MEMORANDUM

TO: Chairwoman
District Commissioners

THROUGH: J.D. McClure *JM*
Chief of Police

FROM: Felicia Kemp *FK*
Financial Supervisor

SUBJECT: Behavioral Health Agreement Renewal

DATE: May 19, 2026

ITEM OF BUSINESS

Approval/authorization for the Chairwoman to execute a Behavioral Health Program Agreement with View Point Health, effective June 29th, 2026, for the provision of mental health services through a Police-Mental Health Collaboration with Gwinnett County Police Department. The total payments during the contract period shall not exceed \$735,602.00.

BACKGROUND AND DISCUSSION

Since 2021, the Behavioral Health Unit has partnered with View Point Health to implement a successful law enforcement-based program which enables Police Officers to respond appropriately and safely, alongside licensed clinicians, to people with mental illness. In continuation of these efforts, the department desires to renew the contract for another year.

Gwinnett County Behavioral Health Program Agreement

BETWEEN:

**Gwinnett County, Georgia
75 Langley Dr.
Lawrenceville, GA 30046**

**View Point Health
Community CARE
175 Gwinnett Dr., Suite 365
Lawrenceville, GA 30046**

These parties enter into this Agreement (“Agreement”) regarding behavioral health services, provided by the View Point Health effective **June 29th, 2026**.

- A. **Purpose.** Gwinnett County, Georgia and View Point Health (also called the “Parties”) establish an understanding whereby licensed behavioral health clinicians will be assigned to Gwinnett County, Georgia (hereinafter “GC”), for a Behavioral Health Program. Clinicians from View Point Health (hereinafter “VPH”) will provide mental health services through a Police-Mental Health Collaboration (hereinafter “PMHC”), with the Gwinnett County Police Department (hereinafter “GCPD”), in an effort to implement a co-responder program. This Agreement will expand the Behavioral Health Pilot Program established between the two parties in 2021.
- B. **Program Description.** GC has established a PMHC Program to supplement and enhance current operations. The Program is designed to prepare GC for establishing additional service models for mental health crisis response. The PMHC establishes a full scope of behavioral health services to individuals suspected of having behavioral or emotional challenges or drug dependency issues, in order to eliminate or limit the need for police officers to respond to those in a mental health crisis. As a public community behavioral health provider, VPH desires to provide as needed crisis intervention and behavioral health services to GC through a recognized co-responder model.
- C. **Definitions.** For the purpose of this Agreement, the following terms are defined as follows:
 - 1. “As needed crisis intervention and behavioral health services” shall mean agreed upon services required for execution of the Behavioral Health Program.

2. "Behavioral Health" refers to the scientific study of the emotions, behaviors and biology relating to a person's mental well-being, the person's ability to function in everyday life, and the person's concept of self, encompassing both the biological components of mental health (emotional, psychological, and social well-being) and other contributions to mental wellness, related to physical and mental struggles.
3. "Behavioral Health Pilot Program" refers to a limited term set of related collaborative measures or activities, with the aim of providing critical mental health services to individuals in need, in support of the Gwinnett County Board of Commissioners priority of fostering a Safe & Healthy Community.
4. "Clinician" shall mean a qualified person, as defined in § 37-3-41(d) of the Official Code of Georgia Annotated (O.C.G.A.).
5. "Collaborative" refers to being produced or conducted by two or more parties working together.
6. "Complex Care Clients" shall mean individuals who are frequently in crisis situations due to a potential combination of medical, behavioral health, or social challenges, and may benefit from services offered through the Program.
7. "Comprehensive" refers to covering completely or broadly.
8. "Crisis" refers to an emotionally significant event or radical change of status in a person's life.
9. "Crisis intervention" refers to the methods used to offer immediate, short-term emergency response to assist individuals who experience an event that produces emotional, mental, physical, and behavioral distress or problems.
10. "Group Session" shall mean a session of care in which two or more individuals are provided services by VPH, outside of the scope of the Behavioral Health Program, and which is authorized in advance in writing.
11. "High Utilizers" shall mean individuals with a repeat pattern of calling 911 or requesting emergency dispatch services, for reasons other than true emergencies.
12. "Law" shall mean any declaration, decree, directive, legislative enactment, order, ordinance, regulation, rule, or other binding restriction of or by any Governmental Authority.
13. "Liaison" shall mean a person who acts as a conduit, negotiator, or facilitator between different persons or parties.
14. "Participant" refers to a person receiving behavioral health or crisis intervention services, through the Behavioral Health Program.
15. "Police-Mental Health Collaboration" refers to a law enforcement-based program that enables police officers to respond appropriately and safely, alongside licensed clinicians, to people with mental illness.
16. "Program Coordinator" shall mean a representative, liaison, or other designee, who represents either party of the Agreement, in participation of the PMHC Program.

17. "Representative" of a party shall mean the agents, subcontractors, licensees, independent contractors, and/or employees of such party.

D. **Effective Dates.** This Agreement shall remain in effect from the date specified in the opening paragraph, and will terminate on **June 28th 2027**, or when a new Agreement is reached, whichever comes first.

E. **Program Costs:**

The total amount of payments during the contract period, shall not exceed the sum of SEVEN HUNDRED AND THIRTY-FIVE THOUSAND SIX HUNDRED AND TWO U.S. DOLLARS (\$735,602). Services are capped at a total of ONE HUNDRED AND SEVENTEEN THOUSAND TWO HUNDRED AND SIXTY U.S. DOLLARS (\$117,260) for a full-time licensed clinician to serve as Program Coordinator. Up to six additional full-time clinicians can be provided for an amount not to exceed ONE HUNDRED AND THREE THOUSAND AND FIFTY-SEVEN U.S. DOLLARS (\$103,057) each or SIX HUNDRED AND EIGHTEEN THOUSAND, THREE HUNDRED AND FORTY-TWO U.S. DOLLARS (\$618,342) in total. With GCPD approval, VPH has the option of hiring an associate level clinic, if the associate level clinician is in good standing and will be eligible to submit an application for full licensure within 18 months of hire.

F. **Billing and Payment Terms.**

1. All billable services must be in accordance with the established schedule under "E. Program Costs".
2. VPH shall not bill GC for services which can be billed to the participant's private insurance provider, Medicaid, or Medicare. 4. VPH shall bill GC within ten (10) days, following the end of each month, for services rendered during the immediately preceding month.
5. GC shall pay such invoice(s) within thirty (30) days of the date of each invoice, provided that VPH has performed the billed services and meets requirements for payment (E-Verify and insurance), other than amounts which are the subject of a good faith dispute between the parties.

G. Responsibilities of VPH:

1. Behavioral health evaluations and crisis intervention services will be provided in accordance with O.C.G.A. § 37-3-41(d).
2. The behavioral health clinician will be available during hours established by GC and VPH.

 - b. VPH will provide up to six additional full-time clinicians for a total of seven clinicians in the Program. Clinicians will be added as it is feasible for both GC and VPH to do so given considerations for available staffing. GC and VPH will work together to maintain the agreed upon staffing level of up to seven clinicians.
 - c. VPH will provide a behavioral health clinician that will be available for overtime/emergency call-out after typical business hours during the week, weekends, and holidays.
3. Within ninety (90) days of the effective date of this Agreement, VPH will perform an initial assessment, develop a service/response plan, and present its findings and recommendations to GCPD to further develop and enhance the PMHC co-responder program.

Such a process will be consistent and compliant with all federal and state laws relating to privacy, including the health privacy laws found in HIPAA, federal, and Georgia rehabilitation and ADA laws.
10. VPH will provide and supervise all clinicians.
11. VPH shall be wholly responsible for all activities of their employees and contractors, including but not limited to: wages, benefits, workers' compensation, general liability insurance, health insurance, taxes, or any other obligation or benefit offered or due to VPH's employees and contractors.

Records regarding this Agreement, where retained and in the custody and control of VPH, will be treated as if they were records in the custody and control of GC.

GCPD, thru the BHU, aims to provide a full scope of behavioral health services to citizens considered to have behavioral and emotional challenges or drug dependency issues in order to eliminate negative and potentially harmful interaction with police officers and to link persons with resources and supports instead of taking them to jail and/or hospitalizing them. BHU will service three functions, crisis response, clinical care coordination and linkage to community resources, and therapeutic support to officers identified by the Crisis Intervention Stress Management (hereinafter "CISM") Team. These functions will be completed jointly by the officer and clinicians assigned to the BHU and CISM teams.

4. The GCPD will maintain no therapeutic records of residents enrolled in VPH services, nor will any member of the Gwinnett Police Department access medical records not consistent with public safety objectives pursuant to federal or state laws.

If GCPD determines that a clinician is not following policies and procedures or is not fit to provide therapeutic services, the GCPD liaison/representative will inform VPH immediately, and the VPH clinician will no longer provide program services.

EDUCATION

I was at Georgia Tech from 1968 until 1973. I started for two years majoring in Physics and then changed to Electrical Engineering in my third year.

I worked part time for State Electric Company while going to Georgia Tech to help pay my way through school. I enjoyed the industrial control work and the different challenges in this field. I decided after being at Georgia Tech that I wanted to work with my tools on the different jobs so I could gain practical experience. This led to me going through the 4-year Apprenticeship Program in LU #613 IBEW Atlanta, Georgia from 1973, until 1977

After completing the Apprenticeship, I worked as an electrician, a foreman on jobs, and later the manager of operations within State Electric. During this time, I attended and passed many different classes related to our field. These classes included classes related to Lighting Design, Computer Room Design, Programming PLC's, Estimating, Project Management, and many other areas.

While at Dekalb County as an inspector I had classes related to all the building trades and to the environmental issues for the land surrounding the buildings. Later, I was teaching some of these classes through Advanced Electrical Instruction.

**INTERGOVERNMENTAL AGREEMENT
BY AND BETWEEN
GEORGIA DEPARTMENT OF CORRECTIONS
AND
GWINNETT COUNTY
COUNTY CAPACITY**

THIS AGREEMENT is entered into the 1st day of July, 2026, by and between the GEORGIA DEPARTMENT OF CORRECTIONS, an agency of the State of Georgia (“Department”), and GWINNETT COUNTY, a political subdivision of the State of Georgia (“County”), acting by and through its Board of County Commissioners, referred to individually as “Party” or together as “Parties.”

WHEREAS, Department desires to contract with County for appropriate care and custody of certain offenders for which Department is responsible, (“State Offenders”); and

County desires to provide appropriate care and custody of State Offenders at a correctional institution operated by County (“Services”).

NOW, THEREFORE, in consideration of these premises and the mutual promises and agreements hereinafter set forth, the parties hereby agree as follows:

1. Care and Custody. County agrees to provide complete care and custody of up to 222 State Offenders daily, for the Term of this Agreement and in accordance with all applicable state and federal laws, rules, and regulations. Without limiting the generality of the foregoing, the County specifically agrees that no State Offender labor shall benefit private persons or corporations.

2. Recording Offender Movement in SCRIBE. The county agrees to record any and all movement of State Offenders transferred in and out of the County facility by entering the movement in Department’s SCRIBE system on the same day the movement occurs. Movements that are not entered in SCRIBE on the day the movement occurs will not show as an adjustment and result in an inaccurate daily count. The County is solely responsible for implementing procedures to ensure that SCRIBE entries are made accurately and in a timely manner. County is responsible for verifying the State Offender count and all movements in and out of the County facility in SCRIBE on a daily basis to ensure that the count is accurate. County understands that the count reflected in SCRIBE is the official count for purposes of calculating payment under this Agreement. Late documentation, lack of documentation, or inaccurate documentation may result in delayed payment or non-payment under this Agreement. The County agrees to grant Department access to County’s records, documentation procedure, and personnel for purposes of auditing SCRIBE entries and verifying State Offender count at any time upon Department’s request.

3. Notification of Medical Treatment. The County shall notify Department of any State

Offender that the County transfers to a hospital for treatment that will require an overnight stay or for whom treatment is likely to cost in excess of One Thousand Dollars (\$1,000.00). Said notification shall be provided via telephone contact within Twenty-Four (24) hours of offender being admitted for treatment on an outpatient or inpatient basis. County shall notify Department pursuant to this paragraph by calling the Department's "On Call Utilization Management Nurse" at 404-863-3079 at any time of day or night.

4. Employee or Offender Misconduct. The County agrees that it will notify the Department within ten (10) business days after terminating an employee of the County correctional institution for misconduct or of the resignation of any employee in connection with an allegation or investigation of misconduct. The County further agrees that it will notify the Department within ten (10) business days if it, one of its employees, or any other law enforcement officer, secures a criminal warrant for the arrest or otherwise pursues the prosecution of an offender being housed at the County CI for criminal conduct allegedly committed at the County CI. The County agrees that it will not hire any employee terminated by the Department for misconduct or who resigns from the Department in connection with an allegation or investigation of misconduct.

5. Compensation. Department agrees to pay County the sum of Thirty Dollars (\$30.00) per State Offender per day for the duration of this Agreement. The County agrees that upon receipt of documentation from the Department showing inmate dates and total amount of payment, the County shall validate the accuracy of the documentation in a manner as prescribed by the Department and return the validation of the same to the Business Management Unit within seven (7) business days of receiving the documentation. The Department shall endeavor to pay County for Services within Forty-Five (45) days of invoice receipt in the approved form. County acknowledges and agrees that the Commissioner of Corrections shall have sole authority with respect to the transfer of State Offenders to and from the County correctional institution and Department shall not incur charges for State Offenders not under the care and custody of County. A State Offender is not under the care and custody of County when; a State Offender is not housed at the County facility, State Offender is out to court, or when a State Offender is sent to a Department facility for medical or mental health evaluation.

6. Term of Agreement. The term of this Agreement shall be from July 1, 2026 until 11:59 p.m. on June 30, 2027 (the "Term"). The Parties may, by mutual agreement in writing, extend the Term for additional time periods.

7. Termination. Department may at any time and for any reason terminate this Agreement by providing written notice in advance of such termination to County. In the event of termination under this paragraph, the Department shall pay the County for Services performed prior to the effective date of termination; provided, however, that payments otherwise due to the County may be applied by the Department against amounts due or claimed to be due to the Department. If the County fails to comply with the provisions of this Agreement, the Department may terminate this Agreement for cause and without notice. If termination is for cause, payments may be withheld by the Department on account of the Services being deemed deficient and not remedied by the County prior to the effective date of termination. The County shall be liable to the Department for any

additional cost incurred by the Department as a result of deficiencies in the Services to be provided hereunder.

8. Prison Rape Elimination Act. The County agrees that it will adopt and comply with 28 C.F.R. 115, entitled the Prison Rape Elimination Act (“PREA”). As required in 28 C.F.R. 155.12, The County further agrees to cooperate with the Department in any audit, inspection, or investigation by the Department or other entity relating to the County’s compliance with PREA. The Department shall monitor the County’s compliance with PREA and shall have the right to inspect any documents or records relating to such audit, inspection or investigation, and the County will provide such documents or records at the Department’s request. The County acknowledges that any violation of PREA is a material breach of this Agreement, is cause for termination of this Agreement and may lead to administrative and criminal sanctions. The County shall acknowledge in writing that the Department has advised the County of these matters.

9. Notices. Any notice under this Agreement, other than those referenced in Paragraph 3, “Notification of Medical Treatment,” shall be deemed duly given if delivered by hand (against receipt) or if sent by registered or certified mail, return receipt requested, to a Party hereto at the address set forth below or to such other address as the Parties may designate by notice from time to time in accordance with this Agreement.

10. Reimbursement of Medical Costs.

- a. The Department agrees to reimburse the County for certain costs of medical services required for medical conditions which: (1) pose an immediate threat to life or limb, and (2) occur under circumstances in which the State Offender cannot reasonably be placed in a state institution for the receipt of this care (“Emergency Medical Services”). The Department’s obligation to reimburse County for the cost of any medical services, to include Emergency Medical Services, arises only when the cost per State Offender per incident exceeds One Thousand Dollars (\$1,000.00), and Department shall only be liable for the amount in excess of One Thousand Dollars (\$1,000.00), subject to the limitations of this paragraph and other applicable laws and regulations.
- b. The County agrees to invoice the Department monthly for the actual cost of Emergency Medical Services paid by the County. If there existed any rate agreement between the County and the hospital or hospital authority at the time Emergency Medical Services were rendered, the invoice must reflect such rate. All invoices from the County must include an invoice or receipt from the hospital that clearly shows the actual cost of Emergency Medical Services paid by the County.
- c. The Department is not liable to the County for any late fees or charges imposed by the hospital, hospital authority (collectively, “Late Fees”), or other service provider, for late or nonpayment by the County. The County agrees to exclude Late Fees from its invoices to the Department.
- d. If the Department reasonably determines that there is a difference between the actual cost incurred by the County and the invoice sent to the Department, the Department may assess an administrative fee of one-half (1/2) of the difference to cover the administrative costs incurred by the Department. The Department shall send the County written notice of any administrative fees, and the County shall have Thirty (30) days to make payment or to dispute the fee in writing. If the County does not make payment of undisputed administrative fees by the due date, the Department is entitled to a setoff of the same amount against future payments owing to the County.
- e. Pursuant to O.C.G.A. § 42-5-2(c), the Department shall reimburse the County no more than the applicable Georgia Medicaid Rate for Emergency Medical Services provided to a State Offender by a hospital, hospital authority, or other service provider. The Department shall not be liable to the County for any amount paid by the County to a hospital, hospital authority, or other service provider, in excess of the Medicaid Rate for emergency services provided to a State Offender.

11. Entire Agreement. This Agreement constitutes the entire agreement and understanding between the parties hereto and replaces, cancels and supersedes any prior agreements and understandings relating to the subject matter hereof, and all prior representations, agreements, understandings and undertakings between the parties

hereto with respect to the subject matter hereof are merged herein.

12. Sole Benefit. The Department and the County enter into this Agreement for their sole benefit. The Department and the County do not intend to give any rights pursuant to this Agreement to any other parties.

13. Choice of Law and Venue. The Contract shall be governed in all respects by the laws of the State of Georgia. Any lawsuit or other action brought against the Department and the State based upon or arising from this Agreement shall be brought in the Superior Court of Fulton County, Georgia.

14. Amendment. The Parties recognize and agree that it may be necessary or convenient for the Parties to amend this Agreement, and the Parties agree to cooperate fully in connection with such amendments if and as necessary. However, no change, modification or amendment to this Agreement shall be effective unless the same is reduced to writing and signed by the Parties.

15. Counterparts. This Agreement may be executed in multiple counterparts, each of which shall be an original but all of which shall constitute one agreement. No Party shall be bound by this Agreement until all Parties have executed it.

IN WITNESS WHEREOF, the parties have caused the authorized representatives of each to execute this Agreement on the day and year first above written.

MEMORANDUM

TO: Chairwoman
District Commissioners

FROM: Chris Minor 
Director of Parks and Recreation

SUBJECT: Intergovernmental Agreement with the Evermore Community Improvement District

DATE: June 10, 2026

ITEM OF BUSINESS

Approval and authorization for the Chairwoman to execute an Intergovernmental Agreement for the development of a park design concept for an area within the Evermore Community Improvement District.

BACKGROUND AND DISCUSSION

To foster a safe, livable, and healthy community for the residents of Gwinnett County, a partnership has been proposed between the County and the Evermore Community Improvement District (CID) to develop a park concept along Highway 78, across from Lake Lucerne Road.

Under this agreement, the Evermore CID will fully fund and manage all phases of the design process, including vendor selection, site analysis, design development, and plan review. Upon completion, Evermore CID will share the final design documents with Gwinnett County for future consideration of park development.

This agreement is strictly for concept planning and does not commit either party to constructing the park.

AGREEMENT BETWEEN GWINNETT COUNTY
AND THE EVERMORE COMMUNITY IMPROVEMENT DISTRICT
DESIGN OF THE PROPOSED FUTURE PARK AT HWY 78 ACROSS FROM LAKE LUCERNE ROAD

This Agreement (hereinafter referred to as "Agreement") made by and between the Evermore Community Improvement District, a self-taxing district authorized by the Gwinnett County Board of Commissioners and headquartered at 2795 Main Street West Suite 28 A&B, Snellville, GA 30078 (hereinafter referred to as "CID") and Gwinnett County, Georgia, a political subdivision of the State of Georgia headquartered at 75 Langley Drive, Lawrenceville, Georgia 30046, (hereinafter referred to as "COUNTY") (both CID and COUNTY collectively referred to as "parties" each of whom has been duly authorized to enter into this Agreement).

WITNESSETH

WHEREAS, the parties to this Agreement are located within Gwinnett County and authorized by law to enter into this Agreement; and

WHEREAS, the parties wish to work together to carry out a park conceptual design process on the area within the CID at Hwy 78 across from Lake Lucerne Road identified as tax parcels R6063 002 and R6056 200 (the conceptual design process hereinafter referred to as "PARK PROJECT"); and

WHEREAS, the CID desires to support the conceptual planning and design of a potential park within the County, with the understanding that such support reflects the CID's long-term vision and hope that a park may be constructed in the future; and

WHEREAS, the CID has agreed to contribute funds toward the costs of the PARK PROJECT including the costs of preparing a park design concept and related planning material for the purpose of informing future consideration by the COUNTY; and

WHEREAS, the COUNTY is not providing any financial contribution toward the PARK PROJECT and assumes no obligation to fund, reimburse or otherwise support the costs associated with the PARK PROJECT; and

WHEREAS, the PARK PROJECT is intended solely as a planning and exploratory effort, and neither the completion of the PARK PROJECT nor the CID's funding thereof shall obligate the COUNTY or CID to proceed with construction of a park or any related improvements; and

WHEREAS, the CID acknowledges and agrees that the PARK PROJECT does not guarantee that any future park, if constructed, will be based upon, consistent with or substantially similar to the designs, concepts or recommendations produced by the PARK PROJECT.

NOW, THEREFORE, in consideration of the mutual promises, covenants, and undertakings set forth herein and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, the parties hereto do consent and agree that:

1. Project Description and Cost:

- a. The PARK PROJECT will consist of a site analysis and the preparation of a design concept on the land owned by County, identified as tax parcels R6063 002 and

R6056 200 and will consist of the following phases and milestones:

- 1) Site Analysis: site inventory and assessment including but not limited to topographic surveys, flood elevation review, soils and vegetation analysis and site access
 - 2) Design Development: conceptual design process to include a review of COUNTY standards for park amenities, design alternatives fitting the needs of the area and site constraints resulting in a final concept plan
 - 3) Plan Review: 50% and 75% plans and opinion of probable costs
 - 4) Project Completion: 95% plans and opinion of probable costs outlining permitting requirements, construction cost estimates for final design and site development, and reasonable future cost projections
- b. The PARK PROJECT cost is estimated to be \$200,000 and the CID agrees that it will be responsible for the full amount of the estimated and final PARK PROJECT costs not to exceed \$200,000 and will receive and process all invoices and payments. Should the cost be anticipated to exceed \$200,000, the CID may choose to be responsible for the excess costs or may terminate the PARK PROJECT. For avoidance of doubt the COUNTY is not responsible for any PARK PROJECT costs.

2. CID Responsibilities:

- a. The CID shall be responsible for procuring the vendor to carry out the scope of the PARK PROJECT.
- b. The CID will pay the vendor for the PARK PROJECT directly for its services.
- c. The CID will transfer to the COUNTY copies of all documents including plans, cost estimates and any other associated documents, in both electronic and paper formats for the PARK PROJECT upon completion.

3. COUNTY Responsibilities:

- a. The COUNTY will provide guidance and recommendations to the vendor and CID throughout the PARK PROJECT process.
- b. The COUNTY will make available appropriate County personnel to assist the PARK PROJECT design efforts.

All notices pursuant to this Agreement shall be served as follows: As to the COUNTY, County Administrator, 75 Langley Drive, Lawrenceville, Georgia 30046, with a copy to the County Attorney at the same address. As to the CID, Executive Director, Evermore Community Improvement District, 2795 Main Street West, Suite 28 A & B, Snellville, GA 30078.

This Agreement constitutes the entire written agreement between the parties hereto as to all matters contained herein. All subsequent changes to this Agreement must be in writing and signed by both parties. This Agreement is for the benefit of the parties hereto only and is not intended to benefit any third party or to give rise to any duty or causes of action for any third party, and no provisions contained within this Agreement are intended to nor shall they in any way be construed to relieve any contractor performing services in connection with the PARK PROJECT of any liability or to complete the work in a good, substantial and workmanlike manner. No provision in this Agreement is intended to nor shall it be construed to in any way waive immunities or protections provided to either the COUNTY or to the CID by the Constitution and laws of the State of Georgia. The CID may terminate the PARK PROJECT at any time, whether completed or not. The Agreement shall be governed by the laws of the State of Georgia.

IN WITNESS WHEREOF, the parties hereto acting through their duly authorized agents have caused this Agreement to be signed and delivered on the date set forth below.

MEMORANDUM

TO: Chairwoman
District Commissioners

FROM: Matthew Dickison, Director MD

SUBJECT: Economic Development Ordinance Update

DATE: June 2, 2026

ITEM OF BUSINESS

Approval/authorization to amend the code of ordinance to update the Economic Development Ordinance in Article IV, Chapter 2. Subject to approval as to form by the Law Department.

BACKGROUND AND DISCUSSION

The original Economic Development Ordinance was approved in January 2006 and was last updated in October 2008. Over the last several years, new economic development tools, strategies, and plans have been created that are not currently contemplated within the existing ordinance. Updates to the ordinance are needed to make it more responsive to today's market and to provide greater clarity regarding the County's incentive structure and applicable uses.

A summary of the changes made in this update are:

- Renaming the ordinance to the Economic Development and Housing Incentives Ordinance
- Creating the Economic Development and Housing Incentives County Administrator Policy
- Updating Key Terms and Definitions
- Implementing Annual Compliance Fees
- Revising Reporting Requirements
- Creating a Tax Incentive Structure for Affordable Housing Development
- Creating a Tiered Economic Development Incentive Structure

This new approach will provide the legal authorization to offer project incentives within the updated ordinance while providing the structure for how incentives are offered and project requirements within the new policy. This method will provide the County with greater flexibility to update the policy to remain competitive as economic conditions change.

Section 2-249. Incentive Offers and Agreements.

- (1) All incentives offered to a qualifying business or project developer shall be set forth in a written offer letter (an "Incentive Offer Letter"). - (4) In the event that any incentive offered pursuant to this Division is determined to be illegal, unenforceable, or invalid, then the Recipient of such incentive shall immediately reimburse Gwinnett County and/or the applicable Authority (as applicable) for the full value of any monetary incentive received.

Section 2-251. Confidentiality Agreements.

The Gwinnett County Administrator, Gwinnett County Director of Planning and Development, or either party's respective designee, are each hereby authorized to sign confidentiality agreements with prospective businesses in the furtherance of their official duties so long as such confidentiality agreements are made subject to the provisions of the Georgia Open Records Act.

Section 2-252. Fees.

Fees to ensure that expenses related to ongoing compliance are covered will be established by resolution of the Gwinnett County Board of Commissioners.

All fees imposed in accordance with this Section shall be paid by the Recipient of an incentive under this Division to the applicable entity as identified in the inducement offer letter. Annual Compliance Fees shall be paid by the applicable Authority to Gwinnett County to cover Gwinnett County's costs related to the administration of the Gwinnett County Economic Development and Housing Incentives Ordinance.

MEMORANDUM

District Commissioners

THROUGH: C.C. Long *dr*

FROM: Amalia Cadena *AC*

SUBJECT: Expansion of Police Community Service Aide Program

DATE: May 29, 2026

REQUESTED ACTION

Approval/authorization to add twelve new Community Service Aide positions and necessary vehicles, equipment, supplies, and technology to support the twelve new positions. A portion of this request will be funded through projected cost savings in permanent salaries and wages resulting from police officer vacancies. The remaining portion will be funded through adjusted appropriations from the Police Tax Contingency project.

DESCRIPTION

As part of the 2025 budget, the Board of Commissioners authorized a Community Service Aide pilot program funding six Community Service Aide positions. Approval of the pilot program enabled Gwinnett County to implement and evaluate the program to determine its effectiveness. In July 2025, after hiring and training the new community service aides, the program was officially launched.

Community service aides handle lower-priority and non-threatening calls, such as traffic direction, assisting with missing person searches, canvassing for video evidence and/or witnesses, and taking reports for property crimes. The goal of community service aides handling these calls is to reduce response times by police officers and allow them to be more proactive. The aides drive vehicles that are outfitted with amber caution lights and a more generalized vehicle design to ensure these vehicles are not confused with police vehicles.

The community service aide program was active for approximately five months in 2025, during which time the aides handled 606 general calls, 672 other (assist) calls, 1,202 traffic calls, and participated in 2,500 directed patrols. Currently, the community service aides are assigned to Central Precinct, where response times to the highest-priority calls dropped by 18% for police officers, and response times to all calls dropped by 20%. Officer self-initiated activity is up more than 10%.

In the first quarter of 2026, community service aides handled 865 calls for service, equating to 13% of all police calls during the times they worked. Notably, they performed 1,953 area checks. They also assisted during inclement winter weather events in 2026.

To build upon the success of the pilot program, the police department is requesting to expand this program with 12 more community service aides through a budget amendment. These community service aides would be assigned to the North and West precincts due to density and concentrated commercial activity.

Each pair of community service aide positions will require a vehicle to respond to calls, for a total of 6 new vehicles.

Denise R. Mitchell, MPA

Tax Commissioner

MEMORANDUM

TO: BOARD OF COMMISSIONERS

FROM: DENISE R. MITCHELL, MPA, TAX COMMISSIONER

DATE: MAY 20, 2026

SUBJECT: INSOLVENT LIST FOR UNPAID TAXES

Enclosed in this packet you will find a detailed list of property accounts that have been determined to be insolvent. Along with each account listed is a reason for this determination. O.C.G.A. section 48-5-129 requires the Tax Commissioner to have this insolvent list allowed by the Board of Commissioners.

Accounts are determined to be insolvent only after every legal remedy for collection available to the Tax Commissioner's office has been exhausted. This includes mailing multiple delinquent notifications, filing tax liens, seizing certain property when appropriate, performing site visits in the case of personal property accounts, and conducting tax sales for real property. In addition to these actions, we utilize a number of resources in our efforts to contact tax payers and collect their debts, including the real and personal property files maintained by the Board of Assessors, information maintained by Gwinnett County License and Revenue, UCC filings, deed and lien indexes and the corporate data base maintained by the Georgia Secretary of State, neighboring property checks, phone company listings, landlords, State F.A.A. registrations, boat registrations maintained by the Georgia Department of Natural Resources, websites and any other skip tracing resources and procedures deemed appropriate.

In order to clarify the total dollar amount that has been deemed insolvent, you find an "other" column in the list that includes all penalties, interest, fees, special assessments and city taxes. Furthermore, the "total" column on each list is representative of the total amount needed to satisfy and cancel the tax lien filed against the property. As a result of these inclusions, the list provides a total as described above, as well as a separate total of the insolvent county, state and school taxes.

The list includes a district code for each account. The breakdown of those districts is as follows:

- | | |
|--------------------|------------------------|
| 1 – Unincorporated | 10 – Snellville |
| 2 – Buford | 11 – Sugar Hill |
| 3 – Dacula | 12 – Suwanee |
| 4 – Duluth | 15 – Berkeley Lake |
| 5 – Grayson | 17 – Rest Haven |
| 6 – Lawrenceville | 18 – Auburn |
| 7 – Lilburn | 19 – Braselton |
| 8 – Loganville | 20 – Peachtree Corners |
| 9 – Norcross | 21 – Mulberry |

After determining that all collection efforts have been exhausted, insolvent accounts are coded with one of the following reasons for insolvency:

1. Tax lien no longer enforceable due to statute of limitations
2. Bankruptcy
3. Out of Business, no property to levy against
4. Property moved, unable to locate
5. Legal decision (condemnation, court order, etc.)

In summary, this list includes a total of \$5,702,756.85 in personal and real property taxes, penalties, interest and fees that have been determined to be insolvent. Included in this amount is \$3,695,059.53 in county, state and school taxes.

Please note that the action of allowing this insolvent list by the Board of Commissioners does not constitute forgiveness of any debt included in the list. All tax liens remain on file in the Office of the Clerk of Superior Court, and taxes included in this list can still be paid by parties interested in satisfying those liens and having them recorded as cancelled.

I respectfully request that this insolvent list be allowed. If you have any questions, please contact me at extension 822-7005, or contact Alexandra Jenkins, Director of Property Tax, at extension 822-7326.

**SECOND AMENDMENT TO
ANNUAL SERVICE PROVIDER CONTRACT PROVISION OF TRANSIT
OPERATION AND MAINTENANCE ON AN ANNUAL CONTRACT**

THIS AMENDMENT (“Amendment”) to the Contract is effective as of July 1, 2026 (“Amendment Effective Date”), and is by and between Gwinnett County, Georgia, (the “County”) and Transdev Services, Inc., (“Contractor”). County and Contractor may be referred herein individually as “Party” or collectively as “Parties.” Any capitalized term not specifically defined in this First Amendment will have the same meaning assigned in the Contract to that term.

WHEREAS, County and Contractor entered into a Contract (Contract No. 013-21) effective July 1, 2021 (the “Contract”), wherein the Contractor agreed to provide certain Services under specified terms and conditions; and

WHEREAS, the Parties entered into a First Amendment to the Annual Service Provider Contract Provision of Transit Operation and Maintenance on an Annual Contract effective January 1, 2024 (the “First Amendment”); and

WHEREAS, the First Amendment to the Contract provided for an increase in compensation at the rate of \$4.06 per revenue hour, and the parties acknowledge that such increase is no longer applicable; and

WHEREAS, the Parties now wish to amend the terms of the Contract to make provisions for (i) the renewal of the Contract for an additional year (ii) the replacement rate schedule set forth in Exhibit D (Contractor Price Schedule) with an updated rate schedule and removal of the \$4.06 additional rate; (iii) the waiver of liquidated damages; (iv) the elimination of the performance bond requirement; and (v) the approval of certain staffing adjustments proposed by the Contractor at the North and South Facilities pursuant to Section 10.1 of the Contract.

NOW THEREFORE, for and in consideration of the terms set forth herein and other consideration, the receipt and adequacy of which are hereby acknowledged by both Parties, the Parties agree as follows:

ARTICLE 2. ALL OTHER TERMS AND CONDITIONS UNAFFECTED. All term and conditions of the Contract not expressly modified by this Second Amendment shall be given full force and effect.

- 1) Pursuant to Section 4, Contract Term and Renewal, of the Contract, the Parties agree that the Contract will be renewed for a Renewal Term of an additional year beginning July 1, 2026, and ending June 30, 2027 (the “Extension Period”).
- 2) Exhibit D (Contractor Price Schedule) of the Contract shall be amended to include the following updated rate schedule attached as Attachment 1 to this Amendment, which shall govern all rates and pricing during the Extension Period.
- 3) Notwithstanding any provision in the Contract, the parties agree to a Global Reduction of Liquidated Damages (“LD”) Amounts. All liquidated damages amounts calculated pursuant to the Contract and in excess and above the County Ride Gwinnett’s LD cap of \$51,000 per month

shall be waived. Such reduction(s) shall apply uniformly to the total LD assessment per month based on the Contract unless otherwise expressly modified by subsequent written agreement of the parties.

- 4) Mechanical/Electronic Defect Repair Timeline (Extended Cure Period). Agreement is hereby amended to replace the existing three (3) Business Day repair deadline as follows: The Contractor shall be assessed liquidated damages in the amount of One Hundred Dollars (\$100.00) per day for each mechanical and/or electronic defect that remains unrepaired beyond seven (7) Business Days following discovery thereof or the date on which such defect is reported on a Driver Vehicle Inspection Report (DVIR).
- 5) Out-of-Service Vehicle Placed in Service (Clerical Error Carve-Out). The Contractor shall be assessed liquidated damages in the amount of One Thousand Dollars (\$1,000.00) per instance for each occurrence in which a revenue vehicle carrying an out-of-service designation pursuant to Section 5.6.15 is placed into revenue service. Notwithstanding the foregoing, liquidated damages shall not be assessed if the incident resulted solely from a clerical or administrative error, provided there is documentation that the vehicle was operationally cleared for service and the correct information is entered into the Hexagon system.
- 6) Notwithstanding any provision in the Contract, effective as of Amendment Effective Date and for the duration of the Extension Period, the Contractor shall not be required to maintain or provide a performance bond. Any performance bond requirement set forth in the Contract is hereby waived for the duration of the Extension Period.
- 7) Pursuant to Section 10.1 of the Contract, the Parties hereby agree that the following staffing changes are approved by the County, effective as of the Amendment Effective Date:
 - (a) The elimination of the following positions at the **North Facility** is hereby approved:
 - (i) Mid-Day Road Supervisor
 - (ii) Utility Worker
 - (iii) Administrative Clerk

All terms and conditions of the Contract not expressly modified by this Second Amendment shall be given full force and effect.

If any provision of this Second Amendment is found to be illegal or otherwise invalid, then validity of the remaining provisions of this Second Amendment and of the Contract will not be impaired.

In the event of conflict between this Second Amendment and the Contract, or any other prior amendment, the terms of this Amendment shall control with respect to the subject matter addressed herein.

No modification to this Second Amendment shall be unless made in writing and signed by both Parties.

In addition, the Contractor agrees to comply with any implementing requirements FTA may issue.

5. Federal Law and Public Policy Requirements. The Contractor shall ensure that Federal funding is expended in full accordance with the U.S. Constitution, Federal Law, and statutory and public policy requirements: including, but not limited to, those protecting free speech, religious liberty, public welfare, the environment, and prohibiting discrimination.

CONTRACT WORK HOURS AND SAFETY STANDARDS ACT

- a. Applicability: This requirement applies to all FTA grant and cooperative agreement programs.
- b. Where applicable (see 40 U.S.C. § 3701), all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. §§ 3702 and 3704, as supplemented by Department of Labor regulations at 29 C.F.R. Part 5. See 2 C.F.R. Part 200, Appendix II.
- c. Under 40 U.S.C. § 3702, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week.
- d. The requirements of 40 U.S.C. § 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.
- e. The regulation at 29 C.F.R. § 5.5(b) provides the required contract clause concerning compliance with the Contract Work Hours and Safety Standards Act:

Compliance with the Contract Work Hours and Safety Standards Act.

- (1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.
- (2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this section, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1) of this section.
- (3) Withholding for unpaid wages and liquidated damages. The agency shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2) of this section.
- (4) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (1) through (4) of this section."

DEBARMENT AND SUSPENSION

Debarment and Suspension (Executive Orders 12549 and 12689). A covered transaction (see 2 C.F.R. §§ 180.220 and 1200.220) must not be entered into with any party listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 C.F.R. 180 that implement Executive Orders 12549 (31 U.S.C. § 6101 note, 51 Fed. Reg. 6370,) and 12689 (31 U.S.C. § 6101 note, 54 Fed. Reg. 34131), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. The Recipient agrees to include, and require each Third Party Participant to include, a similar provision in each lower tier covered transaction, ensuring that each lower tier Third Party Participant:

- (1) Complies with federal debarment and suspension requirements; and
- (2) Reviews the SAM at <https://www.sam.gov>, if necessary to comply with U.S. DOT regulations, 2 CFR Part 1200.

DISADVANTAGED BUSINESS ENTERPRISE (DBE)

(Does not apply to projects fully funded by the Tribal Transportation Program (TTP).)

It is the policy of the Agency and the United States Department of Transportation ("DOT") that Disadvantaged Business Enterprises ("DBE's"), as defined herein and in the Federal regulations published at 49 C.F.R. part 26, shall have an equal opportunity to participate in DOT-assisted contracts.

The contractor or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The contractor shall carry out applicable requirements of 49 C.F.R. part 26 in the award and administration of DOT-assisted contracts. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the Agency deems appropriate, which may include, but is not limited to:

- (1) Withholding monthly progress payments;
- (2) Assessing sanctions;
- (3) Liquidated damages; and/or
- (4) Disqualifying the contractor from future bidding as non-responsible. 49 C.F.R. § 26.13(b).

Prime contractors are required to pay subcontractors for satisfactory performance of their contracts no later than 30 days from receipt of each payment the Agency makes to the prime contractor. 49 C.F.R. § 26.29(a).

Finally, for contracts with defined DBE contract goals, the contractor shall utilize the specific DBEs listed unless the contractor obtains the Agency's written consent; and that, unless the Agency's consent is provided, the contractor shall not be entitled to any payment for work or material unless it is performed or supplied by the listed DBE. 49 C.F.R. § 26.53(f) (1).

DOMESTIC PREFERENCES FOR PROCUREMENTS

a. The recipient or subrecipient should, to the greatest extent practicable and consistent with law, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this section must be included in all subawards, contracts, and purchase orders under Federal awards.

b. For purposes of this section:

(1) "Produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.

(2) "Manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

1) "International air transportation" means transportation by air between a place in the United States and a place outside the United States or between two places both of which are outside the United States. 2) "United States" means the 50 States, the District of Columbia, and outlying areas. 3) "U.S.-flag air carrier" means an air carrier holding a certificate under 49 U.S.C. Chapter 411.

b) When Federal funds are used to fund travel, Section 5 of the International Air Transportation Fair Competitive Practices Act of 1974 (49 U.S.C. 40118) (Fly America Act) requires contractors, Agencies, and others use U.S.-flag air carriers for U.S. Government-financed international air transportation of personnel (and their personal effects) or property, to the extent that service by those carriers is available. It requires the Comptroller General of the United States, in the absence of satisfactory proof of the necessity for foreign-flag air transportation, to disallow expenditures from funds, appropriated or otherwise established for the account of the United States, for international air transportation secured aboard a foreign-flag air carrier if a U.S.-flag air carrier is available to provide such services.

c) If available, the Contractor, in performing work under this contract, shall use U.S.-flag carriers for international air transportation of personnel (and their personal effects) or property.

d) In the event that the Contractor selects a carrier other than a U.S.-flag air carrier for international air transportation, the Contractor shall include a statement on vouchers involving such transportation essentially as follows:

Statement of Unavailability of U.S.-Flag Air Carriers

International air transportation of persons (and their personal effects) or property by U.S.-flag air carrier was not available or it was necessary to use foreign-flag air carrier service for the following reasons. See FAR § 47.403. [State reasons]:

e) Contractor shall include the substance of this clause, including this paragraph (e), in each subcontract or purchase under this contract that may involve international air transportation.

INCORPORATION OF FEDERAL TRANSIT ADMINISTRATION (FTA) TERMS

The provisions within include, in part, certain Standard Terms and Conditions required under the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR § 200), whether or not expressly set forth in the preceding contract provisions. All contractual provisions required by DOT, detailed in 2 CFR § 200 or as amended by 2 CFR § 1201, or the most recent version of FTA Circular 4220.1 are hereby incorporated by reference. Anything to the contrary herein notwithstanding, all mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this Contract. The Contractor shall not perform any act, fail to perform any act, or refuse to comply with any request which would cause a violation of the FTA terms and conditions.

NO GOVERNMENT OBLIGATION TO THIRD PARTIES

The Recipient and Contractor acknowledge and agree that, notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of the underlying Contract, absent the express written consent by the Federal Government, the Federal Government is not a party to this Contract and shall not be subject to any obligations or liabilities to the Recipient, Contractor or any other party (whether or not a party to that contract) pertaining to any matter resulting from the underlying Contract. The Contractor agrees to include the above clause in each subcontract financed in whole or in part with Federal assistance provided by the FTA. It is further agreed that the clause shall not be modified, except to identify the subcontractor who will be subject to its provisions.

NOTICE TO FTA AND U.S. DOT INSPECTOR GENERAL OF INFORMATION RELATED TO FRAUD, WASTE, ABUSE, OR OTHER LEGAL MATTERS

If a current or prospective legal matter that may affect the Federal Government emerges, the Recipient must promptly notify the FTA Chief Counsel and FTA

Regional Counsel for the Region in which the Recipient is located. The Recipient must include a similar notification requirement in its Third Party Agreements and must require each Third Party Participant to include an equivalent provision in its subagreements at every tier, for any agreement that is a "covered transaction" according to 2 C.F.R. §§ 180.220 and 1200.220.

(1) The types of legal matters that require notification include, but are not limited to, a major dispute, breach, default, litigation, or naming the Federal Government as a party to litigation or a legal disagreement in any forum for any reason.

(2) Matters that may affect the Federal Government include, but are not limited to, the Federal Government's interests in the Award, the accompanying Underlying Agreement, and any Amendments thereto, or the Federal Government's administration or enforcement of federal laws, regulations, and requirements.

(3) The Recipient must promptly notify the U.S. DOT Inspector General in addition to the FTA Chief Counsel or Regional Counsel for the Region in which the Recipient is located, if the Recipient has knowledge of potential fraud, waste, or abuse occurring on a Project receiving assistance from FTA. The notification provision applies if a person has or may have submitted a false claim under the False Claims Act, 31 U.S.C. § 3729 et seq., or has or may have committed a criminal or civil violation of law pertaining to such matters as fraud, conflict of interest, bribery, gratuity, or similar misconduct. This responsibility occurs whether the Project is subject to this Agreement or another agreement between the Recipient and FTA, or an agreement involving a principal, officer, employee, agent, or Third Party Participant of the Recipient. It also applies to subcontractors at any tier. Knowledge, as used in this paragraph, includes, but is not limited to, knowledge of a criminal or civil investigation by a Federal, state, or local law enforcement or other investigative agency, a criminal indictment or civil complaint, or probable cause that could support a criminal indictment, or any other credible information in the possession of the Recipient.

PROGRAM FRAUD AND FALSE OR FRAUDULENT STATEMENTS AND RELATED ACTS

The Contractor acknowledges that the provisions of the Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. § 3801 et seq. and U.S. DOT regulations, "Program Fraud Civil Remedies," 49 C.F.R. part 31, apply to its actions pertaining to this Project. Upon execution of the underlying contract, the Contractor certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to be made, pertaining to the underlying contract or the FTA assisted project for which this contract work is being performed. In addition to other penalties that may be applicable, the Contractor further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on the Contractor to the extent the Federal Government deems appropriate.

The Contractor also acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with Federal assistance originally awarded by FTA under the authority of 49 U.S.C. chapter 53, the Government reserves the right to impose the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5323(l) on the Contractor, to the extent the Federal Government deems appropriate.

The Contractor agrees to include the above two clauses in each subcontract financed in whole or in part with Federal assistance provided by FTA. It is further agreed that the clauses shall not be modified, except to identify the subcontractor who will be subject to the provisions.

PROHIBITION ON CERTAIN TELECOMMUNICATIONS AND VIDEO SURVEILLANCE SERVICES OR EQUIPMENT.

a) Recipients and subrecipients are prohibited from obligating or expending loan or grant funds to:

- 1) Procure or obtain covered telecommunications equipment or services;
- 2) Extend or renew a contract to procure or obtain covered telecommunications equipment or services; or
- 3) Enter into a contract (or extend or renew a contract) to procure or obtain covered telecommunications equipment or services.

(b) As described in section 889 of Public Law 115-232, "covered telecommunications equipment or services" means any of the following:

- (1) Telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities);
- (2) For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities);
- (3) Telecommunications or video surveillance services provided by such entities or using such equipment;
- (4) Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country;

(c) For the purposes of this section, "covered telecommunications equipment or services" also include systems that use covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

(d) In implementing the prohibition under section 889 of Public Law 115-232, heads of executive agencies administering loan, grant, or subsidy programs must prioritize available funding and technical support to assist affected businesses, institutions and organizations as is reasonably necessary for those affected entities to transition from covered telecommunications equipment or services, to procure replacement equipment or services, and to ensure that communications service to users and customers is sustained.

(e) When the recipient or subrecipient accepts a loan or grant, it is certifying that it will comply with the prohibition on covered telecommunications equipment and services in this section. The recipient or subrecipient is not required to certify that funds will not be expended on covered telecommunications equipment or services beyond the certification provided upon accepting the loan or grant and those provided upon submitting payment requests and financial reports.

(f) For additional information, see section 889 of Public Law 115-232 and 200.471.

PUBLIC TRANSPORTATION EMPLOYEE PROTECTIVE ARRANGEMENTS

The Contractor agrees to comply with the following employee protective arrangements of 49 U.S.C. § 5333(b):

1.U.S. DOL Certification. Under this Contract or any Amendments thereto that involve public transportation operations that are supported with federal assistance, a certification issued by U.S. DOL is a condition of the Contract.

2.Special Warranty. When the Contract involves public transportation operations and is supported with federal assistance appropriated or made available for 49 U.S.C. § 5311, U.S. DOL will provide a Special Warranty for its Award, including its Award of federal assistance under the Tribal Transit Program. The U.S. DOL Special Warranty is a condition of the Contract.

3.Special Arrangements. The conditions of 49 U.S.C. § 5333(b) do not apply to Contractors providing public transportation operations pursuant to 49 U.S.C. § 5310. FTA reserves the right to make case-by-case determinations of the applicability of 49 U.S.C. § 5333(b) for all transfers of funding authorized under title 23, United States Code (flex funds), and make other exceptions as it deems appropriate, and, in those instances, any special arrangements required by FTA will be incorporated herein as required.

PROMPT PAYMENT

(Does not apply to projects fully funded by the Tribal Transportation Program (TTP).)

The contractor is required to pay its subcontractors performing work related to this contract for satisfactory performance of that work no later than 30 days after the contractor's receipt of payment for that work. In addition, the contractor is required to return any retainage payments to those subcontractors within 30 days after the subcontractor's work related to this contract is satisfactorily completed.

The contractor must promptly notify the Agency, whenever a DBE subcontractor performing work related to this contract is terminated or fails to complete its work and must make good faith efforts to engage another DBE subcontractor to perform at least the same amount of work. The contractor may not terminate any DBE subcontractor and perform that work through its own forces or those of an affiliate without prior written consent of the Agency.

RESTRICTIONS ON LOBBYING

Conditions on use of funds.

(a) No appropriated funds may be expended by the recipient of a Federal contract, grant, loan, or cooperative agreement to pay any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any of the following covered Federal actions: the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(b) Each person who requests or receives from an agency a Federal contract, grant, loan, or cooperative agreement shall file with that agency a certification, that the person has not made, and will not make, any payment prohibited by paragraph (a) of this section.

(c) Each person who requests or receives from an agency a Federal contract, grant, loan, or a cooperative agreement shall file with that agency a disclosure form if such person has made or has agreed to make any payment using nonappropriated funds (to include profits from any covered Federal action), which would be prohibited under paragraph (a) of this section if paid for with appropriated funds.

(d) Each person who requests or receives from an agency a commitment providing for the United States to insure or guarantee a loan shall file with that agency a statement, whether that person has made or has agreed to make any payment to influence or attempt to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with that loan insurance or guarantee.

(e) Each person who requests or receives from an agency a commitment providing for the United States to insure or guarantee a loan shall file with that agency a disclosure form if that person has made or has agreed to make any payment to influence or attempt to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with that loan insurance or guarantee.

Unless such person previously filed a certification, and a disclosure form, if required, under paragraph (a) of this section.

(c) Each person shall file a disclosure form at the end of each calendar quarter in which there occurs any event that requires disclosure or that materially affects the accuracy of the information contained in any disclosure form previously filed by such person under paragraphs (a) or (b) of this section. An event that materially affects the accuracy of the information reported includes:

- (1) A cumulative increase of \$25,000 or more in the amount paid or expected to be paid for influencing or attempting to influence a covered Federal action; or
- (2) A change in the person(s) or individual(s) influencing or attempting to influence a covered Federal action; or,

All liability arising from an erroneous representation shall be borne solely by the tier filing that representation and shall not be shared by any tier to which the erroneous representation is forwarded. Submitting an erroneous certification or disclosure constitutes a failure to file the required certification or disclosure, respectively. If a person fails to file a required certification or disclosure, the United States may pursue all available remedies, including those authorized by section 1352, title 31, U.S. Code.

(g) For awards and commitments in process prior to December 23, 1989, but not made before that date, certifications shall be required at award or commitment, covering activities occurring between December 23, 1989, and the date of award or commitment. However, for awards and commitments in process prior to the December 23, 1989 effective date of these provisions, but not made before December 23, 1989, disclosure forms shall not be required at time of award or commitment but shall be filed within 30 days.

(h) No reporting is required for an activity paid for with appropriated funds if that activity is allowable under either subpart B or C.

SAFE OPERATION OF MOTOR VEHICLES

Seat Belt Use

The Contractor is encouraged to adopt and promote on-the-job seat belt use policies and programs for its employees and other personnel that operate company-owned vehicles, company rented vehicles, or personally operated vehicles. The terms "company-owned" and "company-leased" refer to vehicles owned or leased either by the Contractor or Agency.

Distracted Driving

The Contractor agrees to adopt and enforce workplace safety policies to decrease crashes caused by distracted drivers, including policies to ban text messaging while using an electronic device supplied by an employer, and driving a vehicle the driver owns or rents, a vehicle Contractor owns, leases, or rents, or a privately-owned vehicle when on official business in connection with the work performed under this Contract.

SCHOOL BUS OPERATIONS

The contractor agrees to comply with 49 U.S.C. 5323(f), and 49 C.F.R. part 604, and not engage in school bus operations using federally funded equipment or facilities in competition with private operators of school buses, except as permitted under:

3. Any other Federal School Bus regulations; or
4. Federal guidance, except as FTA determines otherwise in writing.

If Contractor violates this School Bus Agreement, FTA may:

2. Require the contractor to take such remedial measures as FTA considers appropriate.

When operating exclusive school bus service under an allowable exemption, the contractor may not use federally funded equipment, vehicles, or facilities.

The Contractor should include the substance of this clause in each subcontract or purchase under this contract that may operate public transportation services.

SIMPLIFIED ACQUISITION THRESHOLD

Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. § 1908, or otherwise set by law, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate. (Note that the simplified acquisition threshold determines the procurement procedures that must be employed pursuant to 2 C.F.R. §§ 200.317–200.327. The simplified acquisition threshold does not exempt a procurement from other eligibility or processes requirements that may apply. For example, Buy America's eligibility and process requirements apply to any procurement in excess of \$150,000. 49 U.S.C. § 5323(j)(13).

SOLID WASTES (RECOVERED MATERIALS)

(a) A Recipient or subrecipient that is a State agency or agency of a political subdivision of a State and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act of 1976 as amended, 42 U.S.C. 6962. The requirements of Section 6002 include procuring only items designated in the guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

(b) The recipient or subrecipient should, to the greatest extent practicable and consistent with law, purchase, acquire, or use products and services that can be reused, refurbished, or recycled; contain recycled content, are biobased, or are energy and water efficient; and are sustainable. This may include purchasing compostable items and other products and services that reduce the use of single-use plastic products. See Executive Order 14057, section 101, Policy.

b. Documents - The State agrees to provide the information required under this provision in the following documents:

- (1) applications for federal assistance,
- (2) requests for proposals or solicitations,

- (4) notifications,
- (5) press releases,
- (6) other publications.

SUBSTANCE ABUSE REQUIREMENTS

The Contractor agrees to establish and implement a drug and alcohol testing program that complies with 49 C.F.R. part 655, produce any documentation necessary to establish its compliance with part 655, and permit any authorized representative of the United States Department of Transportation or its operating administrations, the State Oversight Agency, or Agency, to inspect the facilities and records associated with the implementation of the drug and alcohol testing program as required under 49 C.F.R. part 655 and review the testing process. The Contractor agrees further to certify annually its compliance with part 655 and to submit the Management Information System (MIS) reports to the Agency.

TERMINATION

Termination for Convenience (General Provision)

The Agency may terminate this contract, in whole or in part, at any time by written notice to the Contractor when it is in the Agency's best interest. The Contractor shall be paid its costs, including contract close-out costs, and profit on work performed up to the time of termination. The Contractor shall promptly submit its termination claim to Agency to be paid the Contractor. If the Contractor has any property in its possession belonging to Agency, the Contractor will account for the same, and dispose of it in the manner Agency directs.

Termination for Default [Breach or Cause] (General Provision)

If the Contractor does not deliver supplies in accordance with the contract delivery schedule, or if the contract is for services, the Contractor fails to perform in the manner called for in the contract, or if the Contractor fails to comply with any other provisions of the contract, the Agency may terminate this contract for default. Termination shall be effected by serving a Notice of Termination on the Contractor setting forth the manner in which the Contractor is in default. The Contractor will be paid only the contract price for supplies delivered and accepted, or services performed in accordance with the manner of performance set forth in the contract. If it is later determined by the Agency that the Contractor had an excusable reason for not performing, such as a strike, fire, or flood, events which are not the fault of or are beyond the control of the Contractor, the Agency, after setting up a new delivery of performance schedule, may allow the Contractor to continue work, or treat the termination as a Termination for Convenience.

Opportunity to Cure (General Provision)

The Agency, in its sole discretion may, in the case of a termination for breach or default, allow the Contractor [an appropriately short period of time] in which to cure the defect. In such case, the Notice of Termination will state the time period in which cure is permitted and other appropriate conditions

If Contractor fails to remedy to Agency's satisfaction the breach or default of any of the terms, covenants, or conditions of this Contract within [10 days] after receipt by Contractor of written notice from Agency setting forth the nature of said breach or default, Agency shall have the right to terminate the contract without any further obligation to Contractor. Any such termination for default shall not in any way operate to preclude Agency from also pursuing all available remedies against Contractor and its sureties for said breach or default.

Waiver of Remedies for any Breach

In the event that Agency elects to waive its remedies for any breach by Contractor of any covenant, term or condition of this contract, such waiver by Agency shall not limit Agency's remedies for any succeeding breach of that or of any other covenant, term, or condition of this contract.

Termination for Convenience (Professional or Transit Service Contracts)

The Agency, by written notice, may terminate this contract, in whole or in part, when it is in the Agency's interest. If this contract is terminated, the Agency shall be liable only for payment under the payment provisions of this contract for services rendered before the effective date of termination.

Termination for Default (Supplies and Service)

If the Contractor fails to deliver supplies or to perform the services within the time specified in this contract or any extension, or if the Contractor fails to comply with any other provisions of this contract, the Agency may terminate this contract for default. The Agency shall terminate by delivering to the Contractor a Notice of Termination specifying the nature of the default. The Contractor will only be paid the contract price for supplies delivered and accepted, or services performed in accordance with the manner or performance set forth in this contract. If, after termination for failure to fulfill contract obligations, it is determined that the Contractor was not in default, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of the Agency.

Termination for Default (Transportation Services)

If the Contractor fails to pick up the commodities or to perform the services, including delivery services, within the time specified in this contract or any extension, or if the Contractor fails to comply with any other provisions of this contract, the Agency may terminate this contract for default. The Agency shall terminate by delivering to the Contractor a Notice of Termination specifying the nature of default. The Contractor will only be paid the contract price for services performed in accordance with the manner of performance set forth in this contract.

If this contract is terminated while the Contractor has possession of Agency goods, the Contractor shall, upon direction of the Agency, protect and preserve the goods until surrendered to the Agency or its agent. The Contractor and Agency shall agree on payment for the preservation and protection of goods. Failure to agree on an amount will be resolved under the Dispute clause.

If, after termination for failure to fulfill contract obligations, it is determined that the Contractor was not in default, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of the Agency.

Termination for Default (Construction)

If the Contractor refuses or fails to prosecute the work or any separable part, with the diligence that will ensure its completion within the time specified in this contract or any extension or fails to complete the work within this time, or if the Contractor fails to comply with any other provision of this contract, Agency may terminate this contract for default. The Agency shall terminate by delivering to the Contractor a Notice of Termination specifying the nature of the default. In this event, the Agency may take over the work and compete it by contract or otherwise, and may take possession of and use any materials, appliances, and plant on the work site necessary for completing the work. The Contractor and its sureties shall be liable for any damage to the Agency resulting from the Contractor's refusal or failure to complete the work within specified time, whether or not the Contractor's right to proceed with the work is terminated. This liability includes any increased costs incurred by the Agency in completing the work.

The Contractor's right to proceed shall not be terminated nor shall the Contractor be charged with damages under this clause if: 1. The delay in completing the work arises from unforeseeable causes beyond the control and without the fault or negligence of the Contractor. Examples of such causes include: acts of God, acts of Agency, acts of another contractor in the performance of a contract with Agency, epidemics, quarantine restrictions, strikes, freight embargoes; and 2. The Contractor, within [10] days from the beginning of any delay, notifies Agency in writing of the causes of delay. If, in the judgment of Agency, the delay is excusable, the time for completing the work shall be extended. The judgment of Agency shall be final and conclusive for the parties, but subject to appeal under the Disputes clause(s) of this contract. 3. If, after termination of the Contractor's right to proceed, it is determined that the Contractor was not in default, or that the delay was excusable, the rights and obligations of the parties will be the same as if the termination had been issued for the convenience of Agency.

Termination for Convenience or Default (Architect and Engineering)

The Agency may terminate this contract in whole or in part, for the Agency's convenience or because of the failure of the Contractor to fulfill the contract obligations. The Agency shall terminate by delivering to the Contractor a Notice of Termination specifying the nature, extent, and effective date of the termination. Upon receipt of the notice, the Contractor shall (1) immediately discontinue all services affected (unless the notice directs otherwise), and (2) deliver to the Agency's Contracting Officer all data, drawings, specifications, reports, estimates, summaries, and other information and materials accumulated in performing this contract, whether completed or in process. Agency has a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, all such data, drawings, specifications, reports, estimates, summaries, and other information and materials.

If the termination is for the convenience of the Agency, the Agency's Contracting Officer shall make an equitable adjustment in the contract price but shall allow no anticipated profit on unperformed services.

If the termination is for failure of the Contractor to fulfill the contract obligations, the Agency may complete the work by contract or otherwise and the Contractor shall be liable for any additional cost incurred by the Agency.

If, after termination for failure to fulfill contract obligations, it is determined that the Contractor was not in default, the rights and obligations of the parties shall

be the same as if the termination had been issued for the convenience of Agency

Termination for Convenience or Default (Cost-Type Contracts)

The Agency may terminate this contract, or any portion of it, by serving a Notice of Termination on the Contractor. The notice shall state whether the termination is for convenience of Agency or for the default of the Contractor. If the termination is for default, the notice shall state the manner in which the Contractor has failed to perform the requirements of the contract. The Contractor shall account for any property in its possession paid for from funds received from the Agency, or property supplied to the Contractor by the Agency. If the termination is for default, the Agency may fix the fee, if the contract provides for a fee, to be paid the Contractor in proportion to the value, if any, of work performed up to the time of termination. The Contractor shall promptly submit its termination claim to the Agency and the parties shall negotiate the termination settlement to be paid the Contractor.

If the termination is for the convenience of Agency, the Contractor shall be paid its contract close-out costs, and a fee, if the contract provided for payment of a fee, in proportion to the work performed up to the time of termination.

If, after serving a Notice of Termination for Default, the Agency determines that the Contractor has an excusable reason for not performing, the Agency, after setting up a new work schedule, may allow the Contractor to continue work, or treat the termination as a Termination for Convenience.

VIOLATION AND BREACH OF CONTRACT

Disputes:

Disputes arising in the performance of this Contract that are not resolved by agreement of the parties shall be decided in writing by the authorized representative of the agency. This decision shall be final and conclusive unless within [10] days from the date of receipt of its copy, the Contractor mails or otherwise furnishes a written appeal to the agencies authorized representative. In connection with any such appeal, the Contractor shall be afforded an opportunity to be heard and to offer evidence in support of its position. The decision of the agencies authorized representative shall be binding upon the Contractor and the Contractor shall abide by the decision.

Performance during Dispute:

Unless otherwise directed by the agencies authorized representative, contractor shall continue performance under this contract while matters in dispute are being resolved.

Claims for Damages:

Should either party to the contract suffer injury or damage to person or property because of any act or omission of the party or of any of his employees, agents or others for whose acts he is legally liable, a claim for damages therefore shall be made in writing to such other party within a reasonable time after the first observance of such injury or damage.

Remedies:

Unless this contract provides otherwise, all claims, counterclaims, disputes and other matters in question between the agencies authorized representative and contractor arising out of or relating to this agreement or its breach will be decided by arbitration if the parties mutually agree, or in a court of competent jurisdiction within the State in which the Agency is located.

Rights and Remedies:

Duties and obligations imposed by the contract documents and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law. No action or failure to act by the Agency or contractor shall constitute a waiver of any right or duty afforded any of them under the contract, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach thereunder, except as may be specifically agreed in writing.

INTERGOVERNMENTAL AGREEMENT BY AND BETWEEN THE GEORGIA TRANSPORTATION
EFFICIENCY AUTHORITY AND GWINNETT COUNTY FOR COMMUTER OPERATIONS IN
GWINNETT COUNTY

THIS INTERGOVERNMENTAL AGREEMENT ("Agreement"), effective as of July 1, 2026 (the "Effective Date"), is made by and between the Georgia Transportation Efficiency Authority ("GTEA"), an authority of the State of Georgia, and Gwinnett County ("Gwinnett"), a political subdivision in the State of Georgia. GTEA and Gwinnett may collectively be referred to as the "Parties" and individually as the "Party."

WITNESSETH:

WHEREAS, Gwinnett participated in the Atlanta-Region Transit Link Authority ("ATL") Xpress' planning study, "Redefining the Ride" ("study"), beginning in 2023; and

WHEREAS the study's focus was to evaluate the metro Atlanta commuter services to find and correct inefficiencies following the decline in ridership after the 2020 COVID-19 pandemic; and

WHEREAS, on January 13, 2025, after completion of the study's review of ridership patterns, a realignment of routes was proposed as part of the final recommendations and adopted by the ATL Board on April 3, 2025; and

WHEREAS, one of the recommendations from the study was for the consolidation of the current separate services operated by ATL and Ride Gwinnett along Interstate 85 North Corridor; and

WHEREAS, as a result of the consolidation of these services, the operation of Gwinnett's Ride Gwinnett commuter service along Interstate 85 North Corridor will be transitioned to ATL on or before June 16, 2025; and

WHEREAS, as required pursuant to the Federal Transit Administration ("FTA"), Gwinnett and ATL conducted a Title VI service equity analysis regarding the service changes; and

WHEREAS, Gwinnett through its Board of Commissioners on April 15, 2025, approved the Ride Gwinnett Commuter Service Change Title VI Equity Analysis and authorized the recommended commuter service change of discontinuing its commuter service operations with Xpress becoming the sole provider of regional commuter services along the Interstate 85 North Corridor; and

WHEREAS, ATL and Gwinnett entered into a new agreement whereby ATL , as part of its contract with Transdev Services, Inc. (the "Contractor"), engaged the Contractor and/or any successor to Contractor, to operate all of the Commuter Service in Gwinnett County, and

WHEREAS, in order to assist in performing commuter service, ATL entered into an Operations and Maintenance Agreement, effective as of July 1, 2021, with Contractor, to provide

transit system operations and maintenance services ("Contractor Contract") on commuter routes; and

WHEREAS, ATL and Gwinnett entered into an agreement, effective June 15, 2025, in order to reflect Xpress's new service levels determined as part of the Redefining the Ride – Xpress 2.0 effort and recent service modifications to the Ride Gwinnett system due to reduction in commuter service demand, effective June 16, 2025; and

WHEREAS, on May 12, 2026, Georgia House Bill 297 was signed into law by Governor Brian Kemp, officially creating one entity by combining ATL and Georgia Regional Transportation Authority ("GRTA") under the name of the Georgia Transportation Efficiency Authority ("GTEA"); and

WHEREAS, as of May 12, 2026, the Georgia Transportation Efficiency Authority began operating the regional express commuter bus service, that was previously operated by ATL, known as "Xpress"; and

WHEREAS, on May 12, 2026, all contracts and agreements including the previously mentioned agreement effective June 15, 2025, between ATL and Gwinnett were transferred to GTEA; and

WHEREAS, GTEA and Gwinnett desire to enter into a new agreement and intend that this Agreement shall state the obligations of each Party; and

WHEREAS, the Parties intend that this Agreement shall provide for the appropriate use, control and compliance with federal rules and regulations for the facilities and equipment acquired using Federal Transit Administration ("FTA") Grants for the GTEA operated portion of the commuter service and that GTEA shall ensure compliance with all applicable FTA rules pursuant to this Agreement; and

WHEREAS, the Constitution authorizes intergovernmental agreements whereby state and local governments may contract without one another "for joint services, for the provision of services, or for the joint or separate use of facilities or equipment; but such contracts must deal with activities, services or facilities which the parties are authorized by law to undertake or provide." Ga. Const. Art. IX, 5111, II I(a); and

WHEREAS, GTEA and Gwinnett desire to enter into this agreement to state each Party's obligations; and

WHEREAS, the GTEA is a state authority established under O.C.G.A. § 50-39-3 and authorized to enter into agreements with local governments.

NOW THEREFORE, for and in consideration of the mutual promises, the public purposes and acknowledgements and agreements contained herein, together with other good and valuable consideration, the receipt of which are hereby acknowledged, the Parties agree as follows:

- 1. RECITALS. The recitals set forth above are true and correct and are incorporated into this Agreement.

2. INCLUSION AND PRIORITY OF DOCUMENTS. The Contractor Price Schedule, which is incorporated herein by reference as Exhibit 1 and this Agreement (including all Amendments, documents and exhibits referenced in this Agreement) shall collectively be called the "Agreement Documents." In the event of a conflict among the Agreement Documents, then this Agreement shall control over the Contractor Contract.

3. XPRESS SERVICE. GTEA agrees to provide for the operations and maintenance of the buses required to provide the Xpress Service in Gwinnett County, on Gwinnett's behalf. GTEA shall provide the buses necessary to provide such Xpress Service. The Xpress commuter bus service shall be provided under the terms and conditions of this Agreement and, where applicable, according to the Contractor Contract with Transdev Services, Inc. GTEA shall cooperate and coordinate with Gwinnett on all matters relating to operations, monitoring, reporting, and service performance measures of the Xpress Service operated in Gwinnett County. GTEA agrees to enforce the applicable provisions of the Contractor Contract, or any future contractor contract, as it may be applied to the Xpress Service portion of services. GTEA shall provide Gwinnett with a fuel utilization report showing a cost per gallon, on a monthly basis, that excludes the cost of any Fuel attributed to an emergency requisition of Xpress Service vehicles by GTEA.

4.7 Reserved.

4.8 Federal and State Regulations. GTEA shall be responsible for the operation of the Xpress Service in full compliance with all applicable federal and state laws, rules, and regulations. GTEA shall operate the Xpress Service in accordance with the FTA rules and regulations.

GTEA shall be responsible for ensuring that all reported NTD data is accurate and meets FTA requirements and definitions. Monthly Operations Summary Reports. No later than 1:00 PM on the 10th day of each month, GTEA and/or Contractor shall submit a Monthly Operations Summary Report (in a format approved by GTEA and Gwinnett). This report shall be relative to the Gwinnett portion of the service level cost share; including but not necessarily limited to:

- Number of accidents involving Xpress routes and/or buses, whether in or out of service, whether on the road or on the yard, identified by bus number, route number (if applicable), block number and trip affected, location of the accident, and preventability (preventable or non-preventable) determination;

4.10 Risk of Loss and Contractor Insurance. The Parties intend that Contractor shall have sole responsibility for risk of loss to GTEA and Xpress Service buses/vehicles and associated on-bus technology/equipment and software. GTEA and Gwinnett agree that the Operations and Maintenance Agreement require Contractor to maintain adequate insurance, including insurance contemplated in this Agreement.

4.11 Providing Information to and Securing Information and Documentation from the Contractor. GTEA shall be responsible for notifying the Contractor that GTEA will be operating all Xpress commuter service, and GTEA shall be responsible for providing detailed information to the Contractor about the service and buses. GTEA shall also be responsible for securing agreement from the Contractor with respect to the provision of services for the applicable portions of the Xpress Service and GTEA's buses under the same terms and conditions as are outlined in the Operations and Maintenance Agreement.

5. SERVICE LEVELS AND OTHER OBLIGATIONS.

5.1 GTEA Xpress Bus Routes and Fares. The agreed-upon current and possible future routes are set forth in Exhibit 2. The agreed-upon annual service levels, routes, and hours are included in Exhibit 2, as may be amended. GTEA reserves the right to amend the Xpress fare structure, at any time during the Term of this Agreement, upon ninety (90) days' written notice.

5.2 Gwinnett Invoicing. GTEA will invoice Gwinnett for "commuter route" Xpress service provided by the Contractor in the Contractor Contract based on a calculation of revenue hours and rate of the Contractor Contract. The revenue hour rate shall be the same for the Xpress routes as is identified for the remainder of GTEA's express route service. The service levels shall be as set forth in Exhibit 1, as may be amended. Gwinnett will reimburse GTEA based on the commuter route service costs, minus farebox revenue, Breeze card transaction sales, and any liquidated damages assessed for Xpress service by percentage of each route as identified in Exhibit 2 (this calculation shall be defined as "Net Operating Costs").

5.3 GTEA will invoice Gwinnett on a quarterly basis based on cost sharing outlined in Exhibit 1. Gwinnett shall make payments for undisputed amounts to GTEA within thirty (30) calendar days after receipt of each invoice, all required reports, and documentation, which must be submitted to Gwinnett by GTEA or its Contractor, as applicable.

5.4 Maximum Compensation. The total maximum compensation from Gwinnett to GTEA for the Initial Term of this Agreement is Two Million Eight Hundred Ten Thousand Eight Hundred Seventy Dollars and Zero Cents (\$2,810,670) as set forth in Exhibit 2. In no event shall compensation exceed this amount for the Initial Term.

5.5 Service Changes. GTEA reserves the right to modify existing Xpress Service levels during the Initial Term, and any Renewal Term, if applicable, of this Agreement to include termination of some or all Xpress Service routes due to unavailability of funding, customer needs, and changing service standards. GTEA agrees to consider future recommendations suggested by Gwinnett. Gwinnett agrees that GTEA may subtract any number of routes from the Xpress Service routes currently published and cease to provide such service. Prior to any changes in Xpress Service operated in Gwinnett County, GTEA and Gwinnett shall meet to discuss and coordinate the desired changes, as well as agree on any changes with cost sharing and thereafter, such changes shall be implemented by GTEA, provided, however, that all such changes comply with all applicable Collective Bargaining Agreements, Purchased Transportation Agreements and FTA rules and regulations.

5.6 Mutual Aid. The Parties agree to assist each other in the event of an emergency or where one Party has requested assistance be provided to facilitate the rapid mobilization of vehicles, personnel, equipment, and supplies. If confronted with an emergency situation, an authorized GTEA or Gwinnett employee may request, in writing, assistance from the other party ("Requesting Party") by contacting the other party's Transit Operations Manager ("Responding Party"). Upon receipt of such a written request, the Transit Operations Manager of the Responding Party shall immediately take the following actions:

- a) determine if the Responding Party has vehicles, personnel, equipment, and supplies available to respond to the Requesting Party; and
- b) determine what available vehicles, personnel, equipment, and supplies should be dispatched; and
- c) once the appropriate assistance has been identified, the Responding Party shall dispatch the vehicles, personnel, equipment, and supplies requested or if there is no availability, the Responding Party shall inform the Requesting Party as soon as practicable recognizing that time is critical in such emergency situations.

6. COMMENCEMENT DATE AND TERM. This Agreement shall begin on the Effective Date and continue through June 30, 2027, unless terminated sooner ("Initial Term"). The Parties may elect to renew this Agreement on the same terms and conditions for up to two (2) additional renewal periods with a term of up to two (2) years each, with one (1) year prior written notice of intent to renew to the other Party (a "Renewal Term"). Any renewal must be made in writing and signed by both Parties. The Initial Term and any and all Renewal Term(s) may be referred to collectively as the "Term."

7. TERMINATION. Either Party may terminate this Agreement for any reason with one hundred twenty (120) days written notice. Either Party may terminate this Agreement for cause based on the default of the other party, in the same manner as specified in the Contractor Contract. Termination of this Agreement shall not affect the Contractor Contract. Unless set forth in this Agreement, no breach, default, or failure to perform by GTEA or Gwinnett shall constitute a breach, default, or failure to perform under this Agreement. Termination of the Contractor Contract shall not constitute termination of this Agreement. Provisions of this Agreement which by their nature should survive the termination of the Agreement will survive any termination of this Agreement. If any term of this Agreement is found invalid, illegal or unenforceable by a court of competent jurisdiction, such invalidity, illegality or unenforceability shall not affect any other term of this Agreement or invalidate or render unenforceable such term in any other jurisdiction.

8. DISPUTE RESOLUTION. The Parties shall make reasonable efforts to settle any dispute arising under this Agreement. The Parties shall seek to resolve all such disputes expeditiously and in good faith. In the event that any party determines that the parties are unable to resolve a dispute involving an alleged failure to perform or other alleged breach of this Agreement, the disputing Party must furnish a written notice to the other Party, setting forth in detail the dispute. Such notice must be addressed, if to GTEA to the Executive Director, and if to Gwinnett County, to its Director of Gwinnett County Department of Transportation (DOT), at the addresses given below. Within five (5) days after the receipt of the notice by the receiving Party, the two Parties Transit Division Manager's shall meet in GTEA's offices to attempt to resolve the dispute. If the Parties cannot resolve the dispute then, within ten (10) days of receipt of such notice, the Executive Director of GTEA and Gwinnett's DOT Director shall meet in GTEA's offices to attempt to resolve the dispute. If the Executive Director of GTEA and Gwinnett's DOT Director cannot resolve the dispute or otherwise agree to extend the time within which to attempt to resolve the dispute, then they may pursue any such remedy as may be available under the laws of the State of Georgia. Notwithstanding the foregoing, in the event that the statute of limitations, or other applicable limitation period, would run and/or expire during the required dispute resolution period, either Party may institute litigation so as to avoid the running of such limitation period upon the condition that such Party immediately seek a stay of such litigation pending the conclusion of the dispute resolution period.
