LIGHTING MAINTENANCE & RE-LAMPING SERVICES FOR RECREATIONAL FACILITIES & SECURITY LIGHTING

I. SCOPE

Gwinnett County Department of Community Services is soliciting competitive bids for lighting maintenance and repairs to include athletic fields, sport courts, aquatic centers, and County owned security lighting. This contract covers all repairs on the light pole and fixture on a pole mounted light ranging from 30-80 foot. This contract does not include repairs to the electrical panel or the wiring to the poles. This contract also covers the repairs to or in a fixture only on non-pole mounted fixtures in aquatic centers and gyms. This contract will not cover repairs to the wiring or panels for the non-pole mounted fixtures.

This contract does not require a certain foot candle per field, but it is expected that lamps are changed out when completely blown or when the lamp has become "pink". All lamps on all fields are not changed at one time. For example, the contractor may be asked to change out 3 lamps on a field #1, 2 lamps out on field #4, 7 lamps out on field #7 at one park and another park may have a few lamps out or pink on every field or may only have a few lamps out or pink on one field. Gwinnett County will send work orders to the contractor as service is needed.

Hourly Repair Services means, "for a stated hourly rate, the contractor shall provide all labor (climbing person) and equipment (including but not limited to bucket trucks, lifts, ladders, and gear, etc.) to repair, maintain, and replace all necessary parts to insure all lighting and light fixture components are in good working order. This will not apply to the electrical panel or wiring either to the pole or to any fixture not attached to a pole.

Gwinnett County Department of Community Services intends to award this contract to a minimum of two (2) vendors due to the number of lights covered under this agreement.

NOTE: It is the responsibility of the contractor to visit the park locations prior to submitting a bid to determine equipment and manpower required to perform these services.

II. GENERAL SPECIFICATIONS

1. All repairs and installations shall be completed in a professional workmanlike manner and in accordance with the applicable National Electric Codes (NEC), local Gwinnett County Codes and mechanical standards. Equipment and materials supplied shall be new, of a quality conforming to current standards and usage according to manufacturing recommendations and free of defects and suitable for the intended service. All parts and labor should be warranted for one year from the date of installation.
2. Contractor should include a list of staff that will work under this contract and indicate their licensing, if applicable.
3. Any damage done to a facility (including fields, sidewalks, pathways, etc.) because of the contractor(s) or his work will be the responsibility of the contractor(s) to repair as required by the owner without additional cost to Gwinnett County.
4. Existing fixtures include, but are not limited to NorthStar, Lithonia, General Electric & Musco. Replacement parts must be compatible with the applicable brands. Re-lamping of Sports field and Sports Courts Lighting/Security lights will range from HID (High Intensity Discharge) 250 watts to 1500 watts.
5. Supplies and materials will normally be provided by Gwinnett County from stock materials. Gwinnett County will provide lamps, ballasts, and capacitors. On occasion, the contractor may be asked to acquire the materials/repair parts if Gwinnett County cannot provide the materials needed (i.e., fuses, sockets, etc..) and invoice the County at the contractor's cost plus the percentage markup quoted. Prior approval must be obtained.
6. Department Representative will assign designated areas where county supplied inventory of materials and supplies will be stored. The contractor will be responsible for the lawful disposal of used lamps and/or ballast and all other materials. Most storage areas will be unavailable after 3pm each day. Repairs should generally be made between 7am-3pm, but if access is not needed, the contractor may work later if the pole can be accessed in areas not behind a gate or locked area.

7. Gwinnett County reserves the right to add or delete locations at any time during the specified period of the contract.
8. Gwinnett County Parks and Recreation requires notification of a minimum of 24 hours prior to scheduled maintenance to ensure that materials and supplies are available and for scheduling of facility. Communication with the county representative is critical to ensure work is completed, rescheduled, or postponed.
9. All safety concerns, complications, or problems must be reported to the County representative immediately.
10. The successful contractor is expected to provide labor, lifts or other equipment needed to successfully manage this contract.
11. In the event that a subcontractor or rental equipment is needed, Gwinnett County will reimburse these expenses at cost. No mark-up is allowed on subcontracting or equipment rentals.
12. Bucket trucks or other types of lifts will be allowed on the sports fields (excluding artificial turf fields) or courts only with prior approval by a Parks & Recreation representative. Poles are constructed of wood, concrete, and metal. Extreme care is to be provided when using lightweight lifts on wooden gymnasium floor surfaces and carpeted surfaces. Pole climbing is required in several Sports field locations and contractor must provide climbing staff and gear when required. It is also expected that the contractor climbs poles (if equipped) in normally lift accessible locations if the fields have been wet for an extended period.

III. **INVOICING**

1. The invoice must reference the work order number and the purchase order number, and a breakdown of number of lamps, ballasts, and capacitors changed and must include field number. It should include the date(s) and location(s) work was performed for services rendered. The invoice needs to be detailed in accordance with the line items in the contract, or to the extent that it is recognizable as such. This will enable accounts payable to reconcile prices of invoiced items with the contract price.
2. If contractor procures supplies and materials, the original invoice should be included with repair invoice and the % markup allowed clearly noted on the invoice.
3. Gwinnett County reserves the right to inspect/request proof of vendor cost at any time during the contract period.
4. If a trip charge is listed, it must include travel time and the time spent gathering materials. Only one (1) trip charge is allowed per work order.
5. The hourly rate begins when the technician arrives on site and ends when the technician leaves the property. All travel times must be included in the trip charge fee.
6. The contractor should provide invoices detailing location, work performed, and parts installed within 10 working days of completion.

IV. **SERVICE SPECIFICATIONS**

1. Normal hourly repair work will be performed between the hours of 7:00 AM and 5:00 PM on weekdays. After hours, weekend, and holiday work will be scheduled by Gwinnett County Representative.
2. Repair services include lighting pole, the fixture on a pole mounted light, and to the fixture itself on any other mounting style.

3. The contractor shall be capable of supplying or procuring all labor, equipment, materials, parts, and supplies needed to provide the services requested. It is expected that the County will provide the majority of parts needed. Sockets and fuses shall not be provided by the County. In the event that lamps, ballasts, capacitors or any additional materials usually provided to the Contractor by the County are not available, the County representative may request that the Contractor purchase these supplies if they are available. The Contractor shall be reimbursed at cost plus the percentage mark-up as stated in the Bid Schedule.
4. All service calls will be placed by County Representative. Response time to service calls shall be within twenty-four (24) hours. Emergency call response time shall be within four hours, same day.

The County may make such investigations as it deems necessary to determine the ability of the vendor to perform, and the vendor shall furnish to the County all such information and data for this purpose as the County may request. Failure of a vendor to deliver within the time specified or within reasonable time as interpreted by the Purchasing Director, or failure to make replacement of rejected articles/services when so requested, immediately or as directed by the Purchasing Director, shall constitute authority for the Purchasing Director to purchase in the open market articles/services of comparable grade to replace the articles/services rejected or not delivered. On all such purchases, the vendor shall reimburse the County within a reasonable time specified by the Purchasing Director for any expense incurred in excess of the contract prices, or the County shall have the right to deduct such amount from monies owed the defaulting vendor. Alternatively, the County may penalize the vendor one percent (1%) per day for a period of up to ten (10) days for each day that delivery or replacement is late. Should public necessity demand it, the County reserves the right to use or consume articles/services delivered which are substandard in quality, subject to an adjustment in price to be determined by the Purchasing Director.

XIII. COUNTY FURNISHED PROPERTY

No material, labor or facilities will be furnished by the County unless so provided in the solicitation package.

XIV. REJECTION OF SUBMITTALS

XV. CONTRACT

Each submittal is received with the understanding that the acceptance in writing by the County of the offer

to furnish any or all the commodities or services described therein shall constitute a contract between the vendor and the County which shall bind the vendor on his part to furnish and deliver the articles quoted at the prices stated in accordance with the conditions of said accepted submittal. The County, on its part, may order from such vendor, except for cause beyond reasonable control, and to pay for, at the agreed prices, all articles specified and delivered.

Upon receipt of a solicitation package containing a Gwinnett County "Sample Contract" as part of the requirements, it is understood that the vendor has reviewed the documents with the understanding that Gwinnett County requires that all agreements between the parties must be entered into via this document. If any exceptions are taken to any part, each must be stated in detail and submitted as part of the vendor's submittal. If no exceptions are stated, it is assumed that the vendor fully agrees to the provisions contained in the "Sample Contract" in its entirety.

Any Consultant as defined in O.C.G.A. §36-80-28 that is engaged to develop or draft specifications/requirements or serve in a consultative role during the procurement process for any County procurement method, by entering into such an arrangement or executing a contract, the consultant agrees to abide by the current state law and: 1) Avoid any appearance of impropriety and shall follow all policies and procedures of the County, 2) Disclose to the County any material transaction or relationship pursuant to §36-80-28, that is considered a conflict of interest, any involvement in litigation or other dispute, relationship, or financial interest not disclosed in the ethics affidavit, and 3) Acknowledge that any violation or threatened violation of the agreement may cause irreparable injury to the County, entitling the County to seek injunctive relief in addition to all other legal remedies.

When the vendor has performed in accordance with the provisions of this agreement, Gwinnett County shall pay to the vendor, within thirty (30) days of receipt of any department approved payment request and based upon work completed or service provided pursuant to the contract, the sum so requested, less the retainage stated in this agreement, if any. If Gwinnett County fails to pay the vendor within sixty (60) days of receipt of a pay request based upon work completed or service provided pursuant to the contract, the County shall pay the vendor interest at the rate of ½% per month or pro rata fraction thereof, beginning the sixty-first (61st) day following receipt of pay requests. The vendor's acceptance of progress payments or final payment shall release all claims for interest on said payment.

The parties agree that this Contract shall be governed and construed in accordance with the laws of the State of Georgia.

XVI. NON-COLLUSION

Vendor declares that the submittal is not made in connection with any other vendor's submittal for the same commodity or commodities, and that the submittal is bona fide and is in all respects fair and without collusion or fraud. An affidavit of non-collusion shall be executed by each vendor. Collusion and fraud in submittal preparation shall be reported to the State of Georgia Attorney General and the United States Justice Department.

XVII. DEFAULT

The contract may be canceled or annulled by the Purchasing Director in whole or in part by written notice of default to the vendor upon non-performance or violation of contract terms. An award may be made to the next low responsive and responsible bidder, or the next highest scoring responsive and responsible proposer, or articles specified may be purchased on the open market similar to those so terminated. In either event, the defaulting vendor (or their surety) shall be liable to the County for costs to the County in excess of the defaulted contract prices; provided, however, that the vendor shall continue the performance

of this contract to the extent not terminated under the provisions of this clause. Failure of the vendor to deliver materials or services within the time stipulated on their offer, unless extended in writing by the Purchasing Director, shall constitute contract default.

XVIII. TERMINATION FOR CAUSE

The County may terminate this agreement for cause upon ten days prior written notice to the vendor of the vendor's default in the performance of any term of this agreement. Such termination shall be without prejudice to any of the County's rights or remedies by law.

XIX. TERMINATION FOR CONVENIENCE

The County may terminate this agreement for its convenience at any time upon 30 days written notice to the vendor. In the event of the County's termination of this agreement for convenience, the vendor will be paid for those services actually performed. Partially completed performance of the agreement will be compensated based upon a signed statement of completion to be submitted by the vendor, which shall itemize each element of performance.

XX. SUBSTITUTIONS

Vendors offering substitutions or who are deviating from the attached specifications shall list such deviations on a separate sheet to be submitted with their offer. The absence of such a substitution list shall indicate that the vendor has taken no exception to the specifications contained herein.

XXI. INELIGIBLE VENDORS

The County may choose not to accept the offer by an individual, firm, or business who is in default on the payment of taxes, licenses, or other monies owed to the County. Additionally, vendors or persons placed on an Ineligible Source List for reasons listed in Part 6, Section II of the Gwinnett County Purchasing Ordinance shall not be eligible to provide any commodities or services to the County during the period such person remains on the Ineligible Source List.

Vendors may be required to provide evidence of valid certificates. Out of State vendors are required to have a certificate in the Georgia jurisdiction where they receive the most revenue.

XXIV. PURCHASING POLICY AND REVIEW COMMITTEE

The Purchasing Policy & Review Committee has been established to review purchasing procedures and make recommendations for changes; resolve problems regarding the purchasing process; make recommendations for standardization of commodities, schedule buying, qualified products list, annual contracts, supplier performance (Ineligible Source List), and other problems or requirements related to purchasing. The Purchasing Policy & Review Committee has authority to place vendors on the Ineligible Source List for reasons listed in Part 6, Section II of the Gwinnett County Purchasing Ordinance, for a period not to exceed three (3) years.

Alterations of County documents are strictly prohibited and will result in automatic disqualification of the vendor's solicitation response. If there are "exceptions" or comments to any of the solicitation requirements or other language, then the firm may make notes to those areas, but may not materially alter any document language.

XXVII. TAX LIABILITY

Local and state governmental entities must notify vendors of their use tax liability on public works projects. Under Georgia law, private vendors are responsible for paying a use tax equal to the sales tax rate on material and equipment purchased under a governmental exemption that is incorporated into a government construction project: excluding material and equipment provided for the installation, repair, or expansion of a public water, gas, or sewer system when the property is installed for general distribution purposes. To the extent the tangible personal property maintains its character (for example, the installation of a kitchen stove), it remains tax-exempt. However, if the installation incorporates the tangible personal property into realty (for example, the installation of sheetrock), it becomes taxable to the private vendor. See O.C.G.A. §48-8-3(2) and O.C.G.A. §48-8-63.

The Purchasing Division Director with the assistance of the Internal Audit Division shall be authorized to conduct random audits of a vendor's or subcontractors' compliance with the Illegal Immigration Reform Enhancements for 2013 and the rules and regulations of the Georgia Department of Labor. The vendor and subcontractors shall retain all documents and records of its compliance for a period of five (5) years following completion of the contract or shall abide by the current time requirements at the time of the contract. This requirement shall apply to all contracts for all public works, labor or service contracts that exceed \$2,499.99 except for services performed by an individual who is licensed pursuant to Title 26, Title 43, or the State Bar of Georgia.

Whenever it appears that a vendor's or subcontractor's records are not sufficient to verify the work eligibility of any individual in the employment of such vendor or subcontractor, the Purchasing Director shall report same to the Department of Homeland Security and may result in termination of the contract if it is determined at any time during the work that the vendor or subcontractor is no longer in compliance with worker verification.

By submitting an offer to the County, vendor agrees that, in the event the vendor employs or contracts with any subcontractor(s) in connection with the covered contract, the vendor will secure from the subcontractor(s) such subcontractor(s) indication of the employee-number category applicable to the subcontractor, as well as attestation(s) from such subcontractor(s) that they follow the Illegal Immigration Reform Enhancements for 2013 in conjunction with all federal requirements. Original signed, notarized Subcontractor Affidavits and Agreements must be maintained by the vendor awarded the contract.

A vendor's or subcontractor's failure to participate in the federal work authorization program as defined above shall be subject to termination of the contract. XXXI. PRODUCTS MANUFACTURED IN GEORGIA

When contracting for or purchasing supplies, materials, equipment, or agricultural products that exceeds \$100,000.00, excluding beverages for immediate consumption, Gwinnett County shall give preference as far as may be reasonable and practicable to such supplies, materials, equipment, and agricultural products as may be manufactured or produced in this state. Such preference shall not sacrifice quality. Gwinnett County Board of Commissioners shall consider, among other factors, information submitted by the vendor which may include the vendor's estimate of the multiplier effect on gross state domestic product and the effect on public revenues of the state and the effect on public revenues of political subdivisions resulting from acceptance of an offer to sell Georgia manufactured or produced goods as opposed to out-of-state manufactured or produced goods. Any such estimates shall be in writing. **(O.C.G.A. §36-84-1).**

XXXII. INDEMNIFICATION

To the fullest extent permitted by law, the vendor shall, at his sole cost and expense, indemnify, defend, satisfy all judgments, and hold harmless the County, its commissioners, officers, agents, and employees from and against all claims, damages, actions, judgments, costs, penalties, liabilities, losses and expenses, including, but not limited to, attorney's fees arising out of or resulting from the performance of the work, provided that any such claim, damage, action, judgment, cost, penalty, liability, loss or expense (1) is attributable to bodily injury, sickness, disease, or death, or to injury to or destruction of tangible property (other than the work itself) including the loss of use resulting therefrom, and (2) is caused in whole or in part by the negligent acts, errors by any act or omission of the vendor, any subcontractor, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, regardless whether such claim is caused in part by a party indemnified hereunder. Such obligation shall not be construed to negate, abridge, or otherwise reduce any of the rights or obligations of indemnity which would otherwise exist as to any party or person described in this agreement. In any and all claims against the County, its commissioners, officers, agents, and employees by any employee of the vendor, any subcontractor, anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable, the indemnification obligation contained herein shall not be limited in any way by any limitation on the amount

or type of damages, compensation, or benefits payable by or for the vendor or any subcontractor under Worker's Compensation Acts, disability benefit acts, or other employee benefit acts.

Vendor shall also indemnify, hold harmless, insure, and defend the County for damages, losses, or expenses to the extent caused by or resulting from the negligence, recklessness, or intentionally wrongful conduct of the vendor or other persons employed or utilized by the vendor in the performance of a contract that utilizes survey services.

XXXIII. CODE OF ETHICS

Vendors shall disclose under oath the name of all elected officials whom it employs or who have a direct or indirect pecuniary interest in the business entity, its affiliates, or its subcontractors. (This shall not apply to informal purchases as defined by the Purchasing Ordinance.) The vendor shall execute a Code of Ethics affidavit. Any business entity holding a contract with Gwinnett County that after execution of the contract or issuance of the purchase order employs, subcontracts with, or transfers a direct or indirect pecuniary interest in the business entity to an elected official shall within five (5) days disclose such fact in writing under oath to the Clerk of the Board of Commissioners.
