**Questions:**

Q1: On page 24 would Gwinnett County accept the revision below regarding Property Insurance?

**Property Insurance:**

The Contractor is fully and solely responsible for any physical loss or damage to all tools, equipment, construction office trailers and their contents, vehicles or any other personal property utilized in the performance of the Contractor's work, ~~except to the extent of the County's negligence, violation of law, breach of the contract, and/or willful misconduct. Contractor agrees to waive its rights of recovery and cause its insurers, if any, to waive their rights of subrogation against Owner and Company for any such damage or loss, however caused.~~

**A1: Yes, these revisions are acceptable.**

Q2: On page 24 under the Insurance Minimum Coverage Section, would Gwinnett County consider the removal of Rigger Liability Insurance and Aviation Insurance as it does not apply to this contract?

**A2: No, this is standard language and will not be removed, but it does not apply to this contract.**

Q3: Would Gwinnett County consider the following revision on page 24 under Insurance Section B?

*Gwinnett County Board of Commissioners (and any applicable Authority) must be specified in writing as an Additional Insured on General Liability, Auto Liability and Umbrella Liability policies, but only to the extent of Contractor's indemnity obligations.*

**A3: Assuming the indemnification language in place to protect the County is unchanged, the additional language is acceptable. Should there be revisions to the indemnification, the Law Department will need to weigh in on this part of the insurance requirements with respect to the indemnification section of the contract.**

Q4: Would Gwinnett County consider the following revision on page 24 under the Insurance Section H?

*The Contractor shall agree to provide complete certified copies of current insurance policy(ies) or a certified letter from the insurance company(ies) if requested by the County to verify compliance with these insurance requirements.*

**A4: No, this is not acceptable. The County does not intend to request copies of the policy to verify compliance with the requirements. A COI with applicable endorsements would be the medium to provided evidence of coverage. In the event of a loss, incident, or other occurrence, the County may request a copy of the policy as a certified letter would not include the full policy language that may be required by our Law Department at such time.**

Q5: Would Gwinnett County consider the removal of the following Section I on page 25?

*All insurance coverage required to be provided by the Contractor shall state that it is primary over any insurance program carried by the County.*

**A5: No, this is standard language and will not be removed.**

Q6: Would Gwinnett County consider the following revision on page 25 under the Insurance Section J?

*Contractor shall incorporate a copy of the insurance requirements as herein provided in each and every subcontract with each and every subcontractor in any tier and shall require each and every subcontractor of any tier to comply with all such requirements. The Contractor agrees that if for any reason a subcontractor fails to procure and maintain insurance as required, all such required Insurance shall be procured and maintained by Contractor at Contractor's expense.*

**A6: Yes, these revisions are acceptable.**

Q7: Would Gwinnett County consider the removal of the following Section L on page 25 as it does not apply to this contract?

*The Contractor and its insurer(s) shall agree to waive all rights of subrogation against the County, the Board of Commissioners, its officers, officials, employees, and volunteers from losses arising from work performed by the Contractor for the County.*

**A7: No, this will not be removed.**

Q8: Would Gwinnett County consider the following revision on page 25 under the Insurance Section M?

*Special Form Contractors' Equipment and Contents Insurance covering owned, used, and leased equipment, tools, supplies, and contents is required to perform the services called for in the Contract. The coverage must be on a*

replacement cost basis. The County will be included as a Loss Payee in this coverage for County owned equipment, tools, supplies, and contents, but only to the extent of Contractor's indemnity obligations.

**A8: Assuming the indemnification language in place to protect the County is unchanged, the additional language is acceptable. Should there be revisions to the indemnification, the Law Department will need to weigh in on this part of the insurance requirements with respects to the indemnification section of the contract.**

Q9: Would Gwinnett County consider the following addition for Flame Resistant Garments and High Visibility Garments?

*Flame Resistant Garments. County agrees it bears sole responsibility for selecting the flame resistant clothing and fabrics ("FRC") under this Agreement and determining whether such items are appropriate for use by its employees and agents in their applicable work environment(s). COUNTY ACKNOWLEDGES THAT CONTRACTOR HAS MADE NO REPRESENTATION, WARRANTY, OR COVENANT WITH RESPECT TO THE FLAME RESISTANT QUALITIES OR OTHER CHARACTERISTICS OF THE FRC OR WITH RESPECT TO THEIR FITNESS OR SUITABILITY FOR THIS OR ANY OTHER PURPOSE. CONTRACTOR MAKES NO REPRESENTATION WHETHER THE FRC CONSTITUTES APPROPRIATE PERSONAL PROTECTIVE EQUIPMENT FOR THE ENVIRONMENT(S) TO WHICH COUNTY'S EMPLOYEES OR AGENTS MAY BE EXPOSED OR AS TO THE FRC'S ABILITY TO PROTECT USERS FROM INJURY OR DEATH. County agrees to notify all employees and other agents of County who may wear or will be wearing the FRC that it is not designed for substantial heat exposure or for use around open flames. County acknowledges that compliance with any and all OSHA or other similar regulations or requirements relating to personal protective equipment is the sole responsibility of County. Further, County releases Contractor from any and all liability that results or may result from the use of the FRC, including but not limited to any alleged failure of the FRC to function as flame resistant or provide protection against fire and/or heat. County hereby agrees to defend, indemnify and hold harmless Contractor from any claims and damages arising out of or associated with this Agreement or resulting from County's or its employees' use of the FRC.*

*High Visibility Garments. County bears sole responsibility for: (a) determining the level of visibility needed by wearers of the high visibility garments (the "Garments") for their specific work conditions or uses; (b) identifying and selecting which Garments meet the required level of visibility for any particular work conditions or uses; and (c) determining when Garments require repair or replacement to meet the required level of visibility. County acknowledges and understands that the Garments alone do not ensure visibility of the wearer. County further acknowledges that Contractor is relying upon County to determine whether any Garments need repair or replacement to maintain the required level of visibility. Contractor represents only that the Garments supplied satisfy certain ANSI/ISEA standards to the extent the Garments are so labeled. County acknowledges that Contractor has made no other representations, covenants or warranties, whether express or implied, related to the Garments. Further, County hereby releases Contractor from any and all liability that results or might result from the failure of the garments to function per ANSI/ISEA standards, and further agrees to defend, indemnify, and hold the Contractor harmless from any claims that result or might result from any such failure.*
