ADDENDUM #1
IWQ 1-02272026, Purchase of Liquid Containers

Questions and Answers:

Q1. Can we quote alternate surge stabilizers?

R1. Yes, products that assist with water movement are acceptable. If you are quoting an item different from what is specified in the quote schedule, please include all relevant product information. Gwinnett County will not pre-approve alternate products at this time. The County only requires the number of surge stabilizers specified in the quote schedule.

Q2. It is our understanding that we are quoting delivered prices, meaning shipping is included in each individual item. Please confirm.

R2. Yes. Please refer to the notes section of the original IWQ for additional clarification.

Q3. What does "delivery ARO" mean?

R3. "Delivery ARO" means the length of time it will take for Gwinnett County to receive the items after a purchase order has been issued.
