**ADDENDUM #1
BL001-26**

Purchase of Slide and Sluice Gates with Actuators for the F. Wayne Hill Water Resources Center

I. Questions:

Q1. Is this a contractor install job or an equipment only purchase?

A1. This solicitation is for the purchase of equipment including installation support of a separate contractor.

Q2. Does the insurance part of it only go to the contractor installing the product or does the supplier need to meet those requirements as well?

A2. Insurance will be requested from the awarded supplier since the installatin support will be onsite.

Q3. Are Stainless steel/HDPE slide gates acceptable?

A3. This solicitaiton is requesting pricing for aluminum slide gates, stainless steel slide gates, and cast iron sluice gates.

Q4. Is this a bid for material supply only? If so, can Gwinnett County please remove the verbiage & requirements for 'contractor' bonding requirements? The supplier is not a contractor. If suppliers are required to get a contractor involved as a middleman, it will just increase the cost of the gates.

A4. Yes, this bid is for the purchase of slide and sluice gates with actuators with installation support. Installation will be provided by a contractor, not yet appointed.

Q5. Would Gwinnett County consider adding Orbinox as an approved manufacturer?

A5. Requests for approval of an "approved equal" manufacturer will only be evaluated following the Bid opening. Approval of any "or equal" products submitted for consideration will be at the Owner and Engineer's sole discretion.

Q6. Would Gwinnett County consider adding Rodney Hunt, Inc. as an approved manufacturer?

A6. Requests for approval of an "approved equal" manufacturer will only be evaluated following the Bid opening. Approval of any "or equal" products submitted for consideration will be at the Owner and Engineer's sole discretion.

This addendum should be signed in the space provided below and returned with your quote. Failure to do so may result in your bid being deemed non-responsive.
