**ADDENDUM #1**  
**BL0115-21, Mountain Park Aquatic Center Mechanical Improvements**

ATTACHMENTS:

1. Pre-Bid Sign in sheet.

QUESTIONS AND ANSWERS:

- Q1. The manufacturer listed is Automated Logic Controls for the BAS in section 23 0923 but I also see that "approved equal" is allowed. Is ALC the current incumbent for the project?**
- A1. There is no incumbent for the project. Automated Logic is the basis of design.
- Q2. What is the proper procedure for requesting substitutions for this bid?**
- A2. The Substitution section written is for the awarded vendor and done during the submittal review process in construction. We do not evaluate substitutions during the bid process as it may delay the bid opening. The potential bidder has sufficient information within the bid documents to compare their product (the proposed substitution item) to make an informed decision regarding their bid.

Thank you,

*Jake Scarpone*
