

March 2021

**NOTICE OF  
PRE-QUALIFICATION OF LICENSED UTILITY CONTRACTORS  
FOR THE INSTALLATION, REPLACEMENT AND/OR RELOCATION OF  
GRAVITY SANITARY SEWER MAINS, FORCE MAINS AND APPURTENANCES**

The Gwinnett County Board of Commissioners is soliciting applications from Licensed Utility Contractors for pre-qualification to furnish labor, materials and equipment for the installation, replacement and/or relocation of gravity sanitary sewer mains, force mains, and appurtenances at various locations throughout Gwinnett County.

Special Conditions: The Gwinnett County Department of Water Resources shall comply with O.C.G.A § 36-91-20, as amended, for **mandatory pre-qualification** of prospective bidders. Therefore, interested applicants should obtain a Pre-Qualification Application from the Gwinnett County Purchasing Office, 75 Langley Drive, Lawrenceville, Georgia 30046 [Contact: Kaley Ivins, CPPB, Purchasing Manager, via Telephone (770) 822-8732, or email: [Kaley.Ivins@gwinnettcounty.com](mailto:Kaley.Ivins@gwinnettcounty.com).] Applications will be evaluated based on established criteria listed in this application. All qualified and disqualified applicants will be notified in writing. Contractors will be considered “pre-qualified” upon issuance of the Notification of Pre-Qualification. Contractors under consideration for pre-qualification may NOT submit bids for projects that have advertised prior to the contractor’s receipt of a notice of pre-qualification. The term of the pre-qualification will expire on July 31, 2022 or when the County determines otherwise.

Questions regarding pre-qualification applications should be directed to Kaley Ivins. Applications may be mailed to the Gwinnett County Purchasing Division or submitted via email to Kaley Ivins. The review and approval process will require approximately three weeks from the date the application is received by the Gwinnett County Purchasing Division. Any firm not pre-qualified may direct concerns to Kaley Ivins.

Applicant’s qualification will be determined based upon the information presented. All questions must be answered in full, without exception. Failure to do so will result in the applicant being deemed non-responsive, and the application returned to the applicant for completion; and applicant will not be considered for pre-qualification until such time as a complete application is submitted.

Although the Purchasing Division will take effort to notify pre-qualified Contractors of bids that are based on the established criteria of the application, it is ultimately the Contractor’s responsibility to ensure that they remain abreast of Gwinnett County’s solicitations. Depending on the scope and complexity of work to be performed, individual projects may require a project-specific pre-qualification, independent of the standard pre-qualification process.

**GWINNETT COUNTY DEPARTMENT OF WATER RESOURCES**

COMPANY NAME: \_\_\_\_\_  
APPLICATION FOR PRE-QUALIFICATION  
PAGE: PQ 2

---

**APPLICATION FOR PRE-QUALIFICATION  
TO BID  
GWINNETT COUNTY DEPARTMENT OF WATER RESOURCES CONSTRUCTION PROJECTS**

---

Date of Application: \_\_\_\_\_

Project Name: **Pre-qualification of Contractors for the Installation, Replacement and/or Relocation of Gravity Sanitary Sewer Mains, Force Mains and Appurtenances**

Type of Project: Gravity Sanitary Sewer Mains, Force Mains and Appurtenances

Description: Qualify Licensed Utility Contractors to furnish labor, materials and equipment for the installation, replacement and/or relocation of gravity sanitary sewer mains, force mains and appurtenances at various locations in Gwinnett County.

Owner Name: Gwinnett County

Applicant Name: \_\_\_\_\_

**NOTE:** Gwinnett County reserves the right to approve all personnel provided by the Approved Licensed Utility Contractor including, but not limited to, Project Managers, Project Superintendents, and Subcontractors for any portion of work resulting from this pre-qualification process.

**I. INSTRUCTIONS**

- A. Applicant SHALL NOT attach information in lieu of completion of the application document. All information requested by the County SHALL be provided within the application document; however, additional pages may be attached if more space is required (or if additional projects are necessary to demonstrate ability), or as otherwise instructed within the application document. All additional pages SHOULD be clearly labeled with the applicant's name, pre-qualification application title, and page number.
- B. If necessary, applicant should submit additional projects to prove all pre-qualification requirements are met.
- C. Reference projects must be complete prior to submittal of pre-qualification application.
- D. Applicant's qualification will be determined based upon the information presented. All questions must be answered in full, without exception. Failure to do so may result in the applicant being deemed non-responsive, and the application returned to the applicant for completion; and applicant will not be considered for pre-qualification until such time as a complete application is submitted.
- E. Only complete and accurate information shall be provided by the Applicant. The Applicant hereby warrants that, to the best of its knowledge and belief, the responses contained herein are true, accurate, and complete. The Applicant should complete the Applicant Certification included in this packet. The Applicant also acknowledges that the Owner is relying on the truth and accuracy of the responses contained herein. If it is later discovered that any material information provided by the Applicant given in response to a question, knowing it was false, shall constitute grounds for immediate disqualification and termination or rescission by the Owner of any subsequent agreement between the Owner and the Applicant. The Owner shall also have and retain any other remedies provided by law.
- F. If there are any questions concerning the completion of this form, the Applicant is encouraged to contact the Owner's representative: Kaley Ivins, CPPB, Purchasing Manager, Gwinnett County Purchasing Division, via email at [Kaley.Ivins@gwinnettcounty.com](mailto:Kaley.Ivins@gwinnettcounty.com) or telephone at 770-822-8732.
- G. Poor performance of pre-qualified contractors will be reviewed by the Vendor Performance Committee and/or the Purchasing Policy & Review Committee and could result in the contractor being removed from the pre-qualified vendor list for the remainder of the term of the pre-qualification or as otherwise determined by the committee. In addition, the contractor may be placed on the Ineligible Source List.
- H. Corporations (including principal/corporate officers), Partners, and/or Individuals interested in being considered for pre-qualification with Gwinnett County SHALL NOT be currently under indictment for criminal misconduct involving any local, state or federal government entity.

**II. GENERAL BACKGROUND**

A. Current name and address of Applicant:

- 1. Applicant Name: \_\_\_\_\_  
Mailing Address: \_\_\_\_\_  
City: \_\_\_\_\_  
State and Zip: \_\_\_\_\_  
Business Address: \_\_\_\_\_  
City: \_\_\_\_\_  
State and Zip: \_\_\_\_\_  
Contact Person: \_\_\_\_\_  
Telephone and Fax: \_\_\_\_\_  
E-mail: \_\_\_\_\_

2. Applicant is: Licensed to conduct utility business in the State of Georgia?

Yes \_\_\_\_\_  
No \_\_\_\_\_

If Yes, Provide Applicants State of Georgia  
Utility License Number: \_\_\_\_\_

B. Principals/Officers/Individuals authorized to sign contracts:

Name and Title: \_\_\_\_\_  
Name and Title: \_\_\_\_\_  
Name and Title: \_\_\_\_\_

C. Is applicant currently under indictment for criminal misconduct involving any local, state or federal government entity? \_\_\_\_\_

Has applicant ever been indicted involving any local, state or federal government entity? \_\_\_\_\_

If so, what was the disposition of the charges? \_\_\_\_\_

**III. MINIMUM PRE-QUALIFICATION CRITERIA**

Contractors can submit and be qualified on all sub-sections, *or* specific sub-sections, which directly relate to their firm's experience only. Experience claimed for current personnel, while they were employed by another firm, WILL NOT be accepted. Please note that approval on limited sub-sections will restrict notification of projects to that type of work, only. The various sub-sections are as follows. Beginning on the following pages, list projects as noted below:

- 1) Gravity sanitary sewer mains (small) 8” to 12” diameter and appurtenances
    - PQ8 through PQ10
  - 2) Gravity sanitary sewer mains (large) greater than 12” diameter and appurtenances
    - PQ11 through PQ13
- 
- 3) Force mains (small) 4” to less than 16” diameter and appurtenances.
    - PQ14 through PQ16
  - 4) Force mains (large) 16” and greater diameter and appurtenances.
    - PQ17 through PQ19

**NOTE: If a Contractor is approved for Sub-section 2 above, then they are automatically approved for Sub-section 1. If a Contractor is approved for Sub-section 4 above, then they are automatically approved for Sub-section 3.**

**Sub-section 1) Gravity Sanitary Sewer Mains (Small):**

The satisfactory completion of:

Requirement Met?		Requirement
Yes	No	Three (3) gravity sanitary sewer main projects consisting of 8” to 12” diameter pipe and appurtenances, of 500 linear feet or more per project, within the past eight (8) years.
Yes	No	Three (3) projects where the applicant <i>must</i> have been the Licensed Utility Contractor.
Yes	No	Two (2) projects that <i>must</i> have involved coordination and work in conjunction with other utilities.
Yes	No	One (1) project that <i>must</i> have been performed directly for a utility or other government entity.
Yes	No	Two (2) projects that <i>must</i> have been constructed within the right-of-way and/or at a road intersection, and required traffic diversion/maintenance.
Yes	No	Two (2) projects that <i>must</i> have included the adjustment of manhole ring and cover.
Yes	No	Two (2) projects that <i>must</i> have had rock excavation.
Yes	No	Two (2) projects that <i>must</i> have been constructed in an established landscaped area and involved the restoration of landscaping.
Yes	No	Two (2) projects that <i>must</i> have included raw sewage bypass pumping.

**Sub-section 2) Gravity Sanitary Sewer Mains (Large):**

The satisfactory completion of:

Requirement Met?		Requirement
Yes	No	Three (3) gravity sanitary sewer main projects consisting of <i>greater than 12"</i> diameter pipe and appurtenances, of 1,000 linear feet or more per project, within the past eight (8) years.
Yes	No	Three (3) projects where the applicant <i>must</i> have been the Licensed Utility Contractor.
Yes	No	Two (2) projects that <i>must</i> have involved coordination and work in conjunction with other utilities.
Yes	No	One (1) project that <i>must</i> have been performed directly for a utility or other government entity.
Yes	No	Two (2) projects that <i>must</i> have been constructed within the right-of-way and/or at a road intersection, and required traffic diversion/maintenance.
Yes	No	Two (2) projects that <i>must</i> have included the adjustment of manhole ring and cover.
Yes	No	Two (2) projects that <i>must</i> have had rock excavation.
Yes	No	Two (2) projects that <i>must</i> have been constructed in an established landscaped area and involved the restoration of landscaping.
Yes	No	Two (2) projects that <i>must</i> have included raw sewage bypass pumping.

**Sub-section 3) Force Mains (Small):**

The satisfactory completion of:

Requirement Met?		Requirement
Yes	No	Three (3) pressurized force main projects consisting of 4" <i>to less than 16"</i> diameter ductile iron pipe (DIP) and appurtenances, of 500 linear feet or more per project, within the past eight (8) years.
Yes	No	Three (3) projects where the applicant <i>must</i> have been the Licensed Utility Contractor.
Yes	No	Two (2) projects that <i>must</i> have involved coordination and work in conjunction with other utilities.
Yes	No	One (1) project that <i>must</i> have been performed directly for a utility or other government entity.
Yes	No	Three (3) projects that <i>must</i> have been constructed within the right-of-way and/or at a road intersection, and required traffic diversion/maintenance.
Yes	No	Two (2) projects that <i>must</i> have included wet tie-in.
Yes	No	Two (2) projects that <i>must</i> have had rock excavation.
Yes	No	Two (2) projects that <i>must</i> have been constructed in an established landscaped area and involved the restoration of landscaping.
Yes	No	Two (2) projects that <i>must</i> have included raw sewage bypass pumping.

**Sub-section 4) Force Mains (Large):**

The satisfactory completion of:

Requirement Met?		Requirement
Yes	No	Three (3) pressurized force main projects consisting of 16" <i>or greater</i> diameter ductile iron pipe (DIP) and appurtenances, of 1,000 linear feet or more per project, within the past eight (8) years.
Yes	No	Three (3) projects where the applicant <i>must</i> have been the Licensed Utility Contractor.
Yes	No	Two (2) projects that <i>must</i> have involved coordination and work in conjunction with other utilities.
Yes	No	One (1) project that <i>must</i> have been performed directly for a utility or other government entity.
Yes	No	Three (3) projects that <i>must</i> have been constructed within the right-of-way and/or at a road intersection, and required traffic diversion/maintenance.
Yes	No	Two (2) projects that <i>must</i> have included wet tie-in.
Yes	No	Two (2) projects that <i>must</i> have had rock excavation.
Yes	No	Two (2) projects that <i>must</i> have been constructed in an established landscaped area and involved the restoration of landscaping.
Yes	No	Two (2) projects that <i>must</i> have included raw sewage bypass pumping.
