**ADDENDUM #2
BL086-26**

Restoration of Landscape and Concrete Resulting from Utility Repairs on a Multi-Year Contract

I. Revisions

R1. Please extend the bid due date to 2:50 P.M. on June 26, 2026.

II. Questions

Q1. The Invitation to Bid doesn't state that a utility contractor license is needed, but Questions 34 and 35 of Addendum #1 say that a utility contractor license is needed and a GC license is needed as well. Please clarify if this is correct since no utility work will be completed, only restoration work after the utility work has been completed by the County?

A1. Contractors are not required to have a utility contractors license for this contract. Contractors are not required to have a General Contractors license for this contract.

This addendum should be signed in the space provided below and returned with your quote. Failure to do so may result in your bid being deemed non-responsive.
