## PATCHES AND EMBLEMS

### A. SCOPE OF WORK

The successful supplier will be required to provide custom patches and emblems as indicated in the following quote specifications for the Departments of Corrections, Police Services, Fire and Emergency Services, and Sheriff's Office on an as needed basis.

### B. WORKMANSHIP

1. Embroidery stitch density shall be scaled so as to prevent "bleed through" of underlying colors or fabrics. Sufficient underlay shall be used to create a three dimensional, top quality, embroidery effect. The finished patch must show a clear-cut execution and must be clean, neatly made, and have full tension on all threads.
2. Overlock (merrow) edge shall also be scaled so that stitching and cloth under the edge do not "bleed through." Stitch density to be at least 24 stitches per inch.
3. Final stitches of the merrow must over-run the starting stitches. The tail must then be pulled through the over-run and cut off cleanly to prevent unraveling or fused to the reverse side of the patch.
4. Cut line beneath merrow edge: The outline of the patches shall contain a single running stitch around the entire border and then zigzag stitch over the top of same. No portion of the zigzag shall be cut off during the cut.
5. Manufacturer must certify that the overlock border will be applied in such a manner as to prevent it from pulling loose from the patch. Overlock shall be of a density sufficient to completely cover the fabric edge of the patch, and that after proper attachment to a garment it will not curl after washing or dry cleaning.
6. All materials are to be certified by the manufacturer to be washable and dry cleanable.

### C. SPECIFICATIONS: POLICE SERVICES

The supplier shall comply with the following specifications for the above mentioned section:

1. Material
  - a. Background fabric 65/35 polyester/cotton twill, permanent press finish, pre-shrunk and cured, 7 to 7½ ounce vat dyed, 3x1 weave.
  - b. Buckram 24x20 weave, 50/50 polyester/rayon, pre-shrunk and heat set.
  - c. Coating (plastic backing) PVC K85 0.010" thick.
  - d. Embroidery yarn 150/2 and 100/2 deniers, finest quality, continuous filament, colorfast rayon; no double thread in any part of the embroidery.
  - e. Bobbin 60/2 nylon.
  - f. Overlock (merrow) edge rayon #7 floss 300/4 with at least 24 stitches per inch.
  - g. Needle and looper thread in edge 20/2 cotton or #50 polyester/rayon core thread; monofilament or nylon thread will not be used.

### D. SPECIFICATIONS: SHERIFF'S OFFICE

The supplier shall comply with the following specifications for the above mentioned section:

1. Material
  - a. Background fabric should be of factory/manufacturer first quality and not mill seconds. 7½ ounces per yard – 8½ ounces per yard, 65/35 polyester/cotton twill weave, permanent press finish, pre-shrunk and cured (resin impregnated and color fastness).
  - b. An open weave buckram should be used on the loom to give stability to the base material.
  - c. Embroidery yarn 150/2 and 100/2 denier, rayon yarn (colorfast), continuous filament, regenerated cellulose type in a Shiffli twist, or alternate, that will produce a finished product of equivalent quality.

2. Embroidering
  - a. Department shoulder patches not to contain less than 10,520 stitches and 21,040 revolutions. Badge patches not to contain less than 8,000 stitches and 16,000 revolutions, not including the stitching of the overlock edge.
  - b. Stitch scale must be of sufficient density to preclude "bleeding through" of the background material color. There must be sufficient underlay stitching to give a full three-dimensional appearance to the design.
  - c. Double thread will not be permitted in any part of the patch. Single thread stitching in the denicro and plys as specified to be used throughout.
  - d. All lettering to be embroidered with 90/2 or 100/2 thread.
3. Overlock border – Any configuration that does not have substantial concave curves and/or inside angles must be overlocked unless otherwise specified.
  - a. Top border – one end of 300 denier 4 ply rayon or separate ends of 300 denier of 2 ply rayon or 5 separate ends of 150 denier 2 ply rayon.
  - b. Bottom border – two separate ends of cotton or cotton portion of the overlock; clear monofilament is not permitted.
  - c. Shoulder chevron emblems have stitched borders, and a and b do not apply.
4. Dimensions – Patch is to measure 4" at widest point and 5" at the highest point for department shoulder patches. Embroidery detail and lettering are to be the same size, height, and weight as shown on the drawing.

#### E. FINISHING

1. Buckram shall be stitched onto the reverse side of the fabric as embroidery is performed.
2. A PVC 0.10 plastic film or equivalent shall be applied to the reverse side of the embroidered fabric while shape and stretch are maintained.
3. The film used must be able to withstand temperatures in excess of 300°F in an alkaline solution and must be non-soluble in all commercial laundering fluids. Coating or film must not be chlorine retentive, nor should it emit toxic gases when subject to heat. The film must be fused into the buckram, embroidery and fabric so that all raised elements and depressions are fused equally and uniformly. Infrared heating, combined with vacuum for pressures, ensures that proper bonding takes place. The result must be that none of the embroidery on the face of the patch is crushed or flattened. There shall be no evidence of jump stitch (spring stitches) imprinted on the face of the patch. The resulting embroidery shall "lay flat" and not curl when finished.
4. The finished patch must be cut to exact shape and geometry of the approved design. Packaged 25 per plastic bag for Sheriff's patches when applicable.

#### F. SAMPLES

1. Samples should be provided upon request within seven (7) business days. Each sample is to be labeled with supplier's name, item number as indicated on the bid schedule, and bid number (BL#). Failure to provide samples by the required deadline may result in bid being deemed non-responsive. It will be the responsibility of the supplier to incur all costs associated with providing the samples. After testing, samples may be returned to supplier at supplier's request and expense.
2. Bid samples – **Samples will be requested as needed during the evaluation process.** Samples must be representative of the supplier's highest production standard.
3. Pre-production samples – **Successful supplier will be required to furnish 2 pre-production samples of each line item within 14 days after notification of award and before proceeding with manufacture.** Approval of the production sample authorizes commencement of production but does not

relieve the supplier of responsibility for compliance with all provisions of the specifications. Unless otherwise specified, patches shall be equal and conform to the standard sample in all respects not specifically covered by the specifications.

#### **G. QUOTE REQUIREMENTS**

1. Patches and emblems will be ordered on an "as needed" basis. Maximum 10% over/under run allowed.
2. Successful supplier will receive actual samples of all patches and emblems upon request.
3. If recommended color charts are not available, supplier must provide color charts for comparison prior to award.
4. Delivery will be F.O.B. destination, prepaid and allowed.
5. Successful supplier agrees that Gwinnett County specific patches and emblems are the sole property of Gwinnett County and will not be sold or distributed to any unauthorized individual.
6. Artwork is provided in the attached Graphics Appendix. Artwork may be changed or added throughout the life of the contract. At times, the awarded supplier may be asked to assist in the design of artwork (including thread color). All artwork remains the property of Gwinnett County Board of Commissioners and upon completion of this contract shall be returned to the appropriate user department.

#### **H. DELIVERY**

Delivery will be F.O.B. Destination to the following locations: (Subject to change through the life of the contract, locations may be added and deleted as necessary)

**XII. DELIVERY FAILURES**

Failure of a vendor to deliver within the time specified or within reasonable time as interpreted by the Purchasing Director, or failure to make replacement of rejected articles/services when so requested, immediately or as directed by the Purchasing Director, shall constitute authority for the Purchasing Director to purchase in the open market articles/services of comparable grade to replace the articles/services rejected or not delivered. On all such purchases, the vendor shall reimburse the County within a reasonable time specified by the Purchasing Director for any expense incurred in excess of the contract prices, or the County shall have the right to deduct such amount from monies owed the defaulting vendor. Alternatively, the County may penalize the vendor one percent (1%) per day for a period of up to ten (10) days for each day that delivery or replacement is late. Should public necessity demand it, the County reserves the right to use or consume articles/services delivered which are substandard in quality, subject to an adjustment in price to be determined by the Purchasing Director.

**XIII. COUNTY FURNISHED PROPERTY**

No material, labor or facilities will be furnished by the County unless so provided in the solicitation package.

Each submittal is received with the understanding that the acceptance in writing by the County of the offer to furnish any or all the commodities or services described therein shall constitute a contract between the vendor and the County which shall bind the vendor on his part to furnish and deliver the articles quoted at the prices stated in accordance with the conditions of said accepted

submittal. The County, on its part, may order from such vendor, except for cause beyond reasonable control, and to pay for, at the agreed prices, all articles specified and delivered.

Upon receipt of a solicitation package containing a Gwinnett County "Sample Contract" as part of the requirements, it is understood that the vendor has reviewed the documents with the understanding that Gwinnett County requires that all agreements between the parties must be entered into via this document. If any exceptions are taken to any part, each must be stated in detail and submitted as part of the vendor's submittal. If no exceptions are stated, it is assumed that the vendor fully agrees to the provisions contained in the "Sample Contract" in its entirety.

Any Consultant as defined in O.C.G.A. §36-80-28 that is engaged to develop or draft specifications/requirements or serve in a consultative role during the procurement process for any County procurement method, by entering into such an arrangement or executing a contract, the consultant agrees to abide by the current state law and: 1) Avoid any appearance of impropriety and shall follow all policies and procedures of the County, 2) Disclose to the County any material transaction or relationship pursuant to §36-80-28, that is considered a conflict of interest, any involvement in litigation or other dispute, relationship, or financial interest not disclosed in the ethics affidavit, and 3) Acknowledge that any violation or threatened violation of the agreement may cause irreparable injury to the County, entitling the County to seek injunctive relief in addition to all other legal remedies.

When the vendor has performed in accordance with the provisions of this agreement, Gwinnett County shall pay to the vendor, within thirty (30) days of receipt of any department approved payment request and based upon work completed or service provided pursuant to the contract, the sum so requested, less the retainage stated in this agreement, if any. If Gwinnett County fails to pay the vendor within sixty (60) days of receipt of a pay request based upon work completed or service provided pursuant to the contract, the County shall pay the vendor interest at the rate of ½% per month or pro rata fraction thereof, beginning the sixty-first (61<sup>st</sup>) day following receipt of pay requests. The vendor's acceptance of progress payments or final payment shall release all claims for interest on said payment.

The parties agree that this Contract shall be governed and construed in accordance with the laws of the State of Georgia.

#### **XVI. NON-COLLUSION**

Vendor declares that the submittal is not made in connection with any other vendor's submittal for the same commodity or commodities, and that the submittal is bona fide and is in all respects fair and without collusion or fraud. An affidavit of non-collusion shall be executed by each vendor. Collusion and fraud in submittal preparation shall be reported to the State of Georgia Attorney General and the United States Justice Department.

#### **XVII. DEFAULT**

The contract may be canceled or annulled by the Purchasing Director in whole or in part by written notice of default to the vendor upon non-performance or violation of contract terms. An award may be made to the next low responsive and responsible vendor, or the next highest scoring responsive and responsible proposer, or articles specified may be purchased on the open market similar to those so terminated. In either event, the defaulting vendor (or their surety) shall be liable to the County for costs to the County in excess of the defaulted contract prices; provided, however, that the vendor shall continue the performance of this contract to the extent not terminated under the provisions of this clause. Failure of the vendor to deliver materials or services within the time stipulated on their offer, unless extended in writing by the Purchasing Director, shall constitute contract default.

**XVIII. TERMINATION FOR CAUSE**

The County may terminate this agreement for cause upon ten days prior written notice to the vendor of the vendor's default in the performance of any term of this agreement. Such termination shall be without prejudice to any of the County's rights or remedies by law.

**XIX. TERMINATION FOR CONVENIENCE**

The County may terminate this agreement for its convenience at any time upon 30 days written notice to the vendor. In the event of the County's termination of this agreement for convenience, the vendor will be paid for those services actually performed. Partially completed performance of the agreement will be compensated based upon a signed statement of completion to be submitted by the vendor, which shall itemize each element of performance.

**XX. SUBSTITUTIONS**

Vendors offering substitutions or who are deviating from the attached specifications shall list such deviations on a separate sheet to be submitted with their offer. The absence of such a substitution list shall indicate that the vendor has taken no exception to the specifications contained herein.

**XXI. INELIGIBLE VENDORS**

The County may choose not to accept the offer by an individual, firm, or business who is in default on the payment of taxes, licenses, or other monies owed to the County. Additionally, vendors or persons placed on an Ineligible Source List for reasons listed in Part 6, Section II of the Gwinnett County Purchasing Ordinance shall not be eligible to provide any commodities or services to the County during the period such person remains on the Ineligible Source List.

Incorporated, out of County, and out of State vendors are required to have any and all certificates necessary to do business in any town, County or municipality in the State of Georgia, or as otherwise required by County ordinance or resolution. Vendors may be required to provide evidence of valid certificates. Out of State vendors are required to have a certificate in the Georgia jurisdiction where they receive the most revenue.

**XXIV. PURCHASING POLICY AND REVIEW COMMITTEE**

The Purchasing Policy & Review Committee has been established to review purchasing procedures and make recommendations for changes; resolve problems regarding the purchasing process; make recommendations for standardization of commodities, schedule buying, qualified products list, annual contracts, supplier performance (Ineligible Source List), and other problems or requirements related to purchasing. The Purchasing Policy & Review Committee has authority to place vendors on the Ineligible Source List for reasons listed in Part 6, Section II of the Gwinnett County Purchasing Ordinance, for a period not to exceed three (3) years.

#### **XXVI. ALTERATIONS OF SOLICITATION AND ASSOCIATED DOCUMENTS**

Alterations of County documents are strictly prohibited and will result in automatic disqualification of the vendor's solicitation response. If there are "exceptions" or comments to any of the solicitation requirements or other language, then the firm may make notes to those areas, but may not materially alter any document language.

#### **XXVII. TAX LIABILITY**

Local and state governmental entities must notify vendors of their use tax liability on public works projects. Under Georgia law, private vendors are responsible for paying a use tax equal to the sales tax rate on material and equipment purchased under a governmental exemption that is incorporated into a government construction project: excluding material and equipment provided for the installation, repair, or expansion of a public water, gas, or sewer system when the property is installed for general distribution purposes. To the extent the tangible personal property maintains its character (for example, the installation of a kitchen stove), it remains tax-exempt. However, if the installation incorporates the tangible personal property into realty (for example, the installation of sheetrock), it becomes taxable to the private vendor. See O.C.G.A. §48-8-3(2) and O.C.G.A. §48-8-63.

#### **XXVIII. STATE AND FEDERAL LAW REGARDING WORKER VERIFICATION**

The Purchasing Division Director with the assistance of the Internal Audit Division shall be authorized to conduct random audits of a vendor's or subcontractors' compliance with the Illegal Immigration Reform Enhancements for 2013 and the rules and regulations of the Georgia Department of Labor. The vendor and subcontractors shall retain all documents and records of its compliance for a period of five (5) years following completion of the contract or shall abide by the current time requirements at the time of the contract. This requirement shall apply to all contracts for all public works, labor or service contracts that exceed \$2,499.99 except for services performed by an individual who is licensed pursuant to Title 26, Title 43, or the State Bar of Georgia.

Whenever it appears that a vendor's or subcontractor's records are not sufficient to verify the work eligibility of any individual in the employment of such vendor or subcontractor, the Purchasing Director shall report same to the Department of Homeland Security and may result in termination of the contract if it is determined at any time during the work that the vendor or subcontractor is no longer in compliance with worker verification.

By submitting an offer to the County, vendor agrees that, in the event the vendor employs or contracts with any subcontractor(s) in connection with the covered contract, the vendor will secure from the subcontractor(s) such subcontractor(s)' indication of the employee-number category applicable to the subcontractor, as well as attestation(s) from such subcontractor(s) that they follow the Illegal Immigration Reform Enhancements for 2013 in conjunction with all federal requirements. Original signed, notarized Subcontractor Affidavits and Agreements must be maintained by the vendor awarded the contract.

A vendor's or subcontractor's failure to participate in the federal work authorization program as defined above shall be subject to termination of the contract. A vendor's failure to follow Gwinnett County's instruction to terminate a subcontractor that is not participating in the federal work authorization program may be subject to termination of the contract.

**XXIX. SOLID WASTE ORDINANCE**

**XXXI. PRODUCTS MANUFACTURED IN GEORGIA**

When contracting for or purchasing supplies, materials, equipment, or agricultural products that exceeds \$100,000.00, excluding beverages for immediate consumption, Gwinnett County shall give preference as far as may be reasonable and practicable to such supplies, materials, equipment, and agricultural products as may be manufactured or produced in this state. Such preference shall not sacrifice quality. Gwinnett County Board of Commissioners shall consider, among other factors, information submitted by the vendor which may include the vendor's estimate of the multiplier effect on gross state domestic product and the effect on public revenues of the state and the effect on public revenues of political subdivisions resulting from acceptance of an offer to sell Georgia manufactured or produced goods as opposed to out-of-state manufactured or produced goods. Any such estimates shall be in writing. (O.C.G.A. §36-84-1).

**XXXII. INDEMNIFICATION**

To the fullest extent permitted by law, the vendor shall, at his sole cost and expense, indemnify, defend, satisfy all judgments, and hold harmless the County, its commissioners, officers, agents, and employees from and against all claims, damages, actions, judgments, costs, penalties, liabilities, losses and expenses, including, but not limited to, attorney's fees arising out of or resulting from the performance of the work, provided that any such claim, damage, action, judgment, cost, penalty, liability, loss or expense (1) is attributable to bodily injury, sickness, disease, or death, or to injury to or destruction of tangible property (other than the work itself) including the loss of use resulting therefrom, and (2) is caused in whole or in part by the negligent acts, errors by any act or omission of the vendor, any subcontractor, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, regardless whether such claim is caused in part by a party indemnified hereunder. Such obligation shall not be construed to negate, abridge, or otherwise reduce any of the rights or obligations of indemnity which would otherwise exist as to any party or person described in this agreement. In any and all claims against the County, its commissioners, officers, agents, and employees by any employee of the vendor, any subcontractor, anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable, the indemnification obligation contained herein shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for the vendor or any subcontractor under Worker's Compensation Acts, disability benefit acts, or other employee benefit acts.

Vendor shall also indemnify, hold harmless, insure, and defend the County for damages, losses, or expenses to the extent caused by or resulting from the negligence, recklessness, or intentionally wrongful conduct of the vendor or other persons employed or utilized by the vendor in the performance of a contract that utilizes survey services.

**XXXIII. CODE OF ETHICS**

Vendors shall disclose under oath the name of all elected officials whom it employs or who have a direct or indirect pecuniary interest in the business entity, its affiliates, or its subcontractors. (This shall not apply to informal purchases as defined by the Purchasing Ordinance.) The vendor shall execute a Code of Ethics affidavit. Failure to submit the affidavit during the procurement process shall render the offer non-responsive.

Any business entity holding a contract with Gwinnett County that after execution of the contract or issuance of the purchase order employs, subcontracts with, or transfers a direct or indirect pecuniary interest in the business entity to an elected official shall within five (5) days disclose such fact in writing under oath to the Clerk of the Board of Commissioners. Failure to comply, or vendors submitting false information or omitting material information shall be referred to the Purchasing Policy & Review Committee for action pursuant to the Purchasing Ordinance or to the District Attorney for possible criminal prosecution.
