ADDENDUM #1
BL020-26, Construction of Bethesda Park Picklball Courts

QUESTIONS & ANSWERS:

Q1. Can you confirm the water line locations at the pickleball court site?

A1. Contractor shall verify waterline location and size for proposed connection. This may include, but not be limited to, potholing and testing valves for shut-offs to determine which existing waterline(s) are currently serving the area to receive the proposed courts.

Q2. Are permits required for the new pavilion?

A2. A permit is required for the new pavilion and bidders should plan to permit shop drawings from the manufacturer.

This addendum should be acknowledged in the space provided on page 15 of the bid documents and returned with your bid. Failure to do so may result in your bid being deemed non-responsive.

Thank you,
