Clarifications:

- C1:** **DELETE** PA028-26 Quote Schedule line item #1 description “Ballast, 1500W, Metal Halide 480V M48, **Advance Brand ADV71A67842001, or approved equivalent**” and **REPLACE** with “Ballast, 1500W, Metal Halide 480V M48, **Advance Brand ADV71A6742001, or approved equivalent.**”
- C2:** If suppliers find a product/manufacture number has been discontinued, they may quote an equivalent. The use of brand name is not for restrictive purposes or to limit competition, but to assist suppliers in determining the standard of quality and basis of design Gwinnett County is seeking. It shall be understood that items equaling or surpassing the quality level are also acceptable. Gwinnett County shall be the sole determinant of acceptability of all approved equivalents. It is the supplier’s responsibility to prove equivalent products equal or exceed the quality level of the product(s) specified.

Questions:

- Q1:** Does the County accept “brand name or equal” alternatives?
A1: **See C2.**
- Q2:** Does the County have a previous result or tabulation that can be shared?
A2: **No.**
- Q3:** Per conducted research, the part numbers in the line item descriptions are either invalid (line item #1 ballast) or discontinued (line item #2 capacitor). Please advise.
A3: **See C1 and C2.**
