowable costs incurred in the performance of the scope of service up to and including the effective date of termination as authorized in Attachment B. Notwithstanding the foregoing, Subgrantee shall not be relieved of liability to ARC for damages sustained by ARC caused by Subgrantee's breach. ARC may withhold any payments to Subgrantee for the purpose of set-off for damages caused by Subgrantee's breach, until the exact amount of such damages is determined.

42. Termination Due to Non-Availability of Funds. Notwithstanding any other provision of this Agreement, in the event that any of the funds for carrying out the functions to which this Agreement relates do not become available, then, upon written notice to Subgrantee, this Agreement may be immediately terminated without further obligation of ARC.
43. Suspension Due to Non-Availability of Funds. The Funding Agencies have the right to suspend financial assistance for this Project. Consequently, ARC reserves the same right regarding this Agreement. Such suspension would cause the withholding of further payments and/or prohibiting Subgrantee from incurring additional obligations during the suspension period. However, unless notified in writing to the contrary, such suspension would not invalidate obligations otherwise properly incurred by Subgrantee prior to the date of suspension to the extent that they are non-cancelable.
44. Disputes and Appeals. Any dispute concerning a question of fact arising under this Agreement shall be decided by ARC's Chief Operating Officer who shall promptly reduce such decision to writing and mail or otherwise furnish a copy thereof to Subgrantee.

Subgrantee agrees that the decision of ARC's Chief Operating Officer shall be final and conclusive unless, within ten (10) days of receipt of such copy, Subgrantee mails or otherwise furnishes a written request for appeal concerning the question of fact to ARC's Executive Director, who shall arrange a formal hearing within twenty (20) days after receipt of the appeal request. Both Subgrantee and ARC Chief Operating Officer shall have the right to present witnesses and give evidence concerning the question of fact at such a hearing. Within twenty (20) days after the hearing, the ARC Executive Director shall make her decision concerning the question of fact in writing to Subgrantee and to ARC's Chief Operating Officer.

Pending final decision of an appeal to the ARC Executive Director, Subgrantee shall proceed diligently with the performance of this Agreement and in accordance with the decision of ARC's Chief Operating Officer.

Subgrantee agrees that the decision of the ARC Executive Director concerning the disputed question of fact shall be final and conclusive unless determined by the Funding Agencies, the Comptroller General of the United States, or a court of competent jurisdiction to have been arbitrary, capricious, an abuse of discretion, or otherwise not in accordance with the law.

Subgrantee shall have written procedures through which its subcontractors (fourth party) may dispute and/or appeal a decision made by Subgrantee. Written notice of such procedures shall be provided by Subgrantee to each of its subcontractors.

45. Force Majeure. In no event shall either party be responsible or liable for any failure or delay in the performance of its obligations hereunder upon the occurrence of any circumstance beyond the control of either party, such as acts of God, war, acts of terrorism, government regulations, disaster, strikes, work stoppages, accidents, mandatory quarantines, pandemics, curfews, or other restrictions of movements, or civil disorder, to the extent that such circumstances make it illegal or impossible for either party to fulfill the terms of this Agreement. Any termination or delay in the performance of this Agreement without liability is conditioned upon delivery of written notice to the other party setting forth the basis for such termination as soon as reasonably practical, but in no event longer than ten (10) days, after learning of such basis. It is understood that both parties shall use reasonable efforts which are consistent

with industry standard to fulfill the performance of this Agreement to the extent feasible. Nothing in this Paragraph 45 shall be deemed to relieve Subgrantee from its liability for work performed by any subcontractor.

46. Severability. Any section, subsection, paragraph, term, condition, provision or other part of this Agreement that is judged, held, found, or declared to be voidable, void, invalid, illegal or otherwise not fully enforceable shall not affect any other part of this Agreement, and the remainder of this Agreement shall continue to be of full force and effect.
47. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument.
48. Applicable Law. This Agreement shall be deemed to have been executed and performed in the State of Georgia and all questions of interpretations and construction shall be construed by the laws of the State of Georgia.

IN WITNESS WHEREOF, Subgrantee and ARC have executed this Agreement as of the day first above written.

MEMORANDUM

TO: Chairwoman
District Commissioners

FROM: Adrienne McAllister 
Director of Human Resources

SUBJECT: A Resolution Providing for a Salary Supplement for the Tax Commissioner of Gwinnett County

DATE: January 20, 2026

Action Requested

Approval/Authorization of a Resolution providing a local annualized salary supplement of \$35,000 for the Tax Commissioner of Gwinnett County, effective January 1, 2026.

Discussion

Georgia State law expressly authorizes the county's governing authorities to supplement the minimum salary of the Tax Commissioner of Gwinnett County (Article IX, Section I, Paragraph III of the Georgia Constitution and O.C.G.A. § 48-5-183(b)(3)).

The Tax Commissioner of Gwinnett County serves the second largest county in Georgia, overseeing operations across six offices. The role entails substantial statutory and operational responsibilities, including tax billing, collection and disbursement, administration of homestead exemptions, and serves as the state agent for motor vehicle registration, titling, and revenue distribution. These duties require executive-level oversight and significant time commitment.

It has been determined that the current compensation is not aligned with the scope and responsibilities, or with salaries of similarly situated constitutional officers within the County. The proposed supplement recognizes the workload, complexity, and Gwinnett Standard-level of service required to manage this office.

The annual cost of the supplement is \$35,000, paid in equal monthly installments, and subject to future cost-of-living adjustments afforded to County employees.

I respectfully request your consideration and approval of this resolution at your January 20, 2026, meeting. If you have any questions, please contact me on 770.822.7914.

A RESOLUTION PROVIDING FOR A SALARY SUPPLEMENT FOR THE TAX COMMISSIONER OF GWINNETT COUNTY

WHEREAS, Article IX, Section I, Paragraph III of the Constitution of the State of Georgia established the office of the tax commissioner as an elected county officer and provides that minimum compensation for the Tax Commissioner may be established by the General Assembly by general law; and

WHEREAS, Article IX, Section I, Paragraph III of the Constitution of the State of Georgia also provides that the minimum compensation of the Tax Commissioner may be supplemented by local law or, if such authority is delegated by local law, by action of the county governing authority; and

BE IT FURTHER RESOLVED that the supplement authorized herein shall be paid to the Tax Commissioner of Gwinnett County in equal monthly installments in the same manner as the Tax Commissioner's base salary.

SUBJECT: Declaration of Taking – GCID 2026-0049

DATE: December 23, 2025

ITEM OF BUSINESS

Approval/Authorization for Declaration of Taking Condemnation proceedings for the property of the Milam Inspiration Living Trust, consisting of 104,589 square feet of permanent utility easement and 121,646 square feet of 24 month temporary construction easement, Tax Parcel No. R7243 001, R7243 170, and R7246 001, 1 Inspiration Drive, Duluth, GA, amount \$615,700.00. This project is funded by the Water and Sewer Renewal & Extension Fund.

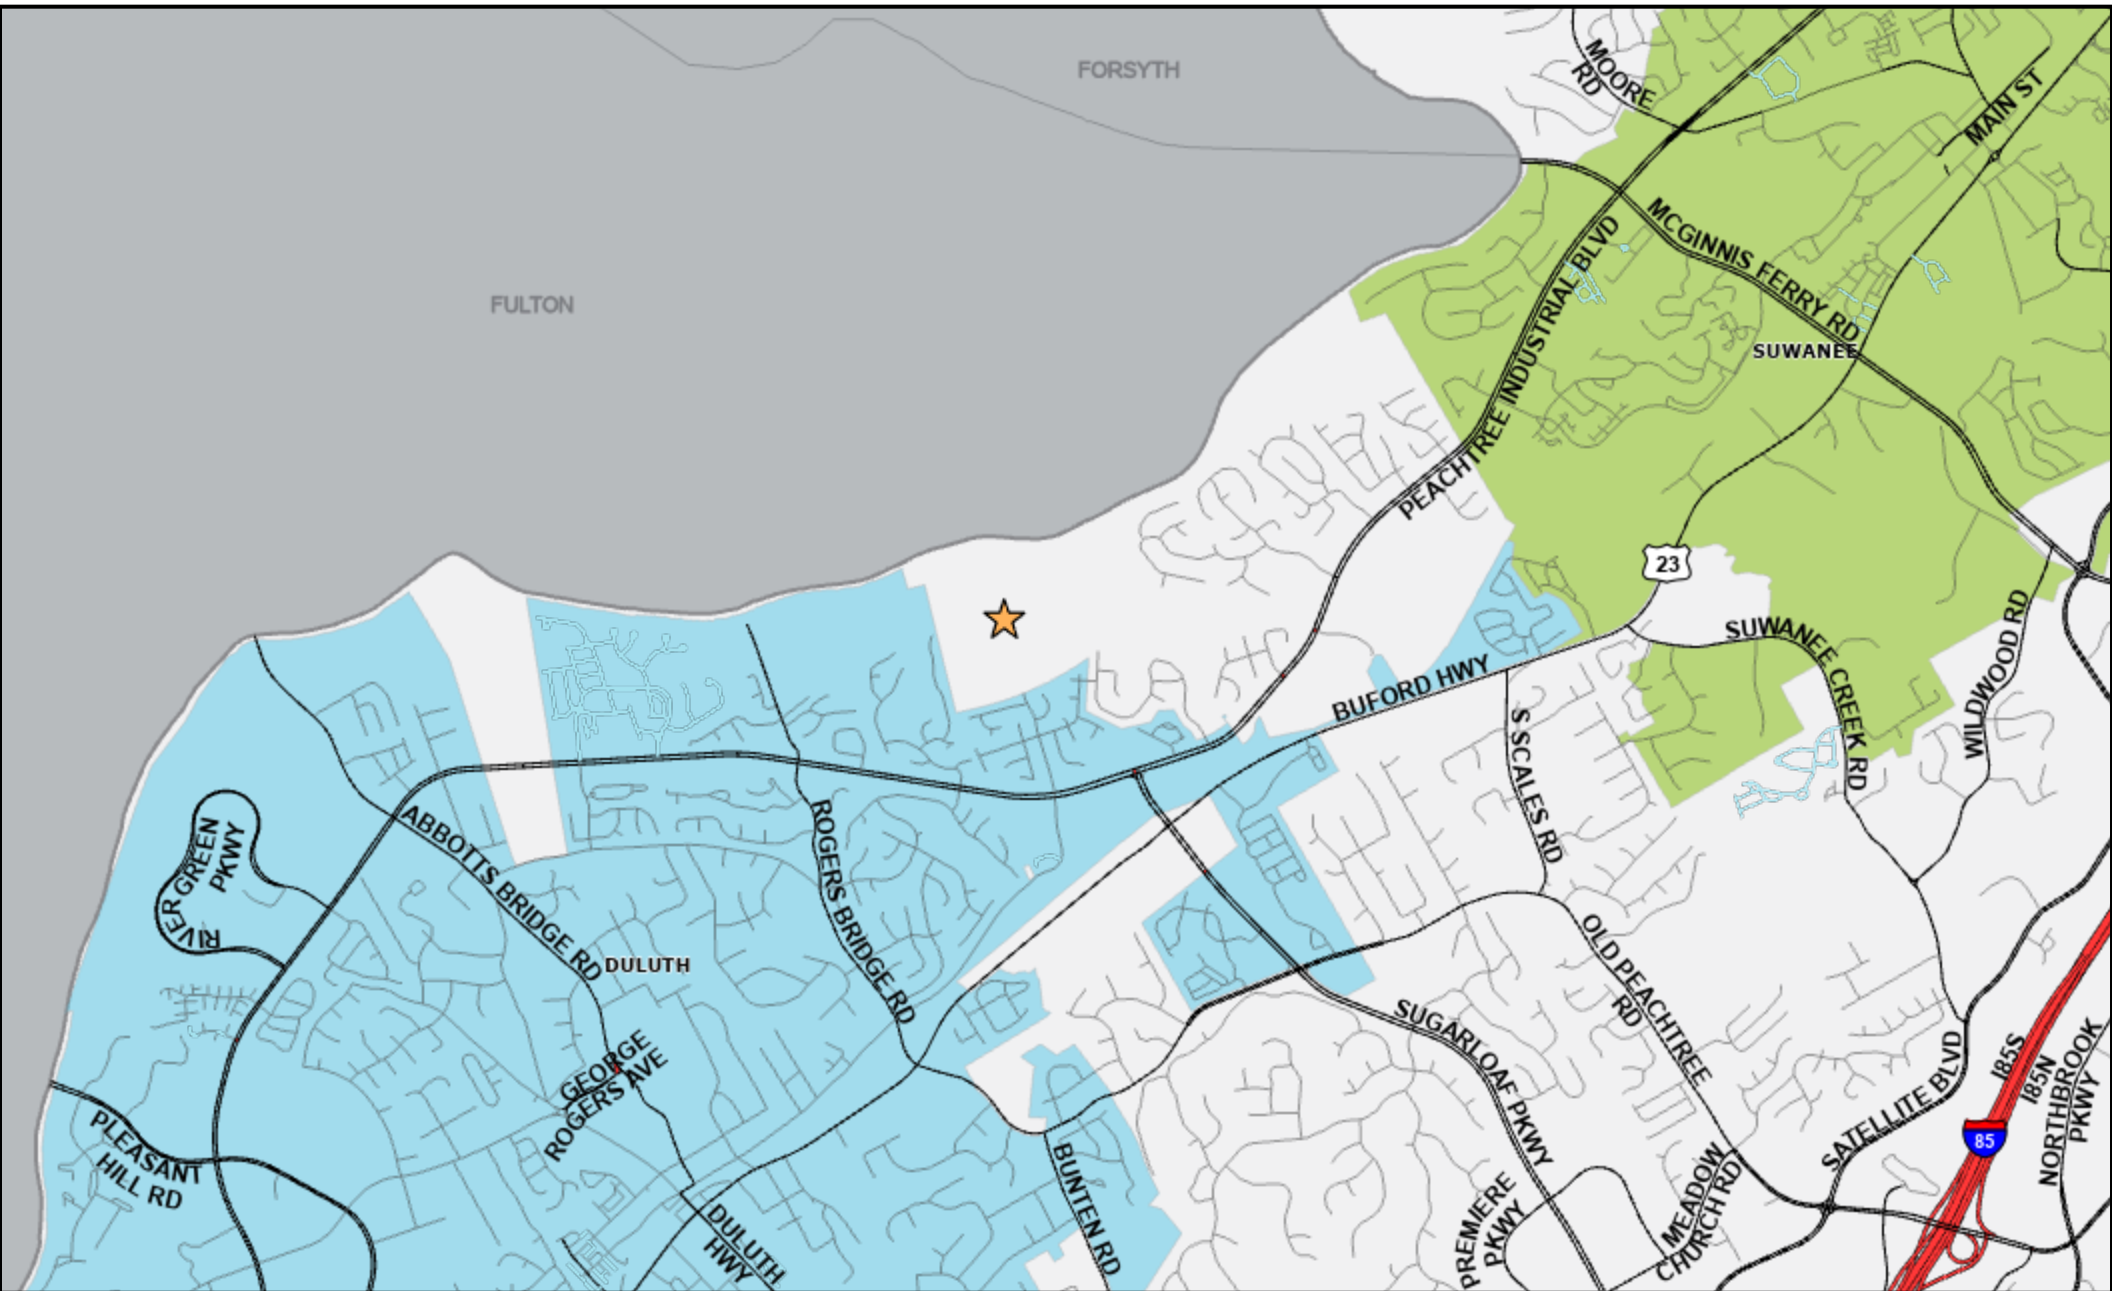

BACKGROUND AND DISCUSSION

Through this agenda item, the Law Department requests that the Board of Commissioners approve the execution of the attached Resolution which authorizes the filing of a Declaration of Taking proceeding to acquire 104,589 square feet of permanent utility easement and 121,646 square feet of 24 month temporary construction easement. The estimated amount of just and adequate compensation for the acquisition is \$615,700.00.

The subject property is an 80.67 acre undeveloped assemblage of parcels along the Chattahoochee River. The property is located in District 1 and is zoned R-75, and RA-200. The easement area to be acquired consists of open and wooded areas along the Chattahoochee River. Representatives for the Milam Inspiration Trust are in discussions with the County, but to date have not agreed to the County's fair market offers and have not made any counteroffer. This project is necessary to provide additional gravity sewer system capacity to the North Chattahoochee Interceptor which serves the northern portion of the County.

FROM: Nathan L. Wood *NW*
Senior Assistant County Attorney

SUBJECT: Intergovernmental Agreement with Loganville for Water and Sewer
Service Provision – GCID 2026-0052

DATE: December 23, 2025

ITEM OF BUSINESS

Approval/Authorization for the Chairwoman to sign any and all documents necessary to enter into an Intergovernmental Agreement with the Gwinnett County Water and Sewerage Authority, and the City of Loganville related to water and sewer service delivery for four properties annexed by Loganville.

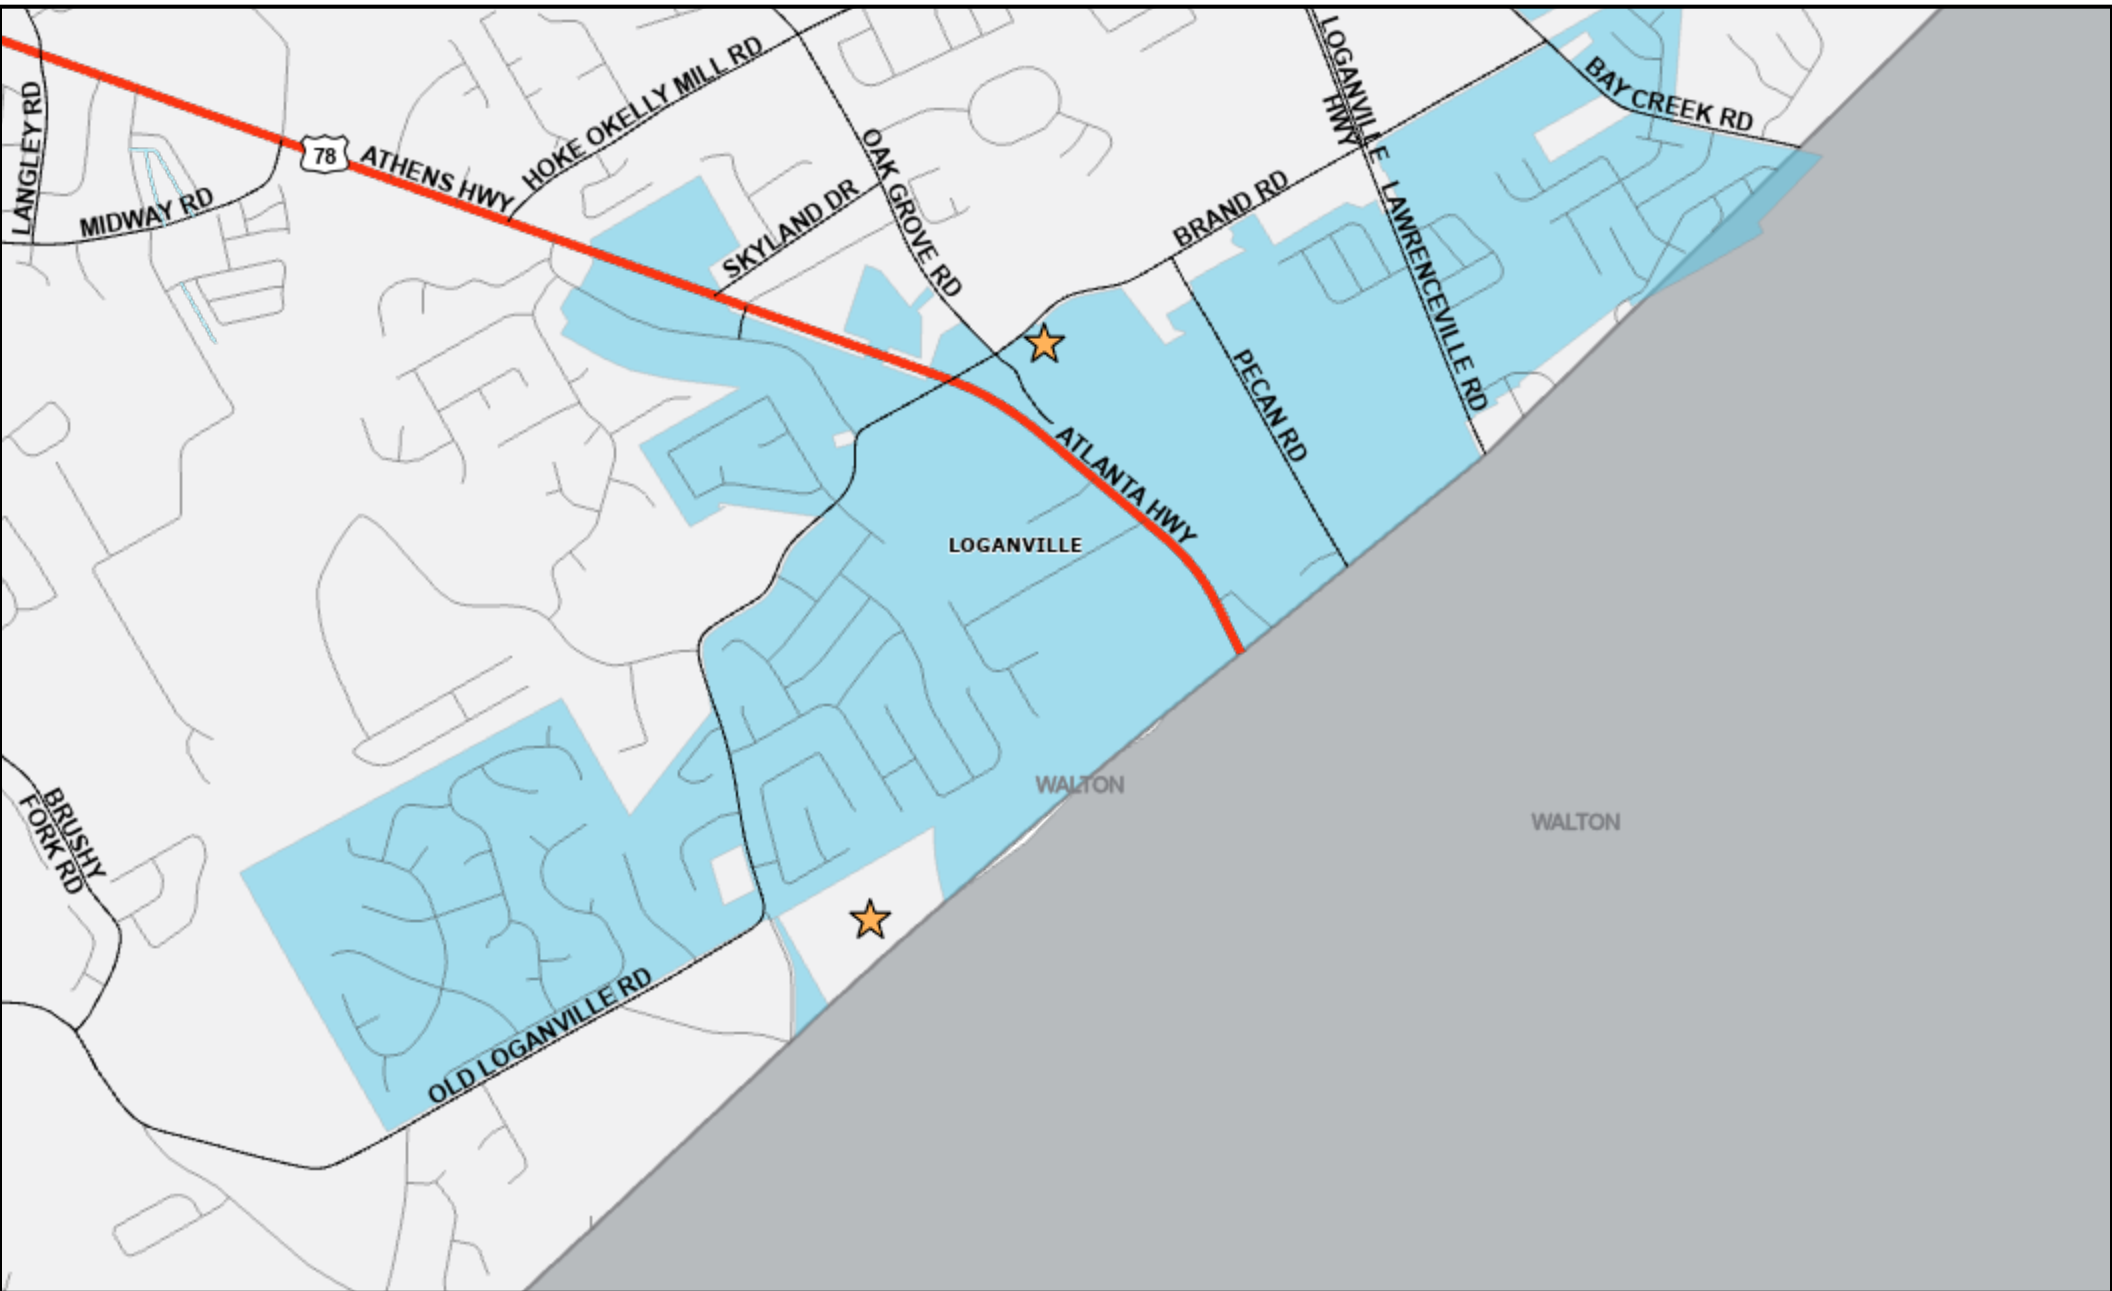

BACKGROUND AND DISCUSSION

Through this agenda item, the Law Department requests that the Board of Commissioners approve the execution of the attached Intergovernmental Agreement which authorizes the City of Loganville to assume responsibility for providing water and sewer service to four properties. Three of the properties are located at 520, 523, and 540 Brand Road and are further identified as Tax Parcel Nos. R5160 059 R5160 057 and R5160 175. The fourth property, known as "Tuck Farm," is partially located within Gwinnett County and partially within Walton County, and does not have an address or Tax Parcel No. The fourth parcel is a 41.16 acre portion of a larger 198.08 acre tract.

Under the current Service Delivery Strategy agreement, Gwinnett County is responsible for providing water and sewer service to Tuck Farm, and for providing water service to the three Brand Road properties. Loganville annexed the properties in October of 2024 and now wishes to assume responsibility for water and sewer service to all four properties.

If you have any questions with regard to this matter, please do not hesitate to contact me at extension 822-8709.

MEMORANDUM

TO: Chairwoman
District Commissioners

THROUGH: Chris Minor 
Director of Parks and Recreation

FROM: Daniel Dart 
Division Director

SUBJECT: Vines Park Phase II Acceptance of DNR Land and Water Conservation Fund Grant (LWCF)

DATE: December 16, 2025

ITEM OF BUSINESS

Approval/authorization for the Chairwoman to execute contracts and accept the LWCF grant with the Georgia Department of Natural Resources in the amount of \$500,000.00 for Vines Park Phase II Improvements.

BACKGROUND AND DISCUSSION

The Land and Water Conservation Fund (LWCF) is a federal program established in 1964 that provides matching grants to help communities acquire, develop, and improve outdoor recreation areas and facilities. LWCF supports projects that enhance public access to parks, trails, playgrounds, athletic fields, and natural areas.

For local governments, the LWCF is an invaluable tool for leveraging local funds to expand and improve park infrastructure, ensuring that residents of all ages have equitable access to high-quality outdoor recreation opportunities. By investing in sustainable, community-based projects, the program helps preserve natural resources, promote public health, and strengthen the connection between people and the outdoors.

We have been awarded the maximum grant amount offered, \$500,000 and received a contract from the Georgia Department of Natural Resources for the Vines Park Phase II project. The Georgia Department of Natural Resources requires recipients pass a resolution accepting the grant and agreeing to the terms set forth. This resolution accepting the grant was proceeded by the resolution to apply for the grant, adopted September 17, 2024 (GCID#2024-0836).

The grant for this project will help fund construction of a dog park, paved trail, playground and picnic shelters as part of the overall park expansion project.

The Land & Water Conservation Fund grant is \$500,000, and we will utilize \$500,000 from the 2023 SPLOST funds for the required match.

FROM: Felicia Kemp *JK*

SUBJECT: Recommendation to Approve and Authorize an Intergovernmental Agreement
with Georgia Department of Public Safety

DATE: December 16, 2025

REQUESTED ACTION

The Department of Police Services recommends approval and authorization for the Chairwoman to execute an Intergovernmental Agreement between Gwinnett County and the Georgia Department of Public Safety (DPS) for the provision of a framework for interoperability of certain Gwinnett County Police Department (GCPD) and DPS-designated Talkgroups.

DESCRIPTION

With the advent of digital radio communications, traditional radio "channels" have been replaced with frequency independent "Talkgroups". Normally, each Talkgroup is assigned a name or designation, specific purpose, and designated, authorized use. To support interoperability, public safety agencies agree to enter into Talkgroup sharing agreements with partnering agencies.

The primary function of this Talkgroup sharing agreement is to maximize interoperability and authorize partnership between the GCPD and DPS to enhance public safety. No exchange of funds is contemplated by this Agreement; DPS will pay for all costs associated with programming the authorized Talkgroups into its equipment and for all of its operational costs.

This Agreement does not create obligations or rights for any other State Agency, Elected Official, or Department. If applicable, independent Talkgroup sharing agreements may be negotiated between those entities.

INTERGOVERNMENTAL AGREEMENT
between
GWINNETT COUNTY, GEORGIA
and the
GEORGIA DEPARTMENT OF PUBLIC SAFETY
for
USE OF CERTAIN TALKGROUPS

This Intergovernmental Agreement ("Agreement") is made between Gwinnett County, Georgia ("Agency") a political subdivision of the State of Georgia, and the Georgia Department of Public Safety ("DPS"), a department of the executive branch of the State of Georgia, on the 12th day of January 2026. The Agency and DPS are each referred to as a "Party, and collectively as "the Parties".

WHEREAS, DPS is a state agency that oversees the Georgia State Patrol;

WHEREAS, the Georgia State Patrol's primary duty is to patrol the public roads and highways of this state, including interstate and state maintained highways, and to safeguard the lives and property of the public; and

WHEREAS, the Gwinnett County Police Department is a law enforcement agency located within Gwinnett County, Georgia, whose mission is to reduce crime and promote the quality of life, in partnership with the community; and

WHEREAS, DPS and the Agency previously entered into that certain prior Intergovernmental Agreement dated May 13, 2013, pursuant to which Gwinnett County made its 800 Megahertz Radio System (the "Agency Radio Network") available to the Georgia State Patrol for purposes of public safety communications in furtherance of cooperating to fulfill their respective duties to the citizen of Gwinnett County; and

WHEREAS, DPS has since deployed a LTE wireless communication system and the Parties desire to support interoperability of the systems to facilitate public safety communication pursuant to the terms of the talkgroup sharing agreement set forth herein.

NOW THEREFORE, for and in consideration of the mutual benefits to be realized from the obligations hereinafter set forth, DPS and the Agency mutually agree as follows:

1. BACKGROUND AND PURPOSE

With the advent of digital radio communications, traditional radio "channels" have been replaced with frequency independent "talkgroups". Normally, each talkgroup is assigned a name or designation, specific purpose, and designated, authorized use. To support interoperability, public safety agencies agree to enter into talkgroup sharing agreements with partnering agencies.

This talkgroup sharing agreement provides the framework for interoperability of certain Agency and DPS designated Talkgroups. A list of applicable Talkgroups is attached hereto as Table 1 and may be amended from time to time by the mutual agreement of the Parties.

The primary function of this talkgroup sharing agreement is to maximize interoperability and authorize partnership between Agency and DPS to enhance public safety. No exchange of funds is contemplated by this Agreement; DPS will pay for all costs associated with programming the authorized talkgroups into its equipment and for all of its operational costs.

This Agreement does not create obligations or rights for any other State Agency, Elected Official, or Department. If applicable, independent talkgroup sharing agreements may be negotiated between those entities.

2. RESPONSIBILITIES OF THE PARTIES

To maximize interoperability, the Parties agree to:

- A. Utilize Talkgroups designated herein in compliance with the terms of this talkgroup sharing agreement.
- B. Access these Talkgroups for public safety purposes only and unauthorized use should be prohibited. Such uses include, but are not limited to, Dispatched Calls for Service, planned events, and mutual aid support.
- C. Assist with any necessary training for access, use, and proper operations of Talkgroups designated herein.
- D. Abide by all rules and regulations of the Federal Communications Commission, as well as all applicable federal, state, or local laws.
- E. Provide (14) fourteen days' advance written notification of a Party's intent to add, change, remove or delete subscriber or Talkgroup equipment.

3. ACCESS TO TALKGROUPS

DPS agrees to maintain and keep current all Gwinnett County Radio System Access, System Key and Encryption agreements, and the terms and conditions of each shall apply to any communications technicians that will program DPS radios. DPS acknowledges that it has educated and informed the technicians of all Agency rules and regulations applicable to this Agreement.

This information shall not be shared with any other person or agency without prior written permission of Agency. If any unauthorized disclosure, use, or security breach occurs or is suspected, DPS shall notify Agency immediately and in no event later than 24 (twenty-four) hours following such event.

The Parties agree to provide access to the Talkgroup(s) designated in TABLE 1, as amended from time to time by the mutual agreement of the Parties. Each party will provide the Radio and Location information required by Paragraph 9 of TABLE 1, TALKGROUPS AND SITE INFORMATION. Agency will determine which Agency Site DPS' LTE "Donor" radio equipment will access. DPS will provide the

LAT/LONG coordinates and the street address of all DPS Donor sites at which "Donor" radio equipment will be installed. DPS agrees to comply with Agency's procedures and guidelines governing the Agency Radio Network.

DPS agrees that Southern Linc technicians will not have access to the Donor radio equipment for any reason other than to physically connect the Donor radio to their system.

DPS agrees that Southern Linc will not provide any LTE talkgroups assigned to DPS and "Bridged" to the Agency radio system to any other user of their LTE Network except as described in section 4.

If the Agency has access to the Southern Linc LTE CriticalLinc Network, Agency's designated sworn members, communications operators, and radio technicians will have access to the local GSP Post LTE talkgroup that is primary for DPS patrols of the Agency's community at DPS's expense.

4. TALKGROUP AUTHORIZATIONS

DPS is authorized to program the authorized Talkgroup(s) listed in Table 1 to DPS communication devices of DPS sworn law enforcement officers and communications operators.

DPS maintains User Alias lists and agrees to provide Agency updated User Alias lists within 48 hours of any such change.

DPS is authorized to establish a 'Bridge' of the "Donor" radio for the purpose of connecting and simulcasting the designated Talkgroups to the Southern Linc LTE CriticalLinc Network. Access to the 'Bridge' may be provided to DPS sworn members, Georgia Department of Natural Resources (DNR) sworn members and DPS radio technicians.

DPS agrees to only use Agency assigned and approved Radio Identification Numbers and Aliases on the "Donor" radio equipment. In the event of failure, DPS shall notify Agency within 48 hours of the failure and/or replacement.

DPS shall be solely responsible for the "Donor" radio and equipment installed in the Southern Linc LTE CriticalLinc Network.

This Agreement does not convey any rights to the Southern Linc LTE CriticalLinc Network to access the Agency Radio Network other than pursuant to its contract with DPS.

5. TERM /TERMINATION

This Agreement is effective upon the date that the last Party executes it and may be terminated by either by Party for any, or no, reason upon fourteen (14) days' written notice to the other.

The term of this Agreement shall run from the effective date for a period of one (1) year and, unless terminated as provided above, the parties will confer to determine whether continuation is mutually beneficial. If agreeable, the Agreement will renew annually each year for four (4) additional one (1) year terms, for a total of five (5) years, unless terminated as provided above. Prior to expiration, the Parties will review the terms of the Agreement and discuss renewal or extension options.

6. INTERFERENCE

The Parties agree to immediately cease transmission by any means on "Donor" Radios and Talkgroups in the event of detected radio interference on either Party's radio system. The Parties shall use good faith efforts to resolve any such harmful radio interference for any further use.

The Parties will notify each other of any detected interference and the immediate action taken within 24 (twenty-four) hours of detection of the interference.

Use of Talkgroups other than those designated in Table 1 by the Parties shall be considered a violation of this Agreement and will result in an automatic termination at the discretion of the Party whose system has been violated.

7. LIABILITY

DPS shall bear the responsibility and be liable for any act or omission, on the part of DPS, its officers, agents, employees, subcontractors and/or others working at the direction of DPS or on DPS's behalf, including, but not limited to Southern Linc, due to the violation of any pertinent federal, state or local law, rule or regulation while carrying out the operations of this Agreement, or due to any breach of this Agreement; provided, however, that DPS and its respective governing body does not waive its sovereign immunity by entering into this Agreement, and DPS retains all immunities and defenses provided by law with respect to any action based on or occurring as a result of this Agreement.

Agency shall bear the responsibility and be liable for any act or omission, on the part of Agency, its officers, agents, employees, subcontractors and/or others working at the direction of Agency, or on Agency's behalf, due to the violation of any pertinent federal, state or local law, rule or regulation while carrying out the operations of this Agreement, or due to any breach of this Agreement; provided, however, that Agency and its respective governing body does not waive its sovereign immunity by entering into this Agreement, and Agency retains all immunities and defenses provided by law with respect to any action based on or occurring as a result of this Agreement.

8. MODIFICATION AND ASSIGNMENT

No modification or alteration of or amendment to this Agreement shall be effective and binding unless executed by both parties with the same degree of formality as this indenture. This Agreement may not be assigned.

9. NOTIFICATIONS

Notices required by this Agreement shall be deemed duly given upon delivery, if delivered by hand, or three (3) days after mailing, if sent by certified mail return receipt requested, and provided to the receiving Party at the address set forth below.
