**Addendum #1
IWQ #128355
Provision of a Public Nuisance Abatement**

Please see a summation of the questions and answers below for the referenced solicitation.

Questions:

- Q1. For the junk vehicles listed, will ownership or release documentation be provided for removal and disposal?
A1. The County does not typically require ownership or release documentation for the removal and disposal of junk vehicles.
- Q2. Should vehicles be assumed non-operational and require winching/towing, or are any expected to roll?
A2. The operability of the vehicles is unknown. It is recommended that all vehicles be assumed non-operational for the purposes of removal.
- Q3. Referring to the picture on *IWQ #128355 Inv*, Page 7: For the boat on site (near back fence), is the trailer included and should it be handled as debris or registered assets?
A3. The trailer is to be included with the boat. The service provider shall account for both and handle removal and disposal in accordance with applicable regulations.
- Q4: Is all material on the property to be removed regardless of type, or are there any exclusions?
A4: All outdoor storage needs to be removed, per the court order.
- Q5: Are there any known hazardous materials on site that service providers should plan for during removal?
A5: Unknown at this time.
- Q6: Regarding the salvage clause, should all recoverable materials (metal, vehicles, etc.) be documented and reported for offset, or is a general statement acceptable if no resale occurs?
A6: All recoverable materials, including metal and vehicles, should be documented and reported.
- Q7: Is there clear access for trucks and equipment, or should service providers plan for limited access/manual removal?
A7: There is clear access to the property.
- Q8: What is the property address?
A8: The County will reach out to the selected service provider and provide the location of the property.
- Q9: Will there be a pre-quote conference scheduled?
A9: There is no meeting planned.

Thank you,
