**Addendum #1
BL032-26
Purchase of Playground Resurfacing Material on an Annual Contract**

Please see a summation of the questions and answers below for the referenced solicitation.

Questions:

- Q1. Due to current carrier constraints, less-than-truckload (LTL) shipments are proving more difficult to secure. Regarding Bid Schedule Line Item #1, would the County be open to structuring and fulfilling as full truckload deliveries of 40 cubic yards each, or is the split quantity required for a specific operational reason?
- A1. Both delivery types are required. Some locations require full truckloads while others require and can only accept 40 cubic yard deliveries due to access constraints.**
- Q2. What is the expected turnaround time from receipt of purchase order to delivery?
- A2. The supplier is to provide that information in their bid on the Bid Schedule.**
- Q3. Per the specifications, the County currently handles the spreading of mulch internally. If a supplier supplies and installs playground mulch using blower truck services, would the County be interested in receiving pricing for these services, or perhaps adding an addendum for delivery and installation to the current bid?
- A3. No.**

Thank you,

Casey Beauston, CPPB
Purchasing Associate III

This addendum should be signed in the space provided below and returned with your bid. Failure to do so may result in your bid being deemed non-responsive.
