ADDENDUM #2

BL057-24 Purchase and Installation of Jury Assembly Seating

QUESTIONS and ANSWERS:

Q1. Will power outlets be added to the space before furniture delivery and installation?

A1. We are working with an electrician regarding the options to install power outlets. Please proceed with the bid as if outlets will be available.

Q2. Is there an estimated date when the furniture will be needed?

A2. We hope to have the chairs installed by September 2024.

Q3. I understand there is not an AutoCad file for the furniture placement. Will the installers need to place the furniture per your electrical core placements?

A3. We are unable to provide an answer regarding the placement of power outlets at this time. The chairs will be arranged as shown in the diagram.

Q4. For the (7) seats listed as ADA seats, I would like to confirm we will be adding the ADA Logo to those seats.

A4. The manufacturer has the ability to print the ADA on the fabric for those seats. Please order the ADA logo through the manufacturer for consistency with our existing chairs.
