Addendum #1
Country Club of Gwinnett #1 Pump Station Improvements
BL046-20

Regarding a prebid, the project site is publically accessible at the address indicated in the bid documents. Prospective bidders are open to visit the site individually and without accompaniment by the Owner, and to observe the site conditions without entering the pump station fence. Vehicle traffic for pre-bid site visits must stay within the paved areas and off of the grass shoulders, and should be limited to one vehicle on the driveway to the pump station at a time. After driving to the end of the pump station road, prospective bidders may proceed on foot around the pump station fence to observe the site.

Various pictures of the site and inside the vault are posted on our FTP site.

To access the documents on the FTP site, please use the following access information.
