REQUIREMENTS
GWINNETT COUNTY MEDICAL EXAMINER**

I. Request for Proposals.

The Gwinnett County Board of Commissioners is soliciting a Request for Proposals from individuals to provide Medical Examiner services on a Five-Year Contract for various Gwinnett County Departments.

The services to be performed under this Agreement shall commence on January 01, 2021. The initial term of this Agreement shall be through December 31, 2021. This Agreement shall terminate absolutely and without further obligation on the part of the County at the close of the calendar year of execution and at the close of each succeeding calendar year of renewal, if renewed. This Agreement shall be automatically renewed upon the same terms and conditions unless the County terminates the Agreement on the day of the close of the calendar year in which it was executed or within sixty (60) days after the day of the close of the calendar year of execution or of each succeeding calendar year for which it may be renewed, for a total lifetime obligation of 5 years. If applicable, title to any supplies, materials, equipment or other personal property shall remain in the vendor until fully paid for by the County. In addition, this Agreement will terminate immediately and absolutely when appropriated and otherwise unobligated funds are no longer available to satisfy the obligations of the County under the Agreement. Any obligation of the County hereunder is only for such sums payable during the calendar year of execution or each calendar year of renewal, if renewed.

Gwinnett County reserves the right to reject any or all proposals, in whole or in part, to request clarifications, to negotiate changes in the scope of services, and to waive any technicalities as deemed in its best interest.

II. Qualifications.

Companies/individuals shall have an office located in Gwinnett County and sufficient medical and non-medical personnel to provide medical examiner service. The selected company shall act as an independent contractor and not an employee of Gwinnett County. The Medical Examiner shall be required to provide proof of adequate malpractice insurance coverage for all pathologists and forensic pathologists (minimum \$1 million) and proof of adequate liability insurance coverage (minimum \$500,000) for all other areas and employees.

Individuals/companies shall have a minimum of five years experience in providing Forensic Pathology service. Experience in providing medical examiner service to a local government similar in size to Gwinnett County is preferred. Respondents to this Request for Proposals shall provide resumes of all staff who would be involved in providing this service.

III. Scope of Contract.

In the performance of its public functions as a political subdivision of Georgia, Gwinnett County maintains an Office of County Medical Examiner required by law to determine the cause, manner and circumstances of death of persons as directed by the provisions of the Georgia Post-Mortem Examination Act, Title 45, Chapter 16, Article 2, Official Code of Georgia.

The County has met this requirement by contracting with an outside provider to furnish a medical examiner and qualified associates. An attachment shows performance data from 2015 through 2019.

The Medical Examiner performs autopsies at the Gwinnett County Medical Examiner's Office in Lawrenceville, GA. County-owned equipment is available. Operating supplies are furnished by the Medical Examiner.

IV. Additional Requirements

The Proposal should be responsive to the specific range of issues described in this Request for Proposals. Proposers are asked to read the entire proposal solicitation carefully to ensure that they address the specific requirements of this RFP and submit all requested information. Proposal packages should include the following information:

- A. Personnel. Successful proposer shall provide a sufficient number of physicians and surgeons licensed to practice medicine in Georgia who are appointed by the Georgia State Crime Laboratory as Medical Examiners and possess a reasonable amount of skill, diligence, training and experience in the performance of the duties listed below. Their practice shall be limited to the field of Forensic Pathology. Gwinnett County currently has three (3) Forensic Pathologists, with one available 24 hours per day.

In addition, the contractor should provide a sufficient number of investigators and support staff to operate the Medical Examiner's office.

- B. Appointment of Medical Examiner. One employee or agent meeting the requirements shall be designated as the Medical Examiner of Gwinnett County.

Responsibilities may from time to time be delegated to certain qualified persons who are graduate physicians and surgeons, licensed to practice as Medical Examiners in the State of Georgia. The individuals should be pathologists with a minimum of one (1) year of training in the area of Forensic Pathology. One of these individuals should be on call at all times to accept and investigate deaths falling within the jurisdiction of the Office of Medical Examiner.

Medical Examiner shall not testify as an independent expert in any case involving the County in which they were not initially involved or to testify as an independent expert in any case anywhere in the state which involves the State of Georgia as a party.

- C. Days and Hours of Service. No specific hours of duty or days of service shall be required of the Medical Examiner but he or she and another employee shall be subject to call at all hours of day or night and on all days of the week including Sundays and holidays.
- D. Compensation. Since service will be performed on a contractual basis, Gwinnett County will provide no compensation beyond a monthly fee. The contractor shall be responsible for payment of any benefits to his or her employees. The amount paid to the contractor shall represent the annual budget for Medical Examiner services unless otherwise specified in this Request for Proposal.
- E. Additional Services. In addition to the services listed, the Medical Examiner shall provide the following to Gwinnett County:
- Qualified pathologists who will be available for consultation with the District Attorney and all County agencies concerning cases under the jurisdiction of the Medical Examiner's Office, including pretrial conferences and court appearances as expert witness on criminal cases and civil cases involving the County;
 - Qualified individuals to assist the District Attorney, Police and other law enforcement agencies in crime scene reconstruction, crime scene evaluation and acquisition and processing of evidence;
 - Formal reports to the appropriate Gwinnett County law enforcement agency for each case examined. These will be available within two (2) business days of completion of the case, except in unusual circumstances where special tests or other procedures are being done precluding the formulation of the report;
 - Photographic documentation of cases examined, except in those instances where various law enforcement agencies may desire that duplicate photographs be made by their own department;
 - Assistance in motor vehicle accident reconstruction and on the job accident reconstruction;
 - Consultation with the District Attorney, Police, Solicitor's Office and other law enforcement offices concerning various cases which might necessitate the knowledge of a Forensic Pathologist or a Doctor of Medicine;
 - Training in death investigation to the District Attorney, law enforcement agencies and Fire Services personnel; and
 - Consultation (medical opinions) regarding cases of physical abuse or injury (for example, the time and nature of injuries in extreme or unusual circumstances).

V. Process: Evaluation and Interviews

- A. Evaluation of Qualifications. The proposals will be reviewed by a Scoring Committee composed of County personnel. Proposals will be evaluated on experience and ability to perform the Medical Examiner service, including current staffing in order to meet the needs of Gwinnett County. Proposals shall include but not be limited to the proposer’s strategy for handling the services and the proposer’s ability to address all of the requirements set forth in this solicitation.

The highest scoring firm may be selected at this point or the committee may then invite a number of the highest scoring firms to interviews.

- C. Interviews. The evaluation committee may select from the top scoring firms a list of qualified individuals/companies to conduct interviews. The number of firms short listed and interviewed will be at the discretion of the selection committee. The interview process will serve as a basis for further evaluation and to clarification. In the event that Gwinnett County fails to pay the contractor within sixty (60) days of receipt of a pay request based upon work completed or service provided pursuant to the contract, the County shall pay the contractor interest at the rate of ½% per month or pro rata fraction thereof, beginning the sixty-first (61st) day following receipt of pay requests. The contractor's acceptance of progress payments or final payment shall release all claims for interest on said payment.

Each proposer, if included in proposal documents, shall execute an affidavit of non-collusion. Collusion and fraud in bid preparation shall be reported to the State of Georgia Attorney General and the United States Justice Department.

XVII. DEFAULT

The contract may be canceled or annulled by the Purchasing Director in whole or in part by written notice of default to the contractor upon non-performance or violation of contract terms.
