BL132-22
PURCHASE AND IMPLEMENTATION OF SIMULATED TRAINING EQUIPMENT
ADDENDUM #3

- Q1. The Invitation to Bid states that we are required to submit proof of Sam.gov registration with the bid. In what format or what type of documentation would be sufficient to show proof of our registration?
- A1. It's my understanding that there is a backlog with sam.gov. So, if you can submit a print screen of where you have applied, that will be sufficient.
- Q2. Can you confirm if bonds are required?
- A2. Bonds are not required.

This addendum should be acknowledged on Bid Form, page 13. Failure to do so may result in your bid being deemed non-responsive.

Thank you,
