**Addendum #2
BL100-26
Purchase of Washer and Dryers**

Please see the below summation of questions and answers for the above solicitation.

Questions:

- Q1. Can service providers store equipment at the facility?
A1. Service providers may stage equipment at the facility on the day of installation only, in a designated area identified by the Sheriff's Office. Any staging requirements must be coordinated with the Sheriff's Office prior to delivery. Overnight storage of equipment at the facility is discouraged and must be coordinated with the Sheriff's Office prior to delivery.
- Q2. Will the County provide forklift?
A2. No, service provider is responsible for providing forklift and necessary equipment.
- Q3. Would the County expend the lead time requirement of 90 days?
A3. The County strongly prefers the units to be installed within 90 days of the contract award. However, lead time must not exceed 120 days.
- Q4. Will the County accept a two (2) pocket washing machine?
A4. Yes, the County will accept a two (2) pocket washing machine as long as the capacity is the same or greater than the specified item. Additionally, the dimensions must not exceed those of the specified item.
- Q5. Please clarify the factory response time.
A5. The County strongly prefers factory response time to be 24 hours. There should be a 72 hour max turnaround for warranty issues.
- Q6. Should the washer have hot water?
A6. The washer will only require cold water hook up but must be capable of hot water.
