Under Other Business, Chairman Ellis asked if there were any Administrative and Policy updates. Mr. Alcock informed the Board that there are four vacant appraiser positions. Three appraiser positions were vacant at the last BOA meeting. However, since the previous meeting, a residential position became vacant on 10/28/23 after promoting a residential appraiser into the Personal Property Manager role. The current plan is to fill the vacant appraiser positions focused on Real Property (Commercial and Residential). We expect to have an opportunity to hire an additional Personal Property appraiser by April 2024. Budget requests have been made for 3 appraisers, a program analyst, and an administrative support associate in 2024. Regarding projects, the Property Deed Transfer Solution and Taxpayer Interactive Website Portal for Tax Assessor are on hold, awaiting the 2024 Capital Budget decisions for funding. The CAMA Consulting project with Guidehouse has moved forward and the RFP language is being drafted. Because there has not yet been Capital project funding allocated to the project, the project will pause until we can take the project through governance in 2024. If funding is approved during 2024 for the 2025 budget year, the project will pick back up at that later time.

Chairman Ellis asked if there was any other business to be discussed. There being none, Mr. Cooper made the motion to adjourn. Mr. Manning seconded and so carried unanimously.
