**Addendum #1
BL060-24
Purchase of Groceries on an Annual Contract**

Please see the below summation of questions and answers for the above solicitation.

Questions:

- Q1. Is the County planning to award this contract to a sole supplier or multiple suppliers? Is it mandatory to bid on every item within a Section to be considered responsive?
- A1. **While the County maintains the right to award in its best interest, historically this contract has been primarily awarded by Line Item. Vendors are not required to bid on every Line Item.**
- Q2. Can the County provide the bid tabulation from the previous contract?
- A2. **Please see attached bid tabulations from BL045-20.**
- Q3. Are suppliers allowed to bid items at a different unit size or case quantity than is listed in the Bid Schedule?
- A3. **Yes, suppliers are allowed to bid items at a different unit size or case quantity than is listed in the Bid Schedule. If bidding a different unit size or quantity, please do not change the case quantity. Per Page 6 of the *Invitation to Bid*, Section XII Award, "Award will be made by cost of lowest unit of measure."**

This addendum should be signed in the space provided below and returned with your bid. Failure to do so may result in your bid being deemed non-responsive.

Thank you.
