ARTICLE 1 – ADDENDUM

- 1.01 Amend the Contract Documents
 - A. Make the additions, modifications, or deletions to the Contract Documents described in this Addendum.
- 1.02 Acknowledge Addenda
 - A. Acknowledge receipt of this Addendum in the Bid Form submitted for this Project. Failure to acknowledge receipt of this addendum in the Bid Form may render the Bid as non-responsive and serve as the basis for rejecting the Bid.

ARTICLE 2 – BID REQUIREMENTS

- 2.01 Section 00 11 16 “Invitation to Bid”
 - A. Amend the “Delivery of Bids” Article as follows:
 - 1. The location for the receipt of Bids has changed. Any reference through the bid documents to the location of the Purchasing Division should be replaced with **Purchasing Division – 2nd Floor Gwinnett Justice and Administration Center 75 Langley Drive Lawrenceville, Georgia 30046**. Including but not limited to Section 00 21 13.

ARTICLE 3 – QUESTIONS

- 3.01 On the bid form there is a line-item BB-16 Tree Replacement, but the plans do not show where these trees are to be installed. Are the trees shown to be removed/replaced on sheets C201, C202, and C203? If this is the case, can a list of the types of trees and caliper for each tree be provided for bidding purposes?
 - A. Trees located within the right of way that conflict with the water line are to be removed. These trees will not be replaced. Only trees on private property damaged from the water line installation will be considered for replacement. Gwinnett County anticipates 2” to 4” caliper hardwood trees. Trees will be selected to match existing trees to be replaced at the direction of the County, if any. See specification 32 93 43.
