**REQUEST FOR PROPOSAL
PROVISION OF INTERPRETER SERVICES FOR THE GWINNETT COUNTY JUDICIAL CIRCUIT ON AN
ANNUAL CONTRACT**

I. Background Information

The Gwinnett Judicial Circuit, to include Superior, State, Magistrate, Juvenile and Recorder's Courts, provides interpreter services for non-English speaking or hearing-impaired parties to provide full and complete access to the courts for both criminal and civil matters. Interpreters are scheduled for in-court proceedings, such as trials and calendar calls, as well as out-of-court proceedings, such as interviews. Additionally, interpreters are needed for translating and transcribing documents, audio files, and videos.

The Gwinnett Judicial Circuit serves a diverse population and on average they provide interpreters for 15 different languages per month. The most frequently requested languages are Spanish, Korean, and Vietnamese. As a result of the large non-English speaking population, the courts receive an average of 4,192 interpreter requests per year.

II. Scope of Work

The Gwinnett Judicial Circuit is seeking a service provider that has the depth, breadth, and quality of resources necessary to provide translation and interpretation services to meet the needs of the Courts and its programs within the County. Services shall be provided on an "as needed" basis upon the request of an individual court.

In an effort to meet the needs of the Gwinnett Judicial Circuit, this contract consists of two separate Sections. Section A is for American Sign Language (ASL) and Section B includes all spoken languages. Both sections will be evaluated separately using the same criteria listed in this proposal. If proposer is interested in proposing on both sections, they should submit two separate proposals clearly identified and labeled with the appropriate Section.

Interpretation – (In person)

Interpreter services require working directly with an individual who does not speak English or is hearing impaired for matters pertaining to business with the Courts. Services may be required within the Gwinnett Justice and Administration Center, the Gwinnett County Detention Center, the Gwinnett County Courthouse Annex and/or any other authorized service provider's facility.

Translation – (Document/Audio/Video)

Translation services involve either the translation of foreign language documents into English or the translation of English documents into a foreign language. The contractor usually completes these services from its own place of business. Documents for translation are submitted to the contractor, often electronically, who then returns the translated document within a certain period of time. In some cases, it may involve transcribing from a video or audio electronic file. It may also be submitted as a handwritten paper or Word document.

Pursuant to the rules of the Georgia Supreme Court concerning the use of interpreters for non-English speaking persons, the courts in Gwinnett County seek to appoint Certified Interpreters for persons needing interpreter services. If Certified Interpreters are not available, then the courts will seek to appoint interpreters with the highest level of certification in accordance with the certification levels as determined by the interpreter designations of the Georgia Commission on Interpreters. If an interpreter with a higher level of certification is available

outside of the contractor’s organization, the court will give primary consideration to the interpreter with the highest level of certification and use the contractor’s interpreters for any schedule conflicts.

The courts have an in-house list of certified Spanish interpreters and will only use the contractor’s agency for Spanish requests when our individual contractors are not available. Additionally, if the courts receive requests for languages that the contractor’s agency does not provide, the courts will seek the services of another vendor to fulfill those requests.

- A. Professional and qualified bilingual interpreters and translators who are registered and in good standing with the Georgia Commission on Interpreters.
- B. American Sign Language interpreters need to be registered with the National Registry of Interpreters for the Deaf.

Please also include a description as to the type and scope of services provided to these organizations. In addition, a detailed explanation as to the similarity in services performed for other court systems or governmental agencies of similar size and scope as the Gwinnett County Courts.

F. *Cost Information*

Provide an overview of the costs associated with the model by utilizing the Cost Proposal form provided. Unit rates should be inclusive of all costs of services. **Any charges/stipends/etc. not included in the hourly rate MUST be specified on the Cost Proposal. Gwinnett County will not be responsible for paying any fees not specifically stated on the Cost Proposal.**

Contractor must only invoice for the time/duration that interpreter services are provided per the Billable Hours language below. Time spent establishing the language service needed and/or time to schedule the appropriate interpreter will not be chargeable.

Billable Hours: The minimum number of hours submitted in the Cost Proposal, or the actual time worked by the interpreter, whichever is greater, are billable hours. The estimated length of time for the assignment at the time the request is submitted does not determine the billable time. For example, if an assignment was estimated to be 4 hours in duration, but only required the interpreter to be present for 1 hour, the billable time would be for the minimum number of hours submitted in the Cost Proposal.

Travel Fee: One travel fee billable per interpreter, per day. When an interpreter has more than one assignment per day, one travel fee will be billed.

If any or all languages require a different rate due to different categories, (ie: state-certified, conditionally approved, qualified, legal content, general content, etc.) please list each language/category and the appropriate rate on separate line items.

The Cost Proposal is to be submitted with your proposal in a separate sealed envelope. If proposing on both sections, two separate Cost Proposals should be submitted.

The contractor must comply with rules of the Supreme Court of Georgia concerning the use of interpreters for non-English speaking and hearing-impaired persons and the rules or requirements of the Georgia Commission on Interpreters.

J. *Litigation Disclosure*

Please state whether any of the following events have occurred in the last five (5) years with respect to said contractor. If any answer is yes, please provide a specific and full explanation.

- Whether a petition under the federal bankruptcy laws or state insolvency laws was filed by or against said contractor, or a receiver fiscal agent or similar officer was appointed by a court for the business or property of the contractor;
- Whether contractor was the subject of any order, judgement, or decree not subsequently reversed, suspended or vacated by any court of competent jurisdiction, permanently enjoining said contractor from engaging in any type of business practice, or otherwise eliminating any type of business practice; and
- Whether contractor's business was the subject of any civil or criminal proceeding in which there was a final adjudication adverse to the contractor, which directly arose from activities conducted by the business unit or corporate division of contractor which submitted a proposal for the subject project.

K. *Insurance*

Prior to the execution of the contract, and at all times that this contract is in force, the contractor shall obtain, maintain and furnish the County with Certificates of Insurance from licensed companies doing business in the State of Georgia and acceptable to the County covering the requirements listed in this RFP.

V. Proposal Evaluation Process

The proposal will be evaluated in order to select the firm(s) or team(s) which rate highest according to the criteria listed in items 1-3 below. The selection committee may then short list the highest scoring firms. The fees of the short-listed firms will then be opened and scored. The highest scoring firm may be selected at this point, or the committee may then invite a number of the highest scoring firms to give presentations. The number of firms short listed and invited to present will be at the discretion of the selection committee. The presentation will be worth 15 points.

The purpose of the presentation would be to offer a brief explanation of the contractor's services and how the contractor plans to provide the services outlined in the RFP, and to answer any of the evaluation team's questions. Any costs associated with the preparation of the presentation will be at the expense of the proposing firm.

The Gwinnett Judicial Circuit also reserves the right to require other evidence of managerial, financial, or other abilities prior to award of the contract.

If, for any reason, the recommended firm(s) cannot execute the contract, the Gwinnett Judicial Circuit may select the firm with the second highest score, and so on until a satisfactory agreement has been reached.

It is the AOC’s intent for this contract to be awarded to a single service provider for each section of the RFP. It is possible that one service provider will be awarded both sections, or it could be one service provider for spoken language and one service provider for sign language. However, award will be made in the best interest of the County.

Each proposal is received with the understanding that the acceptance in writing by the County of the offer to furnish any or all of the commodities or services described therein shall constitute a contract between the proposer and the County which shall bind the proposer on his part to furnish and deliver the articles quoted at the prices stated in accordance with the conditions of said accepted proposal. The County, on its part, may order from such contractor, except for cause beyond reasonable control, and to pay for, at the agreed prices, all articles specified and delivered.

Upon receipt of a proposal containing a Gwinnett County "Sample Contract" as part of the requirements, it is understood that the proposer has reviewed the documents with the understanding that Gwinnett County requires that all agreements between the parties must be entered into via these documents. If any exceptions are taken to any part, each exception must be stated in detail and submitted as part of the proposal document. If no exceptions are stated, it is assumed that the proposer fully agrees to the "Sample Contract" in its entirety.

This requirement does not apply to confidential economic development activities pursuant to §50-18-72 or to any development authority for the purpose of promoting the development of trade, commerce, industry, and employment opportunities or for other purposes and, without limiting the generality of the foregoing, shall specifically include all authorities created pursuant to Title 36 Chapter 62; However, per provisions of subparagraph (e)(1)(B) of Code Section 36-62-5 reporting of potential conflicts of interest by development authority board members is required.

When the contractor has performed in accordance with the provisions of this agreement, Gwinnett County shall pay to the contractor, within thirty (30) days of receipt of any department approved payment request and based upon work completed or service provided pursuant to the contract, the sum so requested, less the retainage stated in this agreement, if any. In the event that Gwinnett County fails to pay the contractor within sixty (60) days of receipt of a pay request based upon work completed or service provided pursuant to the contract, the County shall pay the contractor interest at the rate of ½% per month or pro rata fraction thereof, beginning the sixty-first (61st) day following receipt of pay requests. The contractor's acceptance of progress payments or final payment shall release all claims for interest on said payment.

Each proposer, if included in proposal documents, shall execute an affidavit of non-collusion. Collusion and fraud in bid preparation shall be reported to the State of Georgia Attorney General and the United States Justice Department.

XVII. DEFAULT

The contract may be canceled or annulled by the Purchasing Director in whole or in part by written notice of default to the contractor upon non-performance or violation of contract terms. In either event, the defaulting contractor (or his surety) shall be liable to the County for costs to the County in excess of the defaulted contract prices; provided, however, that the contractor shall continue the performance of this contract to the extent not terminated under the provisions of this clause. Failure of the contractor to deliver materials or services within the time stipulated on his proposal, unless extended in writing by the Purchasing Director, shall constitute contract default.

XVIII. TERMINATION FOR CAUSE

The County may terminate this agreement for cause upon ten days prior written notice to the contractor of the contractor's default in the performance of any term of this agreement. Such termination shall be without prejudice to any of the County's rights or remedies by law.

XIX. TERMINATION FOR CONVENIENCE

The County may terminate this agreement for its convenience at any time upon 30 days written notice to the contractor. XXVII. TAX LIABILITY:

Under Georgia law, private contractors are responsible for paying a use tax equal to the sales tax rate on material and equipment purchased under a governmental exemption that is incorporated into a government construction project: excluding material and equipment provided for the installation, repair, or expansion of a public water, gas or sewer system when the property is installed for general distribution purposes. To the extent the tangible personal property maintains its character (for example the installation of a kitchen stove), it remains tax-exempt. However, if the installation incorporates the tangible personal property into realty, e.g., the installation of sheetrock, it becomes taxable to the private contractor. See O.C.G.A. 48-8-3(2) and O.C.G.A. 48-8-63.

Such obligation shall not be construed to negate, abridge or otherwise reduce any of the rights or obligations of indemnity which would otherwise exist as to any party or person described in this agreement.
