I. **Background**

Gwinnett County has been one of America's fastest-growing counties for the past 20+ years. The County itself employs approximately 6,000 employees who pride themselves on providing residents with outstanding services and infrastructure. County employees provide services to residents and County staff in the following areas: Community Services, Detention and Corrections, Financial Services, Fire & Emergency Services, Human Resources, Information Technology Resources, Planning & Development, Law Enforcement, Support Services, Tax Commissioner, Transportation, Courts and Water Resources. More information on Gwinnett County can be found online at www.GwinnettCounty.com.

With the County's 5,000 full-time employees serving a diverse community of nearly 1 million citizens, the ability to communicate and engage with the community is a top priority for the County. In order for the County to continue to deliver superior services that meet the Gwinnett standard, the County is seeking a business partner to create, administer, and deliver a language learning assistance benefit for all County employees, as well as a proficiency assessment component to assess fluency. This benefit will include language curriculum, learning tools, accessibility to live support, and individual employee engagement when appropriate.

II. **Scope and Objectives**

Gwinnett County Board of Commissioners (GCBOC) is seeking proposals from prospective service providers for administration of Language Learning and Language Assessment Programs.

This request for proposal consists of two separate sections. Section A is for the Language Learning Program and Section B is for the Language Assessment Program. Both sections will be evaluated separately using the criteria specified in this request for proposal. If a proposer is interested in proposing on both sections, the proposer should respond to Section A and B separately.

III. **Section A – Language Learning Program**

The service provider that is selected will be required to implement and administer a language learning program that will provide comprehensive and in-depth curriculum to allow County employee to learn a new language in order to maximize the County's ability to deliver key services to the community and its citizens. The language learning program must emphasize reading comprehension, interpretation skills, making connections, writing and literacy, phonemic and phonological awareness, vocabulary development, and text fluency of the applicable language in its curriculum. Key languages that need to be delivered by the program include, but are not limited to: Mandarin, Cantonese, Korean, Vietnamese, English, and Spanish. The program must also be adaptable to the changing language needs of the County, its citizens, and its employees.

IV. **Section B – Language Assessment Program**

The service provider selected will be required to assist in determining appropriate levels of proficiency for the County's program and assessing individual employee proficiency for eligibility of the associated incentive program. Proficiency measurements must be administered using either the Interagency Language Roundtable (ILR) or American Council on the Teaching of Foreign Languages (ACTFL) scale. The language assessment program should assess the employee's proficiency in one of the targeted languages: Mandarin, Cantonese, Korean, Vietnamese, English, and Spanish. The service provider must be able to identify if the employee lacks proficiency and provide the employee specific areas to be developed. The assessment tool must be able to evaluate the language fluency of an employee independently of their participation in the aforementioned language learning program. The service provider must be able to identify if the employee lacks proficiency as it relates to language fluency and provide the employee specific areas to be developed. The service provider will also identify proficiency needs as it relates to County job descriptions and will partner with the County in identifying the necessary skillset for an employee as it relates to the job duties and/or services perform.

V. Evaluation Criteria

Proposals will be evaluated based on their relative responsiveness to the criteria described below with those criteria’s values weighted as shown (MAXIMUM 110 POINTS). **The Language Learning Program and the Language Assessment Program are scored independently using the following criteria:**

Basis of Short-Listing/Selection

Part I – Initially, proposals will be evaluated based on their relative responsiveness to the criteria described above and will be scored based on the point values as shown. Please note that references, and subsequent reference checks, are a required component of Part I scoring.

Part II – Service providers may be short-listed for further consideration. The Proposal Fee Schedules of the short-listed service providers from Part I will be opened, reviewed, and scored with the lowest cost receiving the most points and the other service providers receiving proportional points based on the differences in proposal costs.

Part III – At the County’s discretion, or as deemed in the County’s best interest, service providers may be short-listed a second time for an interview. At this time, the County may request further information, explanations, clarifications, presentations, interviews, or meetings with some or all of the remaining service providers. If interviews are necessary for selection, details on the scoring criteria for interviews will be provided along with notification of the scheduled interview. Interviews should be conducted within five (5) working days after request. All presentations/interviews will be the sole responsibility of the proposing service providers and at no cost to the County.

The County will then enter contract negotiations with the highest scoring service provider(s). If an agreement with the highest ranked service provider(s) cannot be reached, the County may then negotiate with the next ranked service provider(s) and so on until satisfactory agreements has been reached.

Background, Personnel, Experience, 25 points – Provide a brief overview of company history and pertinent experience as it relates to the requirements outlined in this request for proposal. Provide brief resume information of all key individuals and managerial staff.

Technical Consideration and Methodology, 40 points – The service provider should provide an in-depth overview of the learning and/or assessment program, the approach, the functionality of the program, and how results are measured and communicated. The service provider should also explain how the business model creates a partnership between both the service provider and the County, and how the program and its components are communicated to the employee population. Emphasis will be placed on service providers who have extensive experience in the design and implementation of language learning and/or assessment tools and curriculum for the most widely spoken languages in the community: Cantonese, English, Korean, Mandarin, Spanish, and Vietnamese. Additional consideration will be given for service providers who offer two-way language learning for all languages (i.e., English speakers learning Korean, and Korean speakers learning English). Service providers should provide a project schedule to include a implementation timeline, and examples of ongoing reporting capabilities as it relates to the success of the program. The service provider should provide technical details outlining how employee eligibility, assessment and learning results, reports, and other information will be passed between the County and the service provider.

References, 15 points – A minimum of three (3) references should be provided which demonstrate the required skills and resources to accomplish the requested services for the County. The references should be of organizations similar in size and scope to that of the County (6,000 employees spread across multiple work sites and locations) utilizing both web-based and traditional learning/assessment when necessary.

Cost, 20 points – Submit a fee proposal listing professional fees charged to provide services as outlined. The attached proposal fee schedule should be used. Costs of project implementation, account management, and subscription-based fees for each employee should be included, as well as an ongoing annual costs to maintain learning and/or assessment tools. When the vendor has performed in accordance with the provisions of this agreement, Gwinnett County shall pay to the vendor, within thirty (30) days of receipt of any department approved payment request and based upon work completed or service provided pursuant to the contract, the sum so requested, less the retainage stated in this agreement, if any. Collusion and fraud in submittal preparation shall be reported to the State of Georgia Attorney General and the United States Justice Department.

XVII. DEFAULT

The contract may be canceled or annulled by the Purchasing Director in whole or in part by written notice of default to the vendor upon non-performance or violation of contract terms. An award may be made to the next low responsive and responsible vendor, or the next highest scoring responsive and responsible proposer, or articles specified may be purchased on the open market similar to those so terminated. In either event, the defaulting vendor (or their surety) shall be liable to the County for costs to the County in excess of the defaulted contract prices; provided, however, that the vendor shall continue the performance of this contract to the extent not terminated under the provisions of this clause. Failure of the vendor to deliver materials or services within the time stipulated on their offer, unless extended in writing by the Purchasing Director, shall constitute contract default.

XVIII. TERMINATION FOR CAUSE

The County may terminate this agreement for cause upon ten days prior written notice to the vendor of the vendor's default in the performance of any term of this agreement. Such termination shall be without prejudice to any of the County's rights or remedies by law.

XIX. TERMINATION FOR CONVENIENCE

The County may terminate this agreement for its convenience at any time upon 30 days written notice to the vendor. In the event of the County's termination of this agreement for convenience, the vendor will be paid for those services actually performed. Partially completed performance of the agreement will be compensated based upon a signed statement of completion to be submitted by the vendor, which shall itemize each element of performance.

XX. SUBSTITUTIONS

Vendors offering substitutions or who are deviating from the attached specifications shall list such deviations on a separate sheet to be submitted with their offer. The absence of such a

substitution list shall indicate that the vendor has taken no exception to the specifications contained herein.

XXI. INELIGIBLE VENDORS

The County may choose not to accept the offer by an individual, firm, or business who is in default on the payment of taxes, licenses, or other monies owed to the County. Additionally, vendors or persons placed on an Ineligible Source List for reasons listed in Part 6, Section II of the Gwinnett County Purchasing Ordinance shall not be eligible to provide any commodities or services to the County during the period such person remains on the Ineligible Source List.

XXII. PENDING LITIGATION

An individual, firm, or business that has litigation pending against the County, or anyone representing a firm or business in litigation against the County, not arising out of the procurement process, will be disqualified.

XXIII. OCCUPATION TAX CERTIFICATE

Each successful vendor must have a valid Gwinnett County occupation tax certificate if the vendor maintains an office within the unincorporated area of Gwinnett County. Incorporated, out of County, and out of State vendors are required to have any and all certificates necessary to do business in any town, County or municipality in the State of Georgia, or as otherwise required by County ordinance or resolution. Vendors may be required to provide evidence of valid certificates. Out of State vendors are required to have a certificate in the Georgia jurisdiction where they receive the most revenue.

XXIV. PURCHASING POLICY AND REVIEW COMMITTEE

The Purchasing Policy & Review Committee has been established to review purchasing procedures and make recommendations for changes; resolve problems regarding the purchasing process; make recommendations for standardization of commodities, schedule buying, qualified products list, annual contracts, supplier performance (Ineligible Source List), and other problems or requirements related to purchasing. The Purchasing Policy & Review Committee has authority to place vendors on the Ineligible Source List for reasons listed in Part 6, Section II of the Gwinnett County Purchasing Ordinance, for a period not to exceed three (3) years.

XXV. AMERICANS WITH DISABILITIES ACT

All vendors for Gwinnett County are required to comply with all applicable sections of the Americans with Disabilities Act (ADA) as an equal opportunity employer. In compliance with the Americans with Disabilities Act (ADA), Gwinnett County provides reasonable accommodations to permit a qualified applicant with a disability to enjoy the privileges of employment equal to those employees without disabilities. Disabled individuals must satisfy job requirements for education background, employment experience, and must be able to perform those tasks that are essential to the job with or without reasonable accommodations. Any requests for the reasonable accommodations required by individuals to fully participate in any open meeting, program or activity of Gwinnett County should be directed to the ADA Coordinator, 75 Langley Drive, Lawrenceville, Georgia 30046, 770-822-8165.

XXVI. ALTERATIONS OF SOLICITATION AND ASSOCIATED DOCUMENTS

Alterations of County documents are strictly prohibited and will result in automatic disqualification of the vendor's solicitation response. If there are "exceptions" or comments

to any of the solicitation requirements or other language, then the firm may make notes to those areas, but may not materially alter any document language.

XXVII. TAX LIABILITY

Local and state governmental entities must notify vendors of their use tax liability on public works projects. Under Georgia law, private vendors are responsible for paying a use tax equal to the sales tax rate on material and equipment purchased under a governmental exemption that is incorporated into a government construction project: excluding material and equipment provided for the installation, repair, or expansion of a public water, gas, or sewer system when the property is installed for general distribution purposes. To the extent the tangible personal property maintains its character (for example, the installation of a kitchen stove), it remains tax-exempt. However, if the installation incorporates the tangible personal property into realty (for example, the installation of sheetrock), it becomes taxable to the private vendor. See O.C.G.A. §48-8-3(2) and O.C.G.A. §48-8-63.

XXVIII. STATE AND FEDERAL LAW REGARDING WORKER VERIFICATION

Effective July 1, 2013 State Law requires that all who enter into a contract for the physical performance of services for all labor or service contract(s) that exceed \$2,499.99 (except for services performed by an individual who is licensed pursuant to Title 26, Title 43, or the State Bar of Georgia) and that all who enter into a contract for public works as defined by O.C.G.A. §36-91-2(12) for the County, must satisfy the Illegal Immigration Reform Enhancements for 2013 in conjunction with the Federal Immigration Reform and Control Act (IRCA) of 1986, in all manner, and such are conditions of the contract.

The Purchasing Division Director with the assistance of the Internal Audit Division shall be authorized to conduct random audits of a vendor's or subcontractors' compliance with the Illegal Immigration Reform Enhancements for 2013 and the rules and regulations of the Georgia Department of Labor. The vendor and subcontractors shall retain all documents and records of its compliance for a period of five (5) years following completion of the contract or shall abide by the current time requirements at the time of the contract. This requirement shall apply to all contracts for all public works, labor or service contracts that exceed \$2,499.99 except for services performed by an individual who is licensed pursuant to Title 26, Title 43, or the State Bar of Georgia.

Whenever it appears that a vendor's or subcontractor's records are not sufficient to verify the work eligibility of any individual in the employment of such vendor or subcontractor, the Purchasing Director shall report same to the Department of Homeland Security and may result in termination of the contract if it is determined at any time during the work that the vendor or subcontractor is no longer in compliance with worker verification.

By submitting an offer to the County, vendor agrees that, in the event the vendor employs or contracts with any subcontractor(s) in connection with the covered contract, the vendor will secure from the subcontractor(s) such subcontractor(s)' indication of the employee-number category applicable to the subcontractor, as well as attestation(s) from such subcontractor(s) that they follow the Illegal Immigration Reform Enhancements for 2013 in conjunction with all federal requirements. Original signed, notarized Subcontractor Affidavits and Agreements must be maintained by the vendor awarded the contract.

A vendor's or subcontractor's failure to participate in the federal work authorization program as defined above shall be subject to termination of the contract. A vendor's failure to follow Gwinnett County's instruction to terminate a subcontractor that is not participating in the federal work authorization program may be subject to termination of the contract.

XXIX. SOLID WASTE ORDINANCE

XXXI. PRODUCTS MANUFACTURED IN GEORGIA

When contracting for or purchasing supplies, materials, equipment, or agricultural products that exceeds \$100,000.00, excluding beverages for immediate consumption, Gwinnett County shall give preference as far as may be reasonable and practicable to such supplies, materials, equipment, and agricultural products as may be manufactured or produced in this state. Such preference shall not sacrifice quality. Gwinnett County Board of Commissioners shall consider, among other factors, information submitted by the vendor which may include the vendor's estimate of the multiplier effect on gross state domestic product and the effect on public revenues of the state and the effect on public revenues of political subdivisions resulting from acceptance of an offer to sell Georgia manufactured or produced goods as opposed to out-of-state manufactured or produced goods. Any such estimates shall be in writing. **(O.C.G.A. §36-84-1).**

XXXII. INDEMNIFICATION

To the fullest extent permitted by law, the vendor shall, at his sole cost and expense, indemnify, defend, satisfy all judgments, and hold harmless the County, its commissioners, officers, agents, and employees from and against all claims, damages, actions, judgments, costs, penalties, liabilities, losses and expenses, including, but not limited to, attorney's fees arising out of or resulting from the performance of the work, provided that any such claim, damage, action, judgment, cost, penalty, liability, loss or expense (1) is attributable to bodily injury, sickness, disease, or death, or to injury to or destruction of tangible property (other than the work itself) including the loss of use resulting therefrom, and (2) is caused in whole or in part by the negligent acts, errors by any act or omission of the vendor, any subcontractor, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, regardless whether such claim is caused in part by a party indemnified hereunder. Such obligation shall not be construed to negate, abridge, or otherwise reduce any of the rights or obligations of indemnity which would otherwise exist as to any party or person described in this agreement. In any and all claims against the County, its commissioners, officers, agents, and employees by any employee of the vendor, any subcontractor, anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable, the indemnification obligation contained herein shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for the vendor or any

subcontractor under Worker's Compensation Acts, disability benefit acts, or other employee benefit acts.

Vendor shall also indemnify, hold harmless, insure, and defend the County for damages, losses, or expenses to the extent caused by or resulting from the negligence, recklessness, or intentionally wrongful conduct of the vendor or other persons employed or utilized by the vendor in the performance of a contract that utilizes survey services.

XXXIII. CODE OF ETHICS

Vendors shall disclose under oath the name of all elected officials whom it employs or who have a direct or indirect pecuniary interest in the business entity, its affiliates, or its subcontractors. (This shall not apply to informal purchases as defined by the Purchasing Ordinance.) The vendor shall execute a Code of Ethics affidavit. Failure to submit the affidavit during the procurement process shall render the offer non-responsive.

Any business entity holding a contract with Gwinnett County that after execution of the contract or issuance of the purchase order employs, subcontracts with, or transfers a direct or indirect pecuniary interest in the business entity to an elected official shall within five (5) days disclose such fact in writing under oath to the Clerk of the Board of Commissioners. Failure to comply, or vendors submitting false information or omitting material information shall be referred to the Purchasing Policy & Review Committee for action pursuant to the Purchasing Ordinance or to the District Attorney for possible criminal prosecution. Note: See Gwinnett County Code of Ethics Ordinance EO2011, Sec. 54-33. The ordinance is available to view in its entirety at www.gwinnettcountry.com.
