NOTICE OF BID
Warren Drive County Infrastructure Improvements
BL007-21

The Gwinnett County Board of Commissioners is soliciting competitive sealed bids from qualified contractors for the **Warren Drive County Infrastructure Improvements**.

Bid submittal date and location:

Sealed bids will be received by the Gwinnett County Department of Financial Services - Purchasing Division-2nd Floor, 75 Langley Drive, Lawrenceville, Georgia 30046 until **2:50 P.M. local time on March 15, 2021** and then publicly opened and read aloud at 3:00 P.M. Any bid received after 2:50 P.M. will not be accepted. Bid envelope must be marked on the outside with Bid Number, name of Bidder, date and time of opening. Contractor providing the utility work must have a current valid Utility Contractors License.

Special Conditions:

The Gwinnett County Department of Water Resources shall comply with O.C.G.A § 36-91- 20 as amended for **mandatory pre-qualification** of prospective bidders. Therefore, interested bidders should obtain a Pre-Qualification Application for this specific project from the Gwinnett County Purchasing Office, 75 Langley Drive, 2nd Floor, Lawrenceville, Georgia 30046 or download from our website www.gwinnettcountry.com. In order to download, please select "BL007-21 NOT" and the prequalification application is attached. Pre-qualification applications will be received by email to dana.garland@gwinnettcountry.com or delivered to the Gwinnett County Purchasing Office, 75 Langley Drive, Lawrenceville, Georgia 30046 until **2:00 P.M. local time on February 08, 2021**. Any pre-qualification application received after this date and time will not be accepted.

Any modifications to the prequalification criteria **must** be addressed prior to application submittal. If you feel any of the criteria in the prequalification application is restrictive, please notify Dana Garland by email at dana.garland@gwinnettcountry.com by **January 27, 2021**. If the submitted application does not meet the minimum prequalification criteria, the application will be rejected.

A list of **pre-qualified bidders** should be available by **4:00 P.M. local time on February 22, 2021**.

NOTE: Bids submitted by contractors who have not been prequalified will not be considered.

Project Description:

The principal features of the work to be performed under this Contract includes installation of 1,151-lf 6-ft x 6-ft Reinforced Concrete Box, 332-lf 10-ft x 7-ft Reinforced Concrete Box, 285-lf reinforced concrete pipe storm drainage systems ranging in size from 18-inch to 36-inch diameter, 68-lf aluminized steel pipe storm drainage systems ranging in size from 15-inch to 18-inch, , three special designed junction boxes (approximately 15'x34', 15'x50', & 18'x20'), abandonment of approximately 1,315-lf of 96-inch Corrugated Metal Pipe with flowable fill , 5,540-lf ductile iron pipe water main ranging in size from 6-inch to 12-inch, and 1,340-lf 8-inch ductile iron pipe gravity sanitary sewer along Warren Drive, Warren Place, Interstate Court, and Enterprise Drive. Work also includes extensive traffic control and construction staging, clearing and grubbing, asphalt paving, curb and gutter, erosion control measures, site restoration, and all related appurtenances as shown on the drawings or specified in the contract documents.

Obtain Construction Drawings and Specifications

Specifications must be obtained from Dewberry Engineering at the above address. Pdf copies will be provided at no cost. Only complete sets will be issued.

Obtain the Plan-Holders List

The plan-holders list is available from Dewberry Engineering

Pre-bid Date and Location:

A Webex pre-bid conference is scheduled for 10:00 A.M. on **February 26, 2021**. To access, dial 1-408-418-9388, enter Access Code 179 918 5928. All bidders are strongly urged to attend.

Facility Access

Gwinnett County does not discriminate on the basis of disability in the admission or access to its programs or activities. Any requests for reasonable accommodations required by individuals to fully participate in any open meeting, program or activity of Gwinnett County Government should be directed to Susan Canon, Gwinnett County Justice and Administration Center, 770-822-8165.

Safety Protocol/BYOPPE

During the on-site pre-bid conference, Personal Protection Equipment (PPE) shall be worn. PPE includes but is not limited to ANSI Class 2 or 3 safety vests, Class E hard hats, ANSI approved eye protection, safety toe boots and hearing protection where required. Bring your own PPE. (NOTE: PPE is not required inside the administrative building)

THINK SAFE, WORK SAFE, BE SAFE

Instructions on Submitting Questions

Questions regarding bids should be submitted to Dana Garland, Purchasing Associate III at fax 770-822-8728, or email Dana.Garland@gwinnettcountry.com no later than 3:00 p.m. local time, **March 01, 2021**. Bids are legal and binding upon the bidder when submitted.

Bonding and Insurance:

All Bidders are required to submit a Bid Bond or a certified check made payable to the Gwinnett County Board of Commissioners in the amount of five percent (5%) of the total amount bid. The Bid Bond or certified check must be enclosed in the envelope with the sealed bid. The successful bidder will be required to furnish a contract Performance Bond and Payment Bond, each in the sum of 100% of the total amount bid and provide insurance coverage as required by the contract documents.

Bonding Company should be licensed to do business in Georgia, licensed to do business by the Georgia Secretary of State, authorized to do business in Georgia by the Georgia Insurance Department, listed in the Department of the Treasury's Publication of Companies Holding Certificates of Authority as Acceptable Surety on Federal Bonds and as Acceptable Reinsuring Companies and must have an A.M. Best rating of A-10 or higher.

NOTICE OF BID - PAGE 3

Warren Drive County Infrastructure Improvements

BID DATE: March 15, 2021

BID NUMBER: BL007-21

All bonds should be submitted on forms provided by Gwinnett County and agencies providing bonds and insurance should provide proof that they meet the criteria outlined in the bid and contract documents.

Bid Withdrawal:

No Bidder may withdraw his Bid within sixty (60) days after the actual date of the opening thereof.

Liquidated Damages:

Bidder agrees to complete the Contract awarded within the "allowable calendar days for completion" from the date of the "Notice to Proceed" and he further agrees that the Owner may retain from the monies which may become due the amount of \$3,900.00 / \$1,900.00 for each and every day that the completion of the work may be delayed.

Bids in the case of Corporations not chartered in Georgia, must be accompanied by proper certification stating that said Corporation is authorized to do business in the State of Georgia.

The County will award the Contract to the lowest "qualified" bidder, subject with the Owner's right to reject any or all bids, to waive technicalities, and to make an award deemed in its best interests. With limited response, Gwinnett County reserves the right to extend the solicitation opening date as appropriate in order to assure a competitive procurement process.

CONSECUTIVE CALENDAR DAYS FOR COMPLETION:

600 (substantial) / 630 (final)

GWINNETT COUNTY BOARD OF COMMISSIONERS

APPLICATION FOR QUALIFICATION TO BID
WARREN DRIVE COUNTY INFRASTRUCTURE IMPROVEMENTS
(BL007-21)

Project Name: **Warren Drive County Infrastructure Improvements**

Type of Project: Stormwater, Water, and Sewer Capital Improvements

Description: The principal features of the work to be performed under this Contract includes:
Stormwater - Installation of 1,151-lf 6-ft x 6-ft Reinforced Concrete Box, 332-lf 10-ft x 7-ft Reinforced Concrete Box, 285-lf reinforced concrete pipe storm drainage systems ranging in size from 18-inch to 36-inch diameter, 68-lf aluminized steel pipe storm drainage systems ranging in size from 15-inch to 18-inch, three special designed junction boxes (approximately 15'x34', 15'x50', & 18'x20'), abandonment of approximately 1,315-lf of 96-inch Corrugated Metal Pipe with flowable fill.
Water - 5,540-lf ductile iron pipe water main ranging in size from 6-inch to 12-inch along Warren Drive, Enterprise Drive, Warren Place & Interstate Court.
Sewer - 1,340-lf 8-inch ductile iron pipe gravity sanitary sewer along Warren Drive.

Work also includes extensive traffic control and construction staging, clearing and grubbing, asphalt paving, parking lot striping, curb and gutter, erosion control measures, site restoration including landscaping, and all related appurtenances as shown on the drawings or specified in the contract documents.

There are several major components to this project. Qualification information is to be submitted demonstrating the contractor and subcontractors have the relevant experience and expertise for completing all components of this project. If the lead contractor is capable of performing all components, then documentation shall be provided demonstrating their capabilities in each type of work. If a subcontractor is going to be used to complete one or more component(s) of the project, then documentation from both the lead contractor and subcontractor(s) shall be provided demonstrating their capabilities in each type of work. Subcontractors cannot change between prequalification and bid submittal.

Owner Name: Gwinnett County

Applicant Name: _____

Note: Gwinnett County reserves the right to approve of all personnel provided by the Contractor including but not limited to Project Managers, Project Superintendents and subcontractors for any portion of work resulting from this qualification process.

I. INSTRUCTIONS

- A. Applicant SHALL NOT attach information in lieu of completion of the application document. All information requested by the County SHALL be provided within the application document; however, additional pages may be attached if more space is required (or if additional projects are necessary to demonstrate ability), or as otherwise instructed within the application document. All additional pages SHOULD be clearly labeled with the applicant's name, pre-qualification application title, and page number.
- B. If necessary, applicant should submit additional projects to prove all pre-qualification requirements are met. A single project can be used to satisfy more than one requirement.
- C. Reference projects must be complete prior to submittal of pre-qualification application.
- D. Applicant's qualification will be determined based upon the information presented. All questions must be answered in full, without exception. Failure to do so may result in the applicant being deemed non-responsive and therefore may not be considered for qualification.
- E. Only complete and accurate information shall be provided by the Applicant. The Applicant hereby warrants that, to the best of its knowledge and belief, the responses contained herein are true, accurate, and complete. The Applicant should complete the Applicant Certification included in this packet. The Applicant also acknowledges that the Owner is relying on the truth and accuracy of the responses contained herein. If it is later discovered that any material information provided by the Applicant given in response to a question, knowing it was false, shall constitute grounds for immediate disqualification and termination or rescission by the Owner of any subsequent agreement between the Owner and the Applicant. The Owner shall also have and retain any other remedies provided by law.
- F. If there are any questions concerning the completion of this form, the Applicant is encouraged to contact the Owner's representative: Dana Garland, CPPB, Purchasing Associate III, Gwinnett County Purchasing Division, via email at Dana.Garland@gwinnettcounty.com or telephone at 770-822-8723. Any modifications to the prequalification criteria must be addressed prior to application submittal. If you feel any of the criteria in the prequalification application is restrictive, please notify Dana Garland by **01/27/2021**. If the submitted application does not meet the minimum prequalification criteria, the application will be rejected.
- G. Corporations (including principal/corporate officers), Partners, and/or Individuals interested in being considered for pre-qualification to bid on Warren Drive County Infrastructure Improvements (BL007-21) with Gwinnett County SHALL NOT be currently under indictment for criminal misconduct involving any local, state or federal government entity.
- H. Applicant must be capable of completing at least 50-percent of the work with personnel directly employed by the Applicant. Subcontractors do not qualify.
- I. Applicant MUST be able to provide full time, on-site presence by a person with a minimum Level 1A certification by the Georgia Soil and Water Conservation Commission (GSWCC) for implementation of the Manual for Erosion and Sediment Control in Georgia, or "Green Book," (latest version). Applicant MUST provide the name and certification number for proposed person in Section II.
- J. If a general contractor is partnering with a subcontractor(s) to submit a prequalification application and is approved, we will only accept bids from the same team. Subcontractors cannot change between prequalification and bid submittal.
- K. The form must be completed and submitted by email to dana.garland@gwinnettcounty.com or delivered to the Gwinnett County Purchasing Office no later than the **Pre-Qualification Due Date Specified on the Notice to Bid or any Addenda issued by the County which alters said date**.

II. GENERAL BACKGROUND

A. Current name and address of Applicant:

- 1. Applicant Name: _____
Mailing Address: _____
City: _____
State and Zip: _____
Business Address: _____
City: _____
State and Zip: _____
Contact Person: _____
Telephone and Fax: _____
E-mail: _____

- 2. Applicant is: Licensed to conduct utility business in the State of Georgia?

Yes _____

No _____

If Yes, Provide Applicants State of Georgia
Utility License Number: _____

- 3. Applicant has Level 1A Certification? _____

Yes _____

No _____

If Yes, Provide name of Applicant and
Level 1A Certification Number: _____

B. Principals/Officers/Individuals authorized to sign contracts:

- Name and Title: _____
- Name and Title: _____
- Name and Title: _____

- C. Is applicant currently under indictment for criminal misconduct involving any local, state or federal government entity?

Has applicant ever been indicted involving any local, state or federal government entity? _____

If so, what was the disposition of the charges? _____

III. GENERAL BACKGROUND (SUB-CONTRACTOR) (submit additional pages if necessary)

A. Current name and address of Sub-contractor:

- 1. Sub-Contractor
Name: _____
Mailing Address: _____
City: _____
State and Zip: _____
Business Address: _____
City: _____
State and Zip: _____
Contact Person: _____
Telephone and Fax: _____
E-mail: _____

2. Sub-Contractor is: Licensed to conduct utility business in the State of Georgia?

Yes _____
No _____

If Yes, Provide Sub-Contractor State of Georgia
Utility License Number: _____

B. Principals/Officers/Individuals authorized to sign contracts:

Name and Title: _____
Name and Title: _____
Name and Title: _____

C. Is sub-contractor currently under indictment for criminal misconduct involving any local, state or federal government entity?

Has sub-contractor ever been indicted involving any local, state or federal government entity? _____

If so, what was the disposition of the charges? _____

Note: If a general contractor is partnering with a subcontractor(s) to submit a prequalification application and is approved, we will only accept bids from the same team. Subcontractors cannot change between prequalification and bid submittal.

IV. MINIMUM QUALIFICATION CRITERIA

1.1 EXPERIENCE CLAIMED FOR CURRENT PERSONNEL, WHILE THEY WERE EMPLOYED BY ANOTHER FIRM, WILL NOT BE ACCEPTED.

- Shall be currently listed with Gwinnett County Purchasing as a Pre-Qualified Contractor for the Installation, Replacement, and/or Relocation of Gravity Sanitary Sewer Mains, Force Mains, and Appurtenances, Subsection 1. See attached list. (Note: Sub-contractor experience may be used to meet this requirement. If a subcontractor will be used to meet this requirement, please complete Section III for that subcontractor.)
- Shall be currently listed with Gwinnett County Purchasing as a Pre-Qualified Contractor for the Installation, Replacement, and/or Relocation of Pressurized Water Mains and Appurtenances, Subsection 1. See attached list. (Note: Subcontractor experience may be used to meet this requirement. If a subcontractor will be used to meet this requirement, please complete Section III for that subcontractor.)

The satisfactory **completion** of the following projects within the past twelve (12) years.

Requirement Met?		Requirement	Project #(s) Used to Meet this Requirement	Name of Subcontractor Used to Meet this Requirement (if applicable)
Yes	No	Listed as a Pre-Qualified Contractor for the Installation, Replacement, and/or Relocation of Gravity Sanitary Sewer Mains, Force Mains, and Appurtenances, Subsection 1.		
Yes	No	Listed as a Pre-Qualified Contractor for the Installation, Replacement, and/or Relocation of Pressurized Water Mains and Appurtenances, Subsection 1.		
Yes	No	Two (2) projects that <i>must</i> have been performed directly for a utility or other government entity by the prime contractor.		
Yes	No	Two (2) reinforced concrete box (RCB) system/culvert projects consisting of 6-ft or greater RCB spans or 84-inch diameter or greater reinforced concrete pipe (RCP) with a minimum 12-ft depth of cover over the top of the RCB or RCP performed by the prime contractor.		
Yes	No	Two (2) projects consisting of subsurface cast-in-place reinforced concrete structures with a minimum of 75 cubic yards reinforced concrete per structure and a minimum 15-ft depth to the structure invert performed by the prime contractor.		
Yes	No	Two (2) projects that <i>must</i> have included traffic diversion/maintenance as well as coordination of property access with businesses and/or residents as part of an infrastructure project within an existing road right of way. (Note: Sub-contractor experience may be used to meet this requirement. If a sub-contractor will be used to meet this requirement, please complete Section III for that sub-contractor.)		
Yes	No	Two (2) projects that <i>must</i> have involved abandonment with flowable fill of 36-inch or greater diameter pipe of 100-lf or more per project. (Note: Sub-contractor experience may be used to meet this requirement. If a sub-contractor will be used to meet this requirement, please complete Section III for that sub-contractor.)
