## REQUIREMENTS & SPECIFICATIONS

The Gwinnett County Board of Commissioners is soliciting competitive sealed bids for the purchase of inmate clothing and supplies on an annual contract for the Department of Corrections and the Sheriff's Department.

**A. Delivery:**     **Inside delivery will be F.O.B. Destination to:**

Gwinnett County Department of Corrections  
Comprehensive Correctional Complex  
750 Hi-Hope Road  
Lawrenceville, GA 30043

Gwinnett County Detention Center  
2900 Highway 316  
Lawrenceville, GA 30046

Exact delivery location(s) will be provided with order. Locations may be added and deleted as necessary.

**B. Equivalent Products:**

The use of brand names is not for restrictive purposes or to limit competition but to assist suppliers in determining the standard of quality Gwinnett County is seeking. Gwinnett County shall be the sole determinant of acceptability of all approved equivalents.

When bidding an equivalent product, supplier represents:

1.        Equivalent product has been personally investigated and determined to be equal to or superior in all respects to that specified.
2.        Product identification, including the manufacturer's name and address should be provided as part of bid document.
3.        It is the supplier's responsibility to prove equivalent products equal or exceed the quality level of the product(s) specified

**C. Orders:**

Orders will be placed by the departments on an "as needed" basis. Quantities are approximate annual quantities. **Unit price should include all charges for silkscreen and inside delivery FOB destination to specified address.** Orders are to be filled regardless of quantity and/or dollar amount. All orders to be delivered or picked up will require a purchase order number. Orders provided without a purchase order number are not considered to be authorized purchases and may be subject to non-payment of invoice. All orders must be accompanied by a packing slip with an identifying purchase order number. Multiple orders are not to be combined within the same box; unless sorted, bagged and identified by the purchase order numbers. Orders should be shipped complete unless authorized by ordering personnel. Orders shipped in error or to the wrong department location will be rejected. In these cases, the vendor is to arrange for return pick up within five (5) business days of notification by the department.

If all or any part of an order contains backordered items and supplier will not be able to meet the Delivery A.R.O. stated in the bid, the supplier should document and notify the department liaison of the backorder within five (5) days of receipt of the purchase order. Gwinnett County will either cancel the order of backordered items or accept the delivery time provided by the supplier.

If a supplier cannot supply the backordered items in a reasonable amount of time, Section XII Delivery Failures under General Instructions to Vendors, Terms and Conditions may be invoked. Gwinnett County reserves the right to purchase uniforms off contract if delivery is not made within the contracted delivery time.

**D. Samples:**

Samples should be provided within seven (7) business days upon request and must be furnished at suppliers' expense. Each sample is to be labeled with supplier's name, item number as indicated on the Bid Schedule, and bid number.

Samples requested, but not supplied, may result in that item being deemed non-responsive.

**E. Silkscreen:**

Letter color/style: All letters shall be either black or white with block stencil style (unless otherwise specified).

Letter size: 3" high; 1" to 1½" wide.

Placement: Centered, 3" to 4" down from the shirt collar on the back side of the garment.

An award may be made to the next low responsive and responsible bidder, or the next highest scoring responsive and responsible proposer, or articles specified may be purchased on the open market similar to those so terminated. In either event, the defaulting vendor (or their surety) shall be liable to the County for costs to the County in excess of the defaulted contract prices; provided, however, that the vendor shall continue the performance of this contract to the extent not terminated under the provisions of this clause. Failure of the vendor to deliver materials or services within the time stipulated on their offer, unless extended in writing by the Purchasing Director, shall constitute contract default.

To the extent the tangible personal property maintains its character (for example, the installation of a kitchen stove), it remains tax-exempt. However, if the installation incorporates the tangible personal property into realty (for example, the installation of sheetrock), it becomes taxable to the private vendor. See O.C.G.A. §48-8-3(2) and O.C.G.A. §48-8-63.

The Purchasing Division Director with the assistance of the Internal Audit Division shall be authorized to conduct random audits of a vendor's or subcontractors' compliance with the Illegal Immigration Reform Enhancements for 2013 and the rules and regulations of the Georgia Department of Labor. The vendor and subcontractors shall retain all documents and records of its compliance for a period of five (5) years following completion of the contract or shall abide by the current time requirements at the time of the contract. This requirement shall apply to all contracts for all public works, labor or service contracts that exceed \$2,499.99 except for services performed by an individual who is licensed pursuant to Title 26, Title 43, or the State Bar of Georgia.

Whenever it appears that a vendor's or subcontractor's records are not sufficient to verify the work eligibility of any individual in the employment of such vendor or subcontractor, the Purchasing Director shall report same to the Department of Homeland Security and may result in termination of the contract if it is determined at any time during the work that the vendor or subcontractor is no longer in compliance with worker verification.

By submitting an offer to the County, vendor agrees that, in the event the vendor employs or contracts with any subcontractor(s) in connection with the covered contract, the vendor will secure from the subcontractor(s) such subcontractor(s)' indication of the employee-number category applicable to the subcontractor, as well as attestation(s) from such subcontractor(s) that they follow the Illegal Immigration Reform Enhancements for 2013 in conjunction with all federal requirements. Original signed, notarized Subcontractor Affidavits and Agreements must be maintained by the vendor awarded the contract.

Such preference shall not sacrifice quality. Gwinnett County Board of Commissioners shall consider, among other factors, information submitted by the vendor which may include the vendor's estimate of the multiplier effect on gross state domestic product and the effect on public revenues of the state and the effect on public revenues of political subdivisions resulting from acceptance of an offer to sell Georgia manufactured or produced goods as opposed to out-of-state manufactured or produced goods. Such obligation shall not be construed to negate, abridge, or otherwise reduce any of the rights or obligations of indemnity which would otherwise exist as to any party or person described in this agreement. In any and all claims against the County, its commissioners, officers, agents, and employees by any employee of the vendor, any subcontractor, anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable, the indemnification obligation contained herein shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for the vendor or any subcontractor under Worker's Compensation Acts, disability benefit acts, or other employee benefit acts.

Vendor shall also indemnify, hold harmless, insure, and defend the County for damages, losses, or expenses to the extent caused by or resulting from the negligence, recklessness, or intentionally wrongful conduct of the vendor or other persons employed or utilized by the vendor in the performance of a contract that utilizes survey services.
