

July 6, 2026

**ADDENDUM #1
BL076-26**

Purchase of Solids Dewatering and Thickening Polymer on an Annual Contract

I. Revisions

R1. Please add the following dates for sample pick up from the Crooked Creek Water Reclamation Facility and the F. Wayne Hill Water Resources Center. This is an addition to the date previously scheduled.

July 7, 2026, between 8:00 A.M. and 3:00 P.M.
July 9, 2026, between 8:00 A.M. and 3:00 P.M.

R2. Please replace the following paragraph under General Requirements and Specifications, Testing, A.

All suppliers should complete bench testing and full-scale testing no later than **July 22, 2026**. Suppliers shall make arrangements to pick up samples at the designated facilities listed below to conduct bench-scale testing required to identify their selected product(s) and recommended dosage(s). Bench testing samples may be picked up from each facility on **July 7, 2026, July 9, 2026, and July 10, 2026, between 8:00 A.M. to 3:00 P.M.** Upon arrival at the F. Wayne Hill Water Resources Center (FWHWRC), please ask for Chloe Crouch or Malcom Gavin to coordinate sample pick up. Upon arrival at the Crooked Creek Water Reclamation Facility (CCWRF), please ask for Cody Reece or Luke West to coordinate sample pick up. **There should be no communication about this solicitation during sample pick up. All questions and communication must come through Purchasing. Please contact Anna West with any questions.**

R3. Please add Clarifloc SE-873 to the pre-approved products list.

II. Questions:

Q1. Would it be possible to pick up a sample for bench-scale testing sooner than July 10, 2026?

A1. Additional dates for sample pick up have been added. Please see revision R1.

This addendum should be signed in the space provided below and returned with your bid. Failure to do so may result in your bid being deemed non-responsive.

Thank you,

Anna West
