Addendum No. 1
RP023-24
Yellow River Water Reclamation Facility Conversion (YRWRF) to
PLC-Based SCADA System Project

The following addition/changes modify Proposal No. "RP023-24 Yellow River Water Reclamation Facility Conversion (YRWRF) to PLC-Based SCADA System Project," Contract Documents, dated May 2024, as first advertised on May 22, 2024.

I. Questions:

Q1. Is the Pre-proposal conference mandatory?

A1. No, the pre-proposal conference is not mandatory to attend in order to submit a proposal.

Q2. Will the pre-proposal conference be held only in person, or will there be remote access?

A2. The pre-proposal conference will be held only in person and there will not be remote access.

Acknowledge receipt of this addendum on the firm information page of the request for proposal.
Sincerely,

Brittany Bryant, CPPB
Purchasing Associate III
