**Addendum #1  
BL161-23  
Purchase of Field Service Uniforms on an Annual Contract**

**Revisions:**

**R1. ADD:** Solicitation Page 5, within Bid Schedule, **add** Section XI:

**XI. Invoices**

Invoices shall be submitted by the service provider directly to the Gwinnett County Department of Financial Services, Treasury Division by email to [disbursements@gwinnettcountry.com](mailto:disbursements@gwinnettcountry.com). Invoices must include the Purchase Order Number assigned to the purchase. Invoices should be submitted after products have been shipped and delivered to Gwinnett County. Invoices should not be submitted prior to delivery.

**R2.** Four additional Line Items have been added to Section B – Department of Transportation. Please **see the attached REVISED BID SCHEDULE Page 28R through 28R-C. Page 28R will replace the original Page 28 in the Invitation to Bid. Pages 28R-A, 28R-B, and 28R-C should be inserted in between Page 28R and original Page 29.**

Please see the below summation of questions and answers for the above solicitation.

**Questions:**

**Q1.** Is the County planning to award this contract to a sole supplier or multiple suppliers? Is it mandatory to bid on every item within a Section to be considered responsive?

**A1. While the County maintains the right to award in its best interest, historically this contract has been primarily awarded by Line Item. Vendors are not required to bid on every Line Item.**

**Q2.** For the annual quantities, are quantities per size or a total for that item? For Example: the County has 20 ea. (line one page 6). Is that 20 per size or a total of 20 for that item?

**A2. Quantities are estimated; however, the estimated annual quantities are for the total quantity of that item not each individual size. The amount per size will vary depending on the County's needs.**

**Q3.** For Section B, Line Items 6 and 7, is the brand supposed to be Carhartt as in Line Item 5?

- A3. Correct. However, per Page 3, Section IV *Brand Names*, "Use of brand names, specific manufacturers and style numbers are not intended to limit competition, but rather to ensure uniformity of styles, colors and fabrics as established by the departments and assist suppliers in determining the standard of quality Gwinnett County is seeking. Equivalent items may be accepted if they meet all standards of quality and purpose for the intended use, as determined by Gwinnett County."**
- Q4. Can the County provide an example of what would be an equivalent to stretch-litho-transfer? Would Silk Screening be sufficient?
- A4. Yes, silk screening is an acceptable equivalent.**
- Q5. Can the County provide a sample of the current uniforms?
- A5. Please see Page 3, Section IV *Brand Names*. Samples are not available.**
- Q6. Can the County provide the bid tabulation from the previous contract?
- A6. Please see attached bid tabulations from BL099-21.**

This addendum should be signed in the space provided below and returned with your bid. Failure to do so may result in your bid being deemed non-responsive.

Thank you.
