**Addendum #1
RP020-24
Provision of Thermal Imaging Cameras on an Annual Contract**

Please see the below summation of questions and answers for the above solicitation.

Questions:

- Q1: Can the County confirm if the below link is an accurate representation of the type of camera being requested?
- A1: The minimum specifications within the Request for Proposal have not been written with restrictive purpose or to limit competition, but to assist vendors in determining the standard of quality Gwinnett County is seeking. It is understood that items matching or exceeding the minimum specifications and quality level are acceptable. Gwinnett County shall be the sole determinant of acceptability of all proposed items. It is the vendor's responsibility to prove products match or exceed the minimum specifications and quality level.**
- Q2: Please confirm if this is a one-time purchase or a purchase that will be required for all of the option years.
- A2: This is an annual contract where quantities are approximate and may or may not be adjusted based on the allocation/availability of funds. Items may be ordered on an as-needed basis.**
- Q3: In Section III.A.4, it states the battery must be removable. Will a camera that meets all other specifications but doesn't have a removable battery be considered?
- A3: No. The battery must be removable.**
